*Give and Grow Rich* Omer Redden,2020-12-15 Most of us want to be rich we just aren't sure how to get there Do we fake it till we make it Do we work smarter not harder Do we quit our day job and pursue our dream What if the answer to becoming rich doesn't lie in the answers to any of these questions but instead lies in our ability to change our mindset and imitate the greats This book will show you just that how to become rich by changing your mindset and by imitating men who are already rich Give and Grow Rich has been designed so that you get maximum benefit in the least amount of time Who has time to read more than 100 pages these days Who would want to If you want quick solutions no fluff and no silly get rich quick techniques then this book is for you It's like Napoleon Hill's Think and Grow Rich but condensed and more tangible The same wisdom distilled in a third of the time and pages The wisdom doesn't come from me alone for I started out a poor man just like you To write this book I interviewed 7 guys from 7 different income brackets ranging from 20 000 per year to 1million per year I asked each of them the same 15 questions and as I listened to their answers I saw the trends between the poor the middle and the rich Then I read the biographies of 7 billionaires from 7 different sectors Man did I learn a lot So I wanted to share the lessons I learned with you Here's what you can expect You will learn how the poor middle and rich think about money You will learn how they spend save invest and give You will learn how your beliefs about money drive your actions You will learn how two billionaires rose to the top then gave it all away and tried to die penniless If you're a parent you will learn how you can teach your kids about money I benefited greatly from writing Give and Grow Rich so I know you will benefit greatly from reading it In fact from the time I started writing the book to the time I finished my income doubled I started thinking like a rich man imitating rich men and it is already benefiting me The same is true for my friends who have implemented these lessons One of them started out poor the son of missionaries and he is making nearly 200 000 per year Another started out poor the son of a single mom and he is making 75 000 per year and has started two businesses So if you want a jam packed practical no fluff guide to becoming rich read this book Don't be the person who keeps repeating the past who keeps spinning out in a financial rut Don't think that the rich will always get richer and the poor will always get poorer I am living proof that you can change your mind and change your income You can imitate the greats and become great My friends have done the same and you can too Be the person who becomes a success story and inspires your community Be the person who gets out of the financial woes and wills yourself to riches Change your mind and change your money GIVE AND GROW RICH Think And Grow Rich: Change Your Mind, Change Your Life Napoleon Hill,2023-12-13 IN EVERY chapter of

this book mention has been made of the money making secret which has made fortunes for more than five hundred exceedingly wealthy men whom I have carefully analyzed over a long period of years The secret was brought to my attention by Andrew Carnegie more than a quarter of a century ago The canny lovable old Scotsman carelessly tossed it into my mind when I was but a boy Then he sat back in his chair with a merry twinkle in his eyes and watched carefully to see if I had brains enough to understand the full significance of what he had said to me When he saw that I had grasped the idea he asked if I would be willing to spend twenty years or more preparing myself to take it to the world to men and women who without the secret might go through life as failures I said I would and with Mr Carnegie s cooperation I have kept my promise This book contains the secret after having been put to a practical test by thousands of people in almost every walk of life It was Mr Carnegie s idea that the magic formula which gave him a stupendous fortune ought to be placed within reach of people who do not have time to investigate how men make money and it was his hope that I might test and demonstrate the soundness of the formula through the experience of men and women in every calling This single application of the secret by that young man Charles M Schwab made him a huge fortune in both money and OPPORTUNITY Roughly speaking this particular application of the formula was worth six hundred million dollars These facts and they are facts well known to almost everyone who knew Mr Carnegie give you a fair idea of what the reading of this book may bring to you provided you KNOW WHAT IT IS THAT YOU WANT Even before it had undergone twenty years of practical testing the secret was passed on to more than one hundred thousand men and women who have used it for their personal benefit as Mr Carnegie planned that they should Some have made fortunes with it Others have used it successfully in creating harmony in their homes A clergyman used it so effectively that it brought him an income of upwards of 75 000 00 a year Arthur Nash a Cincinnati tailor used his near bankrupt business as a guinea pig on which to test the formula The business came to life and made a fortune for its owners It is still thriving although Mr Nash has gone The experiment was so unique that newspapers and magazines gave it more than a million dollars worth of laudatory publicity The secret was passed on to Stuart Austin Wier of Dallas Texas He was ready for it so ready that he gave up his profession and studied law Did he succeed That story is told too I gave the secret to Jennings Randolph the day he graduated from College and he has used it so successfully that he is now serving his third term as a Member of Congress with an excellent opportunity to keep on using it until it carries him to the White House

Brown, 2020-04-07

Live your life to the fullest. In *Dancing through Life*, Allen Brown offers his unique perspective. All life starts with the question: Wouldn't it be great if... Allen believes that a true authentic life begins with this simple question because it signals an awakening to the possibility of more. We can be more than we think we are, and we can do more than we think we're capable of doing. And the sense of wonder and possibility contained in "Wouldn't it be great if..." isn't just for the young. It's for everyone. This book will inspire you to start living the lives you've always wanted to live. The author offers his advice on such topics as trusting your intuition, broadening your horizons, and getting out of your comfort zone, understanding the power of your own thoughts, adopting a growth mindset, setting and achieving goals. An entrepreneur and self-made millionaire, Allen became an amateur ballroom dancing champion in his mid-eighties. Through the insight he provides in *Dancing through Life*, you will be reminded that if the music is playing, you should be dancing. We only have one life, and we should live it with gusto.
