**Game Time** Reginald Bratton,2020-07-30 Yes it s game time for God s team and they are to arise and shine His light into this crooked and perverse generation God is the one who assigns each member of His team a part to play to each member is granted a measure of light adapted to the necessities of their time and the sufficiency that comes from God that grants grace to each individual the ability to do their assigned duty The successfulness of this plan will bring glory to God only after each member of God s team accept their assigned position on His team and play it accordingly to God s rule book the Holy Bible The purpose of this book is to send an alert to the people of God that when they join God s team they accept their specific role on the team Their role may come with a title or it may not God wants His team to know that having a title or not having a title is not high on His priority list Jesus Christ the Son of

God left the Holy Spirit to lead guide and show His team things to come upon the earth The Holy Spirit will glorify God and honor Him The Holy Spirit will take what is God and disclose to His team on the earth      *Can We Zoom into God?* Andrew Hemingway, 2023-10-19 When Zoom worship emerged in Britain during the COVID lockdown of 2020 Christians quickly turned to an art form a form of theater to deliver their worship It was a quest for immanence the very thing the Reformation dealt with by the elevation of transcendence What an intriguing thought Could John Calvin with his dictum regarding piety have practiced Zoom worship Served as he was with the principle that the finite cannot contain the infinite we must admit it looks very unlikely At least in this Calvin saw eye to eye with Erasmus but what of Luther He may have been a comfortable Zoom worshiper with his views that Religious artworks are neither here nor there and We may have them or not as we please Little did the church realize that it would be a step back into the past because what you permit you promote The desire to use images was much more sinister than in Medieval times as these were now images of ourselves Regardless of the age the image reigns supreme What had caused the demise Was it bereavement It could not be bereavement of God rather it was the loss of the social the bereavement of one another The need for one another had forced the hand of Christians to turn to a practice completely untested Zoom worship was born the genie is out and will never go back in But in the face of the now acceptable force of contemporary narcissism who cares      *Biblical Studies on the Internet* Roland H. Worth, Jr., 2008-09-18 The new edition includes more than 4 800 resources available at more than 10 000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages audio translations of the Bible in English and other languages commentaries dictionaries and other resource materials including ones in Greek Hebrew and other ancient languages The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself In cases when ten or more resources are listed on a single web page the author has assigned the web page a three digit code The code is used to identify this web page as a major resource within the main text while any needed instructions for use of the site are cross referenced separately in the final chapter In adopting this concise method the author was able to add hundreds of additional or updated web resources a surprising number of which can be downloaded onto a hard drive for immediate and continued use
