Can Religious Life Be Prophetic:

Can Religious Life Be Prophetic? Michael Crosby, 2005 This bold and visionary new book calls monks priests and nuns to rediscover their heritage as prophetic witnesses Challenging the watered down sense of prophecy in the present day he ignites us to return to the scriptures as the center of religious life Only prophetic life grounded in Jesus Christ can nourish and give direction to attempts at social change and reformation

Religious Life Loan Le, 2016-06-22 Following the Second Vatican Council when each Religious Institute was encouraged to research its charism some Institutes experienced a tension between their charism and their mission or even difficulty identifying what their charism was This book is a study of the theological understanding of charism and of mission in relation to Religious Life within the Catholic Church While this topic has featured in much Roman Catholic theological literature since Vatican II there appears to be a dearth of in depth studies This book addresses this apparent lacuna It draws particularly on the work of two major theologians Jean Marie Roger Tillard OP and Sandra Marie Schneiders IHM who have reflected at length on charism and mission in the period leading up to Vatican II and on the implementation of its documents with respect to Religious Life The very significant contributions of Tillard and Schneiders on the topic provide Religious as well as others who want to know and understand Religious Life with an interesting and motivating insight into charism and mission in Religious Life Within the Roman Catholic Church a Year of Consecrated Life has just drawn to a close and this book forms a background and a response to Pope Francis Apostolic Letter to all Consecrated People on the occasion of the Year of Consecrated Life November 2014 which invited Religious to reflect on these aspects that are essential to the life they have chosen to live

Becoming Apostolic Catherine Sexton, 2024-07-01 This book explores the experience and understanding of Roman Catholic sisters of their vocation to the apostolic form of religious life as they age Based on interviews with twelve religious women it draws on the practice of Lectio Divina to explore how these women describe their call to service and activity at a time in life when these might be curtailed by physical diminishment and increasingly reduced social interaction and influence As the very institutions of religious life are themselves under threat the book identifies new emerging forms of ministry through presence to each other and to their carers

Walāyah in the Fāṭimid Ismā'īlī Tradition Elizabeth R. Alexandrin, 2017-07-19 Explores the relationship between revelation and reason in medieval Islamic intellectual history In this original study Elizabeth R. Alexandrin examines the complex relationships that can be inscribed between medieval Ism l thought as an intellectual tradition with a devotional practice of reliance on the im m and as a politico esoteric system that redefined governance during the F imid caliphate in the eleventh century Alexandrin s work is a departure from recent Western scholarship that focuses on similarities among early Islamic traditions She argues instead that under the guidance of the F imid Ism l chief missionary al Mu ayyad f al D n al Sh r z d 1078 CE the concept of wal yah divine guidance became closely associated with religio political authority on the one hand and the perfection of the individual human being on the other By signaling and

affirming how the Fulfid caliph imams were the heirs of walayah and by proposing new definitions of the seal of God's friends
khatim al-awliya. All-hal Mu'ayyad broadened the contexts of making esoteric knowledge public and shifted the apocalyptic
frameworks of Islamic messianism

Religious and Priestly Ongoing Formation with Christ Yesterday, Today, and Tomorrow Fr Innocent Mabheka, 2013-07-31 Religious and Priestly Ongoing Formation with Christ Yesterday Today and Tomorrow is surely a powerful religious instrument which can be used to better oneself as a religious or a priest in our
today's fast changing society. It helps one as a religious to look back at the values which initially motivated him/her to be a
religious. One looks at these values and evaluates oneself to see how such values have helped him/her to develop as a human
person and a religious. In this way the book works as an ongoing formation resource which helps one as a religious to grow
spiritually and humanly. The book has also some practical case studies which may provoke some serious reflections within
oneself. These reflections help one to have an ongoing burning zeal to serve Christ as a religious. Reading this book is a virtue
of ongoing self-discovery in one's life as a religious or a priest

The Sufi and the Friar Minlib Dallh, 2017-07-19 This book explores the profound spiritual encounter between Serge de Beaucueil 1917-2005 a twentieth century French Dominican
friar and Christian mystic and the eleventh century Arab Sufi master Khwaja Abdull-h An-r of Herat 1006-1089. De
Beaucueil lived much of his Christian discipleship in Cairo and Afghanistan where he became the foremost expert on the
life and thought of An-r. His mystical conversation and scholarly engagement with An-r, his experience of Islamic hospitality
and the transformation of his own practical spirituality or praxis mystica through his experience of dwelling in the abode of
Islam provide us with not only a magnificent and luminous meditation on the hidden and abiding presence of God among
Muslims but also a contemplation on the quandary of genuine engagement with and openness to the religious other

