Can A Renewal Movement Be Renewed Questions For The Future Of Ecumenism:

Can a Renewal Movement Be Renewed? Michael Kinnamon, 2014-05-18 There is no doubt that ecumenism occupies a prominent place in the history of the church in the twentieth century countless churches have been renewed through encounter with Christian sisters and brothers in other confessions and cultures But it is not clear that this ecumenical impulse will continue to figure prominently in the church's story In this book Michael Kinnamon argues that the ecumenical movement which has given such energy and direction to the church needs to be reconceived in a way that provides renewing power for the church in this era and he shows how this might happen He names the problems with ecumenism identifies strengths and accomplishments upon which the church now can build and suggests practical concrete steps we can take in the direction of revitalization especially at the local level

Can a Renewal Movement Be Renewed? Michael Kinnamon, 2014-05-18 Does ecumenism have a future What would it mean to take the next step in ecumenical and interfaith relations Is the ecumenical movement a movement for peace What can the churches say together about the church What can the churches say together about the environment Can the tension between unity and justice be overcome Has the ecumenical movement become too political What is the way forward for Catholic Protestant relations How can the Orthodox help others understand them better How are interfaith relationships as challenging as they are necessary How can we deal with the tough issues in Jewish Christian relations Are councils of churches a thing of the past What does it take to be an ecumenical leader What will it take to revitalize the ecumenical movement Why care about Christian unity when there are so many other things to worry about

Receptive Ecumenism and the Renewal of the Ecumenical Movement Antonia Pizzey, 2019-05-15 Receptive Ecumenism is a ground breaking new ecumenical approach widely regarded as having the potential to revitalise the Ecumenical Movement But what is Receptive Ecumenism Why is it important In *Receptive Ecumenism and the Renewal of the Ecumenical Movement* Antonia Pizzey offers a comprehensive systematic analysis of Receptive Ecumenism While still emerging Receptive Ecumenism is highly promising because it prioritises the need for ecclesial conversion Pizzey explores the scope and complexity of Receptive Ecumenism providing much needed clarity on its aim key developmental influences and distinctiveness as well as its virtuous character and relationship with Spiritual Ecumenism The major implementations of Receptive Ecumenism to date are investigated along with its significance for the future of ecumenism especially regarding its engagement with contemporary challenges

Receptive Ecumenism As Transformative Ecclesial Learning Paul D. Murray, Gregory A. Ryan, Paul Lakeland, 2022 Receptive Ecumenism asks not what other churches can learn from us but what can we learn and receive with integrity from our ecclesial others The chapters in this volume by academics church leaders and ecumenical practitioners show how Receptive Ecumenism has grown and matured over the past two decades

Ecumenism in Retreat Martin Camroux, 2016-05-27 In his enthronement sermon as archbishop of Canterbury in 1942 William Temple famously declared the ecumenical movement to be the great new fact of our era In this book Martin Camroux

tries to face honestly how hope met reality By the end of the century the enthusiasm had largely dissipated the organizations that represented it were in decline and organic unity looked further away than ever One significant ecumenical merger took place in Britain the creation in 1972 of the United Reformed Church which saw its formation as a catalyst for ecumenical renewal Its hopes however were largely illusory With the failure of its ecumenical hope the church had little idea of its purpose found great difficulty establishing an identity and faced a catastrophic implosion in membership This first serious study of the United Reformed Church also includes groundbreaking analysis of the unity process the mixed fortunes of Local Ecumenical Projects and how the national ecumenical organizations withered All of this is put in the wider context of religion in British society including secularization individualism and post denominationalism What failed was not ecumenism but a particular model of it and the book ends with a commitment to a renewed ecumenical hope **Unity as Prophetic Witness**

Michael Kinnamon, 2018-11-01 Visser t Hooft and the Shaping of Ecumenical Theology Visser t Hooft is perhaps the most distinguished figure in the modern ecumenical movement emerging in the postwar decades as a pivotal figure Under his leadership the World Council of Churches was officially constituted in 1948 by 147 Protestant and Orthodox Catholic denominations and the organization grew to include nearly 300 denominations in the following decades Visser t Hooft played a major role in the inclusion of churches from communist countries in the World Council and he also sought to enlarge the role played by African Asian and Orthodox churches in the organization He served as editor of the Ecumenical Review from 1948 to 1966 He was also the author of numerous books on the ecumenical movement and the nature and functions of the church **Spirit Flowing Like Water** Nausikaa Haupt, Olle Kristenson, Michael Nausner, Gregory Ryan, 2025-06-19

