## **Glass Valancourt 20th Century Classics:**

**Sea of Glass** Dennis Parry, 2015-12-08 Old Mrs Ellison doesn't have much longer to live and her scheming son Cedric is counting the days until he inherits her fortune. But his plans are upset by the arrival of his niece Varvara, a beautiful and wild young woman from a remote Chinese region known as the Sea of Glass, a strange land where wars are fought with crossbows and highly damaging curses and where death may come at any moment in the form of a venomous barking spider. With the aid of a love-struck law student and a bibulous butler, Varvara aims to thwart the wiles of her evil uncle, but events take an unexpected and fatal turn in this unusual story which is by turns hilarious and macabre. An exquisite blend of comedy, murder, mystery, and surreal fantasy, Dennis Parry's masterpiece *Sea of Glass* (1955) was published to near universal acclaim and has counted Edward Gorey among its admirers, but sank into an undeserved obscurity following Parry's untimely death a month after publication. This edition features a new introduction by Simon Stern. Parry's novel of possession from beyond the grave *The Survivor* (1940) is also available from Valancourt. Amazingly original and brilliant. *Illustrated London News*. How well Mr Parry writes. *New Statesman*. Preposterous, often wonderfully funny. *The Guardian*.     [The Smallpox Report](#) Fuson Wang, 2023-03-30 After the COVID-19 pandemic, vaccination has become synonymous with an opaque biopower that legislates compulsory immunization at a distance. Contemporary illness narratives have become outlets for distrust, misinformation, reckless denialism, and selfish noncompliance. In *The Smallpox Report*, Fuson Wang rewinds this contemporary impasse between physician and patient back to the Romantic era origins of vaccination. The book offers a literary historical account of smallpox vaccination, contending that the disease's eventual eradication in 1980 was as much a triumph of the literary imagination as it was an achievement of medical Enlightenment science. Wang traces our modern pandemic era crisis of vaccine hesitancy back to Edward Jenner's publication of his treatise on vaccination in 1798, the first rumblings of an anti-vaccination movement, and vaccination's formative literary history that included authors such as William Wordsworth, William Blake, John Keats, Mary Shelley, and Arthur Conan Doyle. The book concludes with a re-examination of the current, deeply contentious public discourse about vaccines that has arisen in the wake of the COVID-19 pandemic. By recovering the surprisingly literary genres of Romantic era medical writing, *The Smallpox Report* models a new literary historical perspective on our own crises of vaccine refusal.     **American Book Publishing Record**, 2007     **Sea of Glass** Dennis Parry, 1955     [Nightshade and Damnations](#) Gerald Kersh, 2013 No mortal can write this well. Harlan Ellison. Kersh has a strange, perverted sense of genius. And how he can write. Virginia Kirkus. Gerald Kersh had a wild imagination matched by a vivid, near-hallucinatory style. Many of his concepts are so original that they blur the distinction between fantasy, science fiction, mystery, and horror, but the cumulative impact of his short stories is horrific in the extreme. *Penguin Encyclopedia of Horror and the Supernatural*. An expedition in South America uncovers a terrifying race of men without bones who literally suck the life out of their prey. A man in 20th-century London makes a horrifying discovery about a monster found off the coast.

of Brighton in 1745 A sea captain goes ashore on a deserted island and finds what seem to be the bones of a previously unknown species of monster only to learn that the bones tell a much more tragic tale than he could ever have imagined A war correspondent none other than Kersh himself is sailing to America when he meets a strange man who claims to be 438 years old These are the plots of just a few of the weird tales you will find in this book Gerald Kersh 1911 1968 was a brilliant and inventive writer acclaimed in his time for his gritty novels of London life and his often bizarre short fiction but he has unfortunately become neglected since his death This volume includes an introduction by award winning science fiction author Harlan Ellison who also selected the eleven stories that appear in this collection and which represent the very best of Kersh s short fiction Includes The Queen of Pig Island Frozen Beauty The Brighton Monster Men Without Bones Busto Is a Ghost Too Mean to Give Us a Fright The Ape and the Mystery The King Who Collected Clocks Bone for Debunkers A Lucky Day for the Boar Voices in the Dust of Annan Whatever Happened to Corporal Cuckoo The Smaller Sky John Wain,2013 A classic Susan Hill author of The Woman in Black and I m King of the Castle John Wain s best novel in a long time an interesting story stunning The Observer John Wain s contribution to the gathering army of lone upset figures is a notable one William Trevor Books and Bookmen Harrowing but deeply compassionate marks a new and impressive development in Mr Wain s writing British Book News This searching novel throws a critical spotlight on the life that the modern world compels us to lead Encounter Arthur Geary a 45 year old research scientist quits his job and leaves his wife and children taking up residence in a hotel near Paddington Station where he passes all his time sitting on the platforms watching the people and trains come and go Overwhelmed by the stresses of modern life including his difficult job and failing marriage Geary finds the limitless sky of London unbearable and seeks refuge beneath the smaller sky of the glass roofed station But when friends and family become concerned with his unusual behaviour and he begins to be hounded by psychiatrists and television reporters Geary s search for peace and freedom becomes increasingly desperate One of the great English men of letters of the 20th century John Wain 1925 1994 won almost every major British literary award during a career that spanned five decades and his works are now being rediscovered The Smaller Sky 1967 a classic novel of alienation and despair is one of Wain s most enduring achievements and returns to print for the first time in more than 35 years This edition includes a new introduction by Alice Ferrebe **Odd Man Out** Frederick Lawrence Green,1947 *The Late Breakfasters and Other Stories* Robert Aickman,Philip Challinor,2016-10-04 An omnibus collection featuring some of the finest works of a master of weird fiction One of the preeminent writers of weird fiction Robert Aickman is celebrated for his unsettling and often ambiguous strange stories but he once wrote that those if any who wish to know more about me should plunge beneath the frivolous surface of The Late Breakfasters his only novel originally published in 1964 In The Late Breakfasters young Griselda de Reptonville is invited by Mrs Hatch to a house party at her country estate Beams which incidentally is haunted There amidst an array of eccentric characters and bizarre happenings she will meet the love of her life Louise But when their short
