

The background of the cover features a woman with long, dark, wavy hair and light-colored eyes, looking slightly to the right. She is wearing a dark jacket. The background is a dark, moody forest scene with bare tree branches and a warm, golden light filtering through the trees, creating a misty or ethereal atmosphere.

Glaston Gifted Volume 1:

The Island of Avalon: Volume 1 Francis Lot, 2015-06-12 La matiere de Bretagne is a name given collectively to the body of medieval literature and legendary material associated with Great Britain especially King Arthur and his knights and their association to the Grail It is the link between the Grail stories and the legends of both King Arthur and Joseph of Arimathea and their connection to Glastonbury the Island of Avalon which is central to this investigation The legend of King Arthur at Glastonbury is primarily derived from Geoffrey of Monmouth's mention of King Arthur's arrival at the Island of Avalon after his fatal fight with Mordred It is the later bogus disinterment of King Arthur's manufactured grave at Glastonbury which establishes Glastonbury's synonymy with Avalon This volume sets out to show how the abbot of Glastonbury Henry Blois used Geoffrey of Monmouth as a nom de plume and concocted the epic tale from Brutus to Arthur which is now known as the History of the Kings of Britain and was responsible for composing the Prophecies of Merlin **The Life of William Ewart Gladstone (Vol. 1-3)** John Morley, 2023-11-13 In The Life of William Ewart Gladstone John Morley offers a meticulous and biographical exploration of one of Britain's most towering figures combining rich narrative with scholarly precision across three volumes Morley employs a comprehensive literary style that intertwines political analysis with personal reflection presenting Gladstone not just as a statesman but as a complex individual shaped by the tumultuous landscapes of 19th century Britain This work stands out in the genre of political biography reflecting the Victorian era's emphasis on character and moral integrity while also engaging with broader socio-political themes crucial for understanding Gladstone's enduring legacy Morley himself a prominent political thinker and writer possessed a unique vantage point to examine Gladstone As a member of the Liberal Party and a close associate of contemporaneous political movements Morley was influenced by Gladstone's reformist ideals and moral philosophy His first hand experiences as a politician and journalist lend authenticity and insight enhancing the narrative's depth and context making it both a scholarly endeavor and a personal homage This monumental work is highly recommended for readers interested in political history biography and the intricate intersections of ethics and politics Morley's insightful portrayal invites a deeper understanding of Gladstone's contributions and challenges making it essential for both scholars and enthusiasts of Victorian political thought *The Works of D'Israeli the Younger, in One Volume* Benjamin Disraeli, 1845 **Beacon Lights of History (All 14 Volumes)** John Lord, 2023-11-19 John Lord's Beacon Lights of History is a monumental fourteen volume series that presents a sweeping panorama of influential historical figures and pivotal events throughout the ages Lord employs a narrative style that combines sweeping generalizations with insightful character sketches allowing readers to not only grasp the historical significance of each subject but also to engage with their personal motivations and cultural contexts This work marked by its didactic purpose and rich prose is situated within the 19th century tradition that sought to provide moral and philosophical lessons from history examining how great individuals and key moments shape the human experience A learned historian and prolific writer John Lord was deeply

influenced by the intellectual currents of his time particularly the rise of rationalism and the belief in progress His extensive travels and engagement with various cultures enriched his perspectives urging him to investigate how individuals from ancient philosophers to political leaders had impacted their eras Lord s commitment to synthesizing complex historical narratives into accessible forms reflects his belief in history as a teacher a thematic cornerstone of his writing Beacon Lights of History is a must read for those interested in understanding the interconnectedness of historical progress and the enduring impact of extraordinary individuals Whether you are a student a history enthusiast or an academic Lord s eloquent exploration will not only enlighten your understanding of history but also inspire deeper reflection on the lessons it offers for contemporary society **McMaster Journal of Theology and Ministry: Volume 23, 2021-2022** John J. volume provides an examination of the kind of free or nearly free libraries which were available to the general public in England and Wales in the late nineteenth century but which were not supported by local taxation They were effectually substitutes for municipal public libraries in areas where that sort of library provision did not exist And they were voluntary because they did not enjoy funding from local councils but from wealthy philanthropists or from raising money themselves from well wishers Many of those libraries were located in cities and towns there were many in London but village libraries are included Volume 2 covers Scotland and Ireland as well as the often ignored subject of workplace libraries **The Gladstone Diaries: 1833-1839** William Ewart Gladstone,1968 **Henry James at Work** Theodora Bosanquet,2006-11-27

Canada before Television Len Kuffert,2016-11-01 Before screens could be stared at listeners lent their ears to radio and Canadian listeners were as avid as any In Canada before Television Len Kuffert takes us back to the earliest days of broadcasting paying particular attention to how programs were imagined and made loved and hated regulated and tolerated At a time when democracy stood out as a foundational value in the West Canada s private stations and the CBC often had conflicting ideas about what should or could be broadcast While historians have documented the nationalist and culturally aspirational motives of some broadcasters the story behind the production of programs for both broad and specialized audiences has not been as effectively told By interweaving archival evidence with insights drawn from secondary literature Canada before Television offers perspectives on radio s intimate power the promise and challenge of US programming and British influences the regulation of taste on the air shifting and varied musical appetites and the difficulties of knowing what listeners wanted While this mixed system divided Canadians then and now the presence of more than one vision for the emerging medium made the early years of broadcasting in Canada more culturally democratic for listeners who stood a better chance of getting both what they already liked and what they might come to like Canada before Television offers an insightful look at the place of radio and debates about programming in the development of a cultural democracy

