Honoring God with Body and Mind Steven D. Hoogerwerf, 2019-11-13 Have you ever wondered how it would look to live out a Christian sexual ethic amid the varied and confusing sexual messages that are part of modern culture Does the Christian tradition provide us with a way to think about and act on our natural God-given sexual desires *Honoring God with Body and Mind* invites readers to consider these questions and some ways of answering them by guiding them into a conversational style of moral reflection

Unlike many books about Christians and sex this one doesn't simply tell you what to do or not to do. Instead you will be led to think about how the meaning of sex can provide sexual boundaries but also how the relational dimension of sex and the virtue of sexual integrity can provide a context for sexual decision making. Informed by many years of conversations with college students the author also invites you to think about practical questions such as these: Can men and women be friends without the complications of sexual attraction? If I haven't always included Christian values in my sexual practices and carry some painful memories and regrets is there any hope of healing? What is lust? Is masturbation sinful? Can virginity be reclaimed?

Christian Care Giving: God's Healing Power Priscilla Jaouni, 2021-06-28 Grief and pain is the root source of all that hurts us in life the ill that is our frailty as mortal beings This is disease and sickness in our lives spiritual social physical emotional Christ in us is the root of all that is good in us all that is God given and that enables us to live and grow through life in a healthy way to a healthy end The good that is our soul that we can nurture to maintain God's energizing power within ourselves to create the balance to be healthy God gave us his Son so we could learn this through His life and death In Christ we have the means for health and wellness throughout the seasons of our lives that transcends all understanding The Bible gives it all to us the Creation our corruption the rules and regulations for a healthy balanced life what happens to us when we are good what happens when we are bad The Old Testament tells us of God's character and expectations of us His requirements His disappointments His punishments His presence His Being in our lives His hopes He also gives us the how to do it Still in our human frailty we fail to find or fall short all the time of arriving at His Promised Land In large part because our earthly self denies ourselves the power God has given us to operate live and ultimately die according to His dictum because we cannot place faith in the intangible So God in His love and compassion for us and to remain our strict but kind Father in Heaven sent us His Son to show us how to be human in the sight of God In Christ He gave us the gift of how to achieve the health and wellness that God intends us to enjoy
