## **Eccentric Nation Irish Performance In Nineteenth Century New York City:**

Eccentric Nation Stephen Albert Rohs,2009 The book takes as its point of departure the notion that a nation's music and performance culture was in the nineteenth century conceived of as the voice of its people From ballads to parades to plays to orations these cultural forms carried the burden of staging an identity for the national community and for the onlooking eyes of outsiders

Irish Stereotypes in Vaudeville, 1865-1905 Jennifer Mooney,2015-09-16 Vaudeville is often viewed as the source of some of the crude stereotypes that positioned the Irish immigrant in America as the antithesis of native born American citizens Using primary archival material Mooney argues that the vaudeville stage was an important venue in which an Irish American identity was constructed negotiated and refined

**Irish on the Move** Michelle Granshaw,2019-12-01 A little over a century ago the Irish in America were the targets of intense xenophobic anxiety Much of that anxiety centered on their mobility whether that was traveling across the ocean to the U S searching for employment in urban centers mixing with other ethnic groups or forming communities of their own Granshaw argues that American variety theatre a precursor to vaudeville was a crucial battleground for these anxieties as it appealed to both the fears and the fantasies that accompanied the rapid economic and social changes of the Gilded Age

**Patrick Henry Jones** Mark H. Dunkelman,2015-05-18 Patrick Henry Jones's obituary vowed that his memory shall not fade among men Yet in little more than a century history has largely forgotten Jones's considerable accomplishments in the Civil War and the Gilded Age that followed In this masterful biography Mark H Dunkelman resurrects Jones's story and restores him to his rightful standing as an exceptional military officer and influential politician of nineteenth century America Patrick Henry Jones 1830 1900 a poor Irish immigrant began his career in journalism before gaining admittance to the New York bar When the Civil War erupted in 1861 Jones volunteered for service in the Union Army He rose steadily through the ranks of the 37th New York became general of the 154th New York and eventually attained the rank of brigadier general Jones was one of only twelve native Irishmen ever to attain that rank in the federal forces When the war ended Jones's reputation as a military hero gave him an entry into politics under the mentorship of editor Horace Greeley and politician Reuben E Fenton He served in both elective and appointed offices in the state of New York navigating the corruptions scandals and political upheavals of the Golden Age Ultimately his entanglement with one of the most sensational crimes of his era a high profile grave robbing from the cemetery of St Mark's Church tainted his name and ruined his once respectable career In the first full length biographical account of this important figure Patrick Henry Jones tells the quintessentially American story of an immigrant who overcame both his humble origins and the rampant xenophobia of mid nineteenth century America to achieve a level of prominence equaled by few of his peers

Film's First Family Terry Chester Shulman,2019-11-12 A fascinating and beautifully written portrait of a tempestuous family that played a pivotal role in the development of American film Vanda Krefft author of *The Man Who Made the Movies* Adultery secret marriages divorce custody battles suicide attempts alcoholism the trials and tribulations of the Costellos

were as riveting as any Hollywood feature film Written with unprecedented access to the family's personal documents and artifacts and interviews with several family members this riveting study explores the dramatic history of the Costellos and their significance to the stage and screen This eccentric tragic yet talented clan was one of the twentieth century's most accomplished families of actors second only to the Barrymores with whom they intermarried and begat a film dynasty riddled with jealousy resentment and heartbreak Inevitably the Costellos' brilliant achievements would be eclipsed by their own immutable penchant for self destruction Patriarch Maurice Dimples Costello was considered the first screen idol until his career marked by accusations of spousal abuse drunkenness and physical assault abruptly ended His daughter Dolores married John Barrymore arguably the most famous man in Hollywood at the time and their son would carry on the Barrymore name to successive generations of actors Costello's other daughter Helene was the first actress to star in an all talking picture *The Lights of New York* However her career was wracked by scandal in 1932 during her very public divorce from actor director Lowell Sherman who testified that his wife was a drunk and an avid reader of pornography The original members of this pioneering family may be gone but the name and legacy of the Costellos will live on through their accomplishments films and descendants most notably actress Drew Barrymore and through this sweeping biography with enough juicy material to have filled several volumes Leonard Maltin

**Exhibiting Irishness** Shahmima Akhtar, 2024-07-23

*Exhibiting Irishness* analyses how exhibitions enabled Irish individuals and groups to work out privately and publicly their politicised existences across two centuries As a cultural history of Irish identity the book considers exhibitions as a formative platform for imagining a host of Irish pasts presents and futures Fair organisers responded to the contexts of famine and poverty migration and diasporic settlement independence movements and partition as well as post colonial nation building My research demonstrates how Irish businesses and labourers the elite organisers of the fairs and successive Irish governments curated Irishness The central malleability of Irish identity on display emerged in tandem with the unfolding of Ireland's political transformation from a colony of the British Empire a migrant community in the United States to a divided Ireland in the form of the Republic and Northern Ireland