Religious Orders Vol 1 David Knowles,1948 This is the first of a series of volumes which have become recognised as one of the great monuments of English historical scholarship The late Dom David Knowles began work on the subject in 1929 The Monastic Order in England appeared in 1948 1955 and 1959 This volume begins the account of a whole way of Christian life and a unique element of English civilisation from Anglo Saxon times to the mid sixteenth century It opens with a survey of monastic life and activities of the old orders to 1340 goes on to record the impact of the Friars and concludes with a general survey of the monasteries and their world **The Gladstone Diaries: Volume 10: January 1881-June 1883** W. E. Gladstone,1990-03 The tenth and eleventh volumes of Gladstone s diaries 1881 1886 cover the years of his dramatic second and third administrations The second administration confronted a series of crises the Land League Campaign and the Phoenix Park murders Majuba Hill and South Africa Gordon and the Sudan and the obstruction of franchise reform by the

House of Lords The administration met these with determined assertion of administrative and legislative reforms more coherent in policy and more consistent in practice than is often realized Gladstone's third administration in 1886 attempted to pacify Ireland by granting Home Rule and in doing so provided one of the most exciting and controversial twelve months in British politics since the Civil War These volumes include not only the daily text of Gladstone's private diaries maintained almost without a break but also all of his Cabinet Minutes hitherto unpublished and themselves a remarkable and for the Victorian period unique diary of decision making There are over 1400 of the letters the vast majority hitherto unpublished which he wrote in those years These letters flesh out the daily diary and the Cabinet Minutes and cover the Church the Queen and the Court literature theatre art and domestic affairs There is much material in these volumes on Gladstone's unsuccessful but repeated attempts to retire from political office The volumes offer an extraordinary narrative of great force a remarkable mixture of achievement and disappointment of bold legislation and administrative and political disasters They display some of the innermost thoughts of an astonishing political personality which mesmerized contemporaries and has continued to fascinate historians and general readers

The Life of William Ewart Gladstone John Morley, 2023-11-14 In The Life of William Ewart Gladstone John Morley offers a meticulously crafted biographical account of one of the most significant British statesmen of the 19th century Morley employs a literary style that is both incisive and empathetic weaving together a narrative rich in historical detail and personal anecdotes The book not only charts Gladstone's political journey marked by his steadfast liberalism and commitment to social reform but also delves into the complexities of his character amid the shifting political landscapes of the time Morley's work is situated within the Victorian tradition of biography reflecting the era's fascination with the interplay between the individual's life and the broader currents of history John Morley a prominent philosopher writer and politician was deeply influenced by his own experiences in politics and governance As a former member of Gladstone's cabinet Morley possesses a unique insider's perspective on Gladstone's ideologies and the trials he faced as a public figure His intellectual background and commitment to liberal values resonate throughout the book allowing readers to appreciate not just Gladstone's achievements but also the man behind the reputation This biography is highly recommended for those interested in political history as well as for readers seeking a nuanced understanding of Gladstone's moral and political ethos Morley's compelling prose and rigorous scholarship make this a valuable resource not only for historians but for anyone intrigued by the complexities of political leadership and the ethical dilemmas that accompany it

Awards, Honors & Prizes, 1978 **Saturday Review of Politics, Literature, Science and Art**, 1865 **The Politics of Patriotism** Jonathan Parry, 2006-11-30 Parry offers an analysis of the ideas that influenced the Liberal political coalition between the 1830s and 1880s "The" Athenaeum, 1898 **Metafiction and the Postwar Novel** Andrew Dean, 2021-04-01 Metafiction and the Postwar Novel is a full length reassessment of one of the definitive literary forms of the postwar period sometimes known as postmodern metafiction In the place of large scale theorizing this book centres on the

intimacies of writing situations metafiction as it responds to readers literary reception and earlier works in a career The emergence of archival materials and posthumously published works helps to bring into view the stakes of different moments of writing It develops new terms for discussing literary self reflexivity derived from a reading of Don Quixote and its reception by J L Borges the self of writing and the public author as signature Across three comprehensive chapters Metafiction and Postwar Fiction shows how some of the most highly regarded postwar writers were motivated to incorporate reflexive elements into their writing and to what ends The first chapter on South African novelist J M Coetzee shows with a new clarity how his fictions drew from and relativized academic literary theory and the conditions of writing in apartheid South Africa The second chapter on New Zealand writer Janet Frame draws widely from her fictions autobiographies and posthumously published materials It demonstrates the terms in which her writing addresses a readership seemingly convinced that her work expressed the interior experience of madness The final chapter on American writer Philip Roth shows how his early reception led to his later and often explosive reconsiderations of identity and literary value in postwar America