What if churches focused less on wanting other Christian traditions to become more like theirs and more on exploring what they might learn from them Might this not only help churches to deepen faith mission and service but also revitalize the ecumenical landscape with new possibilities This is the provocative and inspiring vision presented by Receptive Ecumenism a movement which has crossed denominations and continents engaging church leaders ecumenists scholars and Christians in their everyday lives Spirit Flowing Like Water presents the latest conversations in this field It not only engages leading scholars and practitioners of Receptive Ecumenism between churches but also explores the possibility of learning from difference within a church community Internal Receptive Ecumenism and adapting the approach to a wider ecumenism beyond the visible church Church leaders ecumenists and theologians from five continents have contributed chapters on transforming ecumenism practicing mission in context and broadening the horizon They write not only for those already engaged in ecumenical work but with an invitation to all communities leaders and individuals to take a fresh look at what walking together in Christ means in our polarized world **Alterity and the Evasion of Justice** Deanna Ferree

Womack, Raimundo Barreto, 2023 This volume considers overlooked others in the field of World Christianity Contributors point to gender sexuality and race as themes ripe for exploration while also identifying areas that have fallen outside the

dominant World Christianity narrative such as the Middle East and postcolonial indigenous and aboriginal theological expressions World Christianity as Public Religion Raimundo C. Barreto, Ronaldo Cavalcante, Wanderley Pereira da Rosa, 2017-10-18 In a context of globalization socioeconomic disparity environmental concerns mass migration and multiplying political and social upheavals Christians from different parts of the world are forced to ask complex questions about poverty migration race gender sexuality and land related conflicts Scholars have gradually become aware that world Christianity has a public face voice and reason This volume stresses world Christianity as a form of public religion identifying areas for intercultural engagement It proposes a conversation that includes voices from South and North America Europe and Africa highlighting differences and commonalities as Christian scholars from different parts of the world address concerns related to world Christianity and public responsibility Divided into five sections each formed by two chapters this volume covers themes such as the reimagination of theology doctrine and ecumenical dialogue in the context of world Christianity Global South perspectives on pluralism and intercultural communication how epistemological shifts promoted by liberation theology and its dialogue with cultural critical studies have impacted discourses on religion ethics and politics conversations on gender and church from Brazilian and German perspectives and intercultural proposals for a migratory epistemology that recenters the experience of migration as a primary location for meaning **Essays in Ecumenical Theology I** Ivana Noble, 2018-11-26 In the first volume of *Essays in Ecumenical Theology* Ivana Noble depicts differences between what she calls a sectarian outlook and one which engages in the search for common roots dialogical relationships and shared mission in a world that has largely become post Christian but often also post secular Drawing on both Western and Orthodox scholarship and expressing her own positions Noble sketches what ecumenical theology is how it is linked to spirituality the methods it uses how it developed during the twentieth century and the challenges it faces Specific studies deal with controversial interpretations of Jan Hus Catholic Modernism the problematic heritage of the totalitarian regimes and responses to the current humanitarian crisis Formation for Transformation Bruce Myers, 2022-01-13 In the past century the ecumenical movement has made extraordinary efforts in healing the wounds of division in the body of Christ the church However in their formal preparation for ministry many clergy learn little or nothing about the achievements methods or implications of ecumenism This failure to adequately educate and inspire successive generations of Christian leaders about the quest for the church's visible unity risks not only an irretrievable loss of ecumenical memory but also a return to a time in which ignorance fear mistrust suspicion stereotypes caricatures recrimination anathematization even persecution characterized the relations between divided churches Drawing on decades of reflection on ecumenical reception and formation and using the Anglican Church of Canada as a model this book presents an approach to teaching the practical and theological aspects of ecumenism in a way that is both holistic and pragmatic and offers the potential to raise up a new generation of church leaders who are also agents of reconciliation and Christian unity *An 'Open-Ended Distinctiveness'*

Clement Yung Wen,2020-11-16 Insofar as the twentieth century has often been referred to as the ecumenical century the twenty first seems poised to become known as the century of World Christianity Into this situation the present study seeks to show the ongoing relevance of Wolfhart Pannenberg s ecclesiological and ecumenical proposals and in doing so finds that his eschatologically oriented and historically rooted emphasis upon an open ended distinctiveness is exactly the kind of corrective that the emerging theological paradigm of World Christianity needs if it wants not only to stay contextually open ended but remain distinctively Christian in outlook and character as well Towards that end the book begins with the story of ecclesiology s definitional expansion from the time of the Reformation to now before tracing the biographical and ideational roots of Pannenberg s overall programme The study then proceeds by outlining the main contours of Pannenberg s ecclesiology and ecumenism especially as such pertain to World Christianity In this regard several facets of Pannenberg s thought are highlighted for consideration including his understanding of the church as sign of the kingdom his doctrine of participation in Christ his reassertion of the church s missionary task his underdeveloped personalist and social thought structures his ironically relevant Constantinianism his directly relevant yet abstract notion of creative love and his views concerning contextualization and the ecumenical potential of the Nicene Constantinopolitan Creed of 381 While much that is here developed serves as a healthy corrective for an emerging theological paradigm that is still maturing some surprising critical insights arise that also flow the other way