Towards a Prophetic Spirituality of Religious Life John Sankarathil, 1999

Prophetic Obedience Hinze, Bradford E., 2016-03-08

Prophets in Their Own Country Sandra Marie Schneiders, 2011 These reflections based on a series published in The National Catholic
Reporter were inspired by the Vatican's announcement of an Apostolic Visitation of U.S. Women Religious from 2009-2011.
Given the unmistakable imputation of guilt, the launch of this investigation was troubling to many women religious.
Schneiders uses this occasion to articulate anew the meaning of Religious Life, the biblical theology underlying it, the reasons
for the renewal undertaken after Vatican II and the forms of apostolic Religious Life that have developed through this
renewal. While her introduction tells the story of the investigation and the response it has generated, the following essays

offer an eloquent and inspiring assessment and apologia for Religious Life today and in the future It is a book addressed to all members of the church calling us to live our faith in a spirit of integrity freedom and courage **Christological Paradigm**

Shifts in Prophetic Pentecostalism in South Africa Mookgo Solomon Kgatle, Marius Nel, Collium Banda, 2021-09-22 This book explores recent developments in South African Pentecostalism focusing on new prophetic churches The chapters engage with a number of paradigm shifts in Christology identified as complementing Christ competing with Christ removing Christ and replacing Christ What are the implications of these shifts Does it mean that believers no longer believe in Christ but in their leaders Does it shift believers faith towards materiality than the person of Christ This volume will be valuable for scholars of African Christianity and in particular those interested in the neo prophetic movement and Christology in a South African context **Prophetic Dialogue, Challenges and Prospects in India** L. Stanislaus, Alwyn D'Souza, 2003

Contributed articles presented at a seminar **The Prophetic Vision and the Real Jesus** Adrian M. Leske, 2017-10-06 Using the method of intertextuality Adrian Leske has traced the growth of the prophetic vision from Amos to the Exile demonstrating how after the Exile the dominant influence on that vision down to the time of Jesus is the positive and new message of Deutero Isaiah With opposition from the Zadokite priesthood and exploitation from foreign rulers the prophetic and Levite communities find refuge in Upper Galilee and surrounding areas Using the Gospel of Matthew the most Jewish of the Gospels Leske demonstrates how that vision impacted the teaching of Jesus to these communities and how he perceived his mission as the Servant Son of man Understanding this prophetic vision and the Jewish nature of Matthew's Gospel brings new insights to Matthean Christology as well as the authorship and date of that Gospel in relation to the other Gospels

Handbook of African Catholicism Ilo, Stan Chu, 2022-07-13 A disciplinary map for understanding African Catholicism today by engaging some of the most pressing and pertinent issues topics and conversations in diverse fields of studies in African Catholicism *Prophetic Witness and the Reimagining of the World* Mark S. Burrows, Hilary Davies, Josephine von Zitzewitz, 2020-09-28 This book explores the prophetic characteristics of literature particularly poetry that seek to reimagine the world in which it is written Using theological and philosophical insights it charts the relentless impulse of literature to propose alternative visions practicable or utopian and point toward possibilities of renewal and change Drawing from each of the three main Abrahamic religions as well as Greek and Latin classics an international group of scholars utilise a diverse range of analytical and interpretive methods to draw out the prophetic voice in poetry Looking at the writings of figures like T S Elliot Blake Wittgenstein and Isaiah the theme of the prophetic is shown to be of timely importance given the current state of geo political challenges and uncertainties and offers a much needed critical discussion of these broad cultural questions This collection of essays offers readers an insight into the constructive power of literature As such it will be of great interest to scholars working in Religion and the Arts Religious Studies Theology and Aesthetics **Dynamics of World History** Christopher Dawson, 2014-05-20 In scope and in vision Christopher Dawson's historiography ranks with the

work of men like Spengler Northrop and Toynbee Several major themes run through Dawson s work but perhaps his most unique contribution was his insistence on the importance of religion in shaping and sustaining civilizations Religion Dawson believed is the great creative force in any culture and the loss of a society s historic religion therefore portends a process of social dissolution For this reason Dawson concluded that Western society must find a way to revitalize its spiritual life if it is to avoid irreversible decay Progress the real religion of modernity is insufficient to sustain cultural health And an ahistorical secularized Christianity is an oxymoron a pseudo religion only nominally related to the historic religion of the West Dawson maintained that the hope of the present age lay in the reconciliation of the religious tradition of Christianity with the intellectual tradition of humanism and the new knowledge about man and nature provided by modern science Dynamics of World History shows that though such a task may be difficult it is not impossible More than a Monologue: Sexual Diversity and the Catholic Church J. Patrick Hornbeck II, Michael A. Noriko, 2014-03-03 This volume like its companion Voices of Our Times collects essays drawn from a series of public conferences held in autumn 2011 entitled More than a Monologue The series was the fruit of collaboration among four institutions of higher learning two Catholic universities and two nondenominational divinity schools The conferences aimed to raise awareness of and advance informed compassionate and dialogical conversation about issues of sexual diversity within the Catholic community as well as in the broader civic worlds that the Catholic Church and Catholic people inhabit They generated fresh rich sets of scholarly and reflective contributions that promise to take forward the delicate work of theological ethical and ecclesial development Along with Voices of Our Times this volume captures insights from the conferences and aims to foster what the Jesuit Superior General Fr Adolfo Nicolas has called the depth of thought and imagination needed to engage effectively with complex realities especially in areas marked by brokenness pain and the need for healing The volumes will serve as vital resources for understanding and addressing better the too often fraught relations between LGBTQ lesbian gay bisexual transgender and queer persons their loved ones and allies and the Catholic community Inquiry Thought and Expression explores dimensions of ministry ethics theology and law related to a range of LGBTQ concerns including Catholic teaching its reception among the faithful and the Roman Catholic Church s significant role in world societies Within the volume a series of essays on ministry explores various perspectives not frequently heard within the church Marriage equality and the treatment of LGBTQ individuals by and within the Roman Catholic Church are considered from the vantage points of law ethics and theology Themes of language and discourse are explored in analyses of the place of sexual diversity in church history thought and authority The two volumes of More than a Monologue like the conferences from which they developed actively move beyond the monologic voice of the institutional church on the subject of LGBTQ issues inviting and promoting open conversations about sexual diversity and the church Those who read Inquiry Thought and Expression will encounter not just an excellent resource for research and teaching in the area of moral theology but also an opportunity to actively listen to and engage in groundbreaking discussions

