Kells, 2017-01-24 Ecclesiastes is one of the least studied and understood books of the Bible That is unfortunate because it is rich with wisdom At first it can seem to be a series of unrelated or even contradictory statements but in fact it is logical and sequential It is packed with practical advice for

making sense of life It is intended to teach us wisdom and who would not want to be wise As I read studied and prayed I came to love the subject The things I discovered in Ecclesiastes were so true and dare I say beautiful and relevant that I felt compelled to share them with my children and grandchildren The book of Ecclesiastes is about as close as the Bible will come to answering many of the questions of life here on earth Notice I said Ecclesiastes is as close as it comes Many of our questions will not be answered while we remain in the flesh This book deals with the writers frustration with life He asks and answers many questions about life wisdom pleasure toil folly and many other subjects *Exploring Ecclesiastes* John Phillips, Jim Hastings, 2019-11-26 Sound practical exposition of Ecclesiastes The John Phillips Commentary Series is designed to provide pastors Sunday school teachers and students of the Scripture with doctrinally sound interpretation that emphasizes hands on application of Bible truth Working from the familiar King James Version Dr Phillips not only provides helpful observation on the text but also includes detailed outlines and numerous illustrations and quotations Anyone wanting to explore the meaning of God s Word in greater depth for personal spiritual growth or as a resource for preaching and teaching will welcome the guidance and insights of this respected series Dr Phillips wrote most of this volume before his death and the manuscript was later completed for publication Ecclesiastes John Goldingay, 2021-11-01 Ecclesiastes is the most surprising book in the Scriptures It challenges its readers to reconsider what they think life is about and how far it is possible to understand God s involvement in the world This commentary seeks to help people enter the world of Ecclesiastes and see how it can increase their understanding of God and of themselves **A Life Well Lived** Tommy Nelson, 2010-10-01 In the desire and quest to make sense of the world and our existence three great sirens have lured men and women into a lull with the empty promise to make their lives meaningful The great king of Israel Solomon though the wisest man was not immune to their song But at the end of his life Solomon in all of his God given wisdom stopped to contemplate on all that competed for his attention He wrote his conclusions in the Book of Ecclesiastes Tommy Nelson continues his study of Solomon s writings by taking an in depth look at Ecclesiastes In a world such as ours where the search for meaning and purpose propels mankind to try everything under the sun Solomon s conclusions ring louder than ever for a people who need answers more than ever A Time to Tear Down and a Time to Build Up Michael V. Fox, 2010-04-01 Pervaded as it is with pessimism paradox and a multitude of contradictions Ecclesiastes has long been one of the most difficult books of the Bible to understand As this study demonstrates however it is precisely these contradictions that make Ecclesiastes so meaningful and so powerfully relevant to life in the world By looking carefully at the language and thought of Ecclesiastes as well as at its uses of contradictions in probing the meaning of life Fox confronts the problems that have confounded interpretation of this biblical book He shows that by using contradiction to tear down holistic claims of meaning and purpose in the world and rebuilding meaning in a local restricted sense instead the author of Ecclesiastes shapes a bold honest and ultimately uplifting vision of life Based on solid scholarly insight yet readable by all Fox s work provides some of the best commentary available

on this challenging section of Scripture Ecclesiastes J. A. Loader,1986 **Dictionary of the Old Testament: Wisdom, Poetry & Writings** Tremper Longman III,Peter Enns,2008-06-06 Tremper Longman III and Peter E Enns edit this collection of 148 articles by over 90 contributors on Job Psalms Proverbs Ecclesiastes Song of Songs Lamentations Ruth and Esther

The Book of Ecclesiastes Tremper Longman,1997-11-07 Ecclesiastes is one of the most fascinating and hauntingly familiar books of the Old Testament The sentiments of the main speaker of the book a person given the name Qohelet sound incredibly modern Expressing the uncertainty and anxieties of our own age he is driven by the question Where can we find meaning in the world But while Qohelet s question resonates with readers today his answer is shocking Meaningless says Qohelet everything is meaningless How does this pessimistic perspective fit into the rest of biblical revelation In this commentary Tremper Longman III addresses this question by taking a canonical Christocentric approach to the meaning of Ecclesiastes Longman first provides an extensive introduction to Ecclesiastes exploring such background matters as authorship language genre structure literary style and the book s theological message He argues that the author of Ecclesiastes is not Solomon as has been traditionally thought but a writer who adopts a Solomonic persona In the verse by verse commentary that follows Longman helps clarify the confusing sometimes contradictory message of Ecclesiastes by showing that the book should be divided into three sections a prologue 1 1 11 Qohelet s autobiographical speech 1 12 12 7 and an epilogue 12 8 14 and that the frame narrative provided by prologue and epilogue is the key to understanding the message of the book as a whole **Proverbs, Ecclesiastes, Song of Solomon** J. Robert Wright,Thomas C.

Oden,2014-02-19 Proverbs Ecclesiastes and the Song of Solomon were all thought by the early church fathers to have derived from the hand of Solomon To their minds the finest wisdom about the deeper issues of life was to be found in these books This ACCS volume offers a rich trove of wisdom on Wisdom literature for the enrichment of the church today