Pathways for Theology in Peacebuilding Sara Gehlin,2020-06-02

The ambivalent role of religions in contemporary conflicts has generated an increasing call for faith based peacebuilding endeavours In Pathways for Theology in Peacebuilding Ecumenical Approaches to Just Peace Sara Gehlin discusses the ways theology can provide essential resources for such peacebuilding pursuits The pathways for theology in peacebuilding are investigated with regard to a recent faith based peace endeavour namely the creation of an international ecumenical declaration on just peace In the book Gehlin explores the meaning of a just peace from the perspectives of theological ethics biblical interpretation spirituality and ecumenical vision On the basis of this exploration the book maps out theological resources for peace in our time

Witnessing Christ Michael Biehl,Traugott Hopp,Claudia Jahnle,Michael Kisskalt,Hanna Stahl,Klaus Vellguth,2020-09-16

How do Christological Perspectives differ and which specific ways of witnessing Christ exist depending on cultural geographical and confessional context in which they developed Theologians from Africa Asia the Americas the Middle East Oceania and Europe discuss these questions focussing on the missiological implications of various contextual Christologies They aim to answer the question if contextual and confessional provenience coins the epistemological preconditions in a way that creates shapes and secures peculiar identities

William Temple and Church Unity Edward Loane,2016-09-29

This book evaluates William Temple s theology and his pursuit of church unity It exposes a number of paradoxes and conflicts that have generally gone under appreciated in assessments of Temple William Temple was one of the most outstanding leaders of the early ecumenical movement In many ways his ecumenical efforts provided a

paradigm others have looked to and followed Through detailed analysis of primary sources this study sheds light on several behind the scenes conflicts Temple experienced as he worked toward church unity Edward Loane explores the foundation of Temple s work by analyzing the philosophy and theology that underpinned and fueled it The book also exposes the tensions between Temple s denominational allegiance and his ecumenical convictions a tension that in some ways undermined his work for reunion This book reveals issues that contemporary Christians need to grapple with as they seek to further church unity

Discipleship and Unity Cole Jodon,2022-06-01 Discipleship and Unity Bonhoeffer s Ecumenical Theology presents a fresh approach to church unity and discipleship from a familiar voice Building constructively from the thought of Dietrich Bonhoeffer Cole Jodon offers an account of ecumenism in which the church is understood to be united as the person of Christ a unity that is concrete today through active obedient discipleship To develop this theology Jodon draws from Bonhoeffer s ecumenical engagement which is deepened through the theology of Bonhoeffer s wider corpus Jodon illumines Bonhoeffer s dynamic understanding of the church its unity and the manner in which that unity is made concrete in the world At its heart this book serves to advance an ecumenical theology enlivened by the living and present Christ who calls his church to follow after him together

Hermeneutics of Doctrine in a Learning Church Gregory A. Ryan,2020-08-10 In Hermeneutics of Doctrine in a Learning Church Gregory A Ryan offers an account of the dynamic multi dimensional task of interpreting Christian tradition He integrates doctrinal hermeneutics the pastorality of doctrine exemplified by Pope Francis and a systematic appraisal of Receptive Ecumenism to provide an original perspective on this task The book focuses on three contemporary Catholic theologians Francis Sch ssler Fiorenza Ormond Rush and Paul D Murray highlighting how each recognises the dynamic interaction of multiple perspectives involved in authentic ecclesial interpretation Christian tradition whether passed on in teaching scripture practices or structures needs to be continually received and interpreted This book offers theologians ecumenists and church workers a fresh model for receptive ecclesial learning in which doctrinal hermeneutics and pastoral realities are dynamically integrated

The Living Pulpit Mary Alice Mulligan,2018-04-10 Fifty years of preaching excellence in one volume The Living Pulpit collects sermons from representative preachers in the Stone Campbell Movement pastors affiliated with the Churches of Christ the Christian Churches Churches of Christ and the Christian Church Disciples of Christ over the past 50 years The fourth volume in a series that began in 1868 this collection of sermons from 40 ministers reviewed by a diverse team of scholars captures the theological themes and changing approaches to preaching across the Movement s three streams Emerging from an era of mutual suspicion the three streams have developed a better understanding shared mutuality and respect for each stream s unique qualities and cooperated in many venues qualities reflected in this collection The Living Pulpit 2018 helps preachers and scholars recognize where preaching has been and why it has been there in each stream and where preaching appears to be going in a new mission field for Christianity and the Unity Movement General Editor Mary Alice Mulligan Contributing Editors Ronald Allen Dave Bland