about faith and sexuality within and outside the Catholic Church Christian Prophecy Niels Christian Hvidt, 2007-04-19 Throughout the Hebrew Bible God guides and saves his people through the words of his prophets When the prophets are silenced the people easily lose their way What happened after the incarnation death and resurrection of Christ Did God fall silent The dominant position in Christian theology is that prophecy did indeed cease at some point in the past if not with the Old Testament prophets then with John the Baptist with Jesus with the last apostle or with the closure of the canon of the New Testament Nevertheless throughout the history of Christianity there have always been acclaimed saints and mystics most of them women who displayed prophetic traits In recent years the charismatic revival in both Protestant and Catholic circles has once again raised the question of the place and function of prophecy in Christianity Scholarly theological attitudes toward Christian prophecy range from modest recognition to contempt Mainstream systematic theology both Protestant and Catholic has mostly marginalized or ignored the gift of prophecy In this book however Niels Christian Hvidt argues that prophecy has persisted in Christianity as an inherent and continuous feature in the life of the church Prophecy never died he argues but rather proved its dynamism by mutating to meet new historical conditions He presents a comprehensive history of prophecy from ancient Israel to the present and closely examines the development of the theological discourse that surrounds it Throughout though there is always an awareness of the critical discernment required when evaluating the charism of prophecy The debate about prophecy Hvidt shows leads to some profound insights about the very nature of Christianity and the church For example some have argued that Christianity is a perfect state and that all that is required for salvation is acceptance of its doctrines Others have emphasized how God continues to intervene and guide his people onto the right path as the full implementation of God's salvation in Christ is still far away This is the position that Hvidt forcefully and persuasively defends and develops in this ambitious and important work **The Presence of the Prophet in Early Modern and Contemporary Islam** Denis Gril, Stefan Reichmuth, Dilek Sarmis, 2021-11-15 The three volume series titled The Presence of the Prophet in Early Modern and Contemporary Islam is the first attempt to explore the dynamics of the representation of the Prophet Muhammad in the course of Muslim history until the present This first collective volume outlines his figure in the early Islamic tradition and its later transformations until recent times that were shaped by Prophet centered piety and politics A variety of case studies offers a unique overview of the interplay of Sunn and Sh doctrines with literature and arts in the formation of his image They trace the integrative and conflictual qualities of a Prophetic culture in which the Prophet of Islam continues his presence among the Muslim believers Contributors Hiba Abid Nelly Amri Caterina Bori Francesco Chiabotti Rachida Chih Adrien de Jarmy Daniel De Smet Mohamed Thami El Harrak Brigitte Foulon Denis Gril Christiane Gruber Tobias Heinzelmann David Jordan Pierre Lory Catherine Mayeur Jaouen Samuela Pagani Alexandre Papas Michele Petrone Stefan Reichmuth Meryem Sebti Dilek Sarmis Matthieu Terrier Jean Jacques Thibon Marc Toutant Ruggiero Vimercati Sanseverino **50 Years On** David Schultenover, 2015-05-15 Pope John XXIII prayed that the Second

Vatican Council would prove to be a new Pentecost The articles gathered here appeared originally in a series solicited by and published in Theological Studies September 2012 to March 2014 The purpose of the series was and remains threefold To commemorate the 50th anniversary of the Second Vatican Council To help readers more fully appreciate its significance not only for the Catholic Church itself but also for the entire world whom the Church encounters in proclamation and reception of ongoing revelation In their present form to help readers worldwide engage both the conciliar documents themselves and scholarly reflections on them all with a view to appropriating the reform envisioned by Pope John XXIII Contributors Stephen B Bevens SVD Mary C Boys SNJM Maryanne Confoy RSC Massimo Faggioli Anne Hunt Natalia Imperatori Lee Edward Kessler Gerald O Collins SJ John W O Malley SJ Agbonkhianmeghe E Orobator SJ Ladislav Orsy SJ Peter C Phan Gilles Routhier Ormond Rush Stephen Schloesser SJ Francis A Sullivan SJ O Ernesto Valiente Jared Wicks SJ
