reporting about the latest music video gaming media digital and mobile entertainment issues and trends      **Glee, Vocal Duet** Hal Leonard Publishing Corporation, 2011-01-01 Arr for 2 voices and piano with guitar chord symbols      **Rock This Way** Mel Stanfill, 2023-08-15 Any and all songs are capable of being remixed But not all remixes are treated equally Rock This Way examines transformative musical works cover songs remixes mash ups parodies and soundalike songs to discover what contemporary American culture sees as legitimate when it comes to making music that builds upon other songs Through examples of how popular discussion talked about such songs between 2009 and 2018 Mel Stanfill uses a combination of discourse analysis and digital humanities methods to interrogate our broader understanding of transformative works and where they converge at the legal economic and cultural ownership levels Rock This Way provides a new way of thinking about what it means to re create and borrow music how the racial identity of both the reusing artist and the reused artist matters and the ways in which the law polices artists and their works Ultimately Stanfill demonstrates that the extent to which a work is seen as having new expression or meaning is contingent upon notions of creativity legitimacy and law all of which are shaped by white supremacy      *Popular Music in a Digital Music Economy* Tim J. Anderson, 2013-12-17 In the late 1990s the MP3 became the de facto standard for digital audio files and the networked computer began to claim a significant place in the lives of more and more listeners The dovetailing of these two circumstances is the basis of a new mode of musical production and distribution where new practices emerge This book is not a definitive statement about what the new music industry is Rather it is devoted to what this new industry is becoming by examining these practices as experiments dedicated to negotiating what is replacing an object based industry oriented around the production and exchange of physical recordings In this new economy constant attention is paid to the production and licensing of intellectual property and the rise of the social musician who has been encouraged to become more entrepreneurial Finally every element of the industry now must consider a new type of audience the end user and their productive and distributive capacities around which services and musicians must orient their practices and investments      *Billboard* , 2009-10-03 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends      **Billboard** , 2010-10-02 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends      **Glee** Hal Leonard Publishing Corporation, 2010 Pro Vocal Whether you re a karaoke singer or preparing for an audition the Pro Vocal series is for you The book contains the lyrics melody and chord symbols for nine hit songs The CD contains demos for listening and separate backing tracks so you can sing along The CD is playable on any CD but it is also enhanced for PC and Mac computer users so you can adjust the recording to any pitch
