Glen Tate 299 Days The Restoration:

299 Days: The Restoration Glen Tate, 2014-07-31 When the Patriots finally launch their strike against the Loyalists Grant Matson's leadership bravery and training are put to the ultimate test The 17th Irregulars are teamed up with regular military units and they must put their differences aside in order to successfully overthrow the Limas While the battle rages on the Loyalists outside of Olympia start to pay the price for their allegiances to the wrong side of the Collapse while well intentioned others welcome the beginning of New Washington that recognizes fairness and hard work The battle winds down and a new day begins as the Team recognizes that victory does not come without loss Grant now a celebrated war hero is not without his own personal hardships and fears facing a new life without his family

299 Days: The 43 Colonels Glen Tate, In this final book of the 299 Days series The 43 Colonels celebrates the many ordinary men and women who did extraordinary things during and after the Collapse Set in the chambers of the New Washington Legislature during a joint session of the House and Senate Governor Ben Trenton honors Colonel Grant Matson and 42 other individuals who helped start the Restoration From a personal trainer who became a spy disguised as a water boy to a homeschooling mom who protected children's minds from Loyalist propaganda to a young computer hacker who used his skills to get classified information to Oath Keepers and a Special Forces operative who conducted some amazing missions the stories of these modern day Patriots both heart wrenching and inspirational demonstrate how anyone can help in a revolution

299 Days: The War Glen Tate, 2014-03-24 For many people at Pierce Point and the rest of Washington State the upcoming New Year is a time for hope and belief that life is going to improve and the Collapse will end For Grant Matson and the 17th Irregulars the New Year means only one thing war The time has come and they have received their orders from HQ Grant must come clean with Lisa and tell her the truth about his work as he plans to abandon his family once again While the Loyalists drunkenly and selfishly celebrate New Year's Eve the Patriots mount a surprise attack on Frederickson making way for the 17th Irregulars to move toward Olympia As the battle moves on the men quickly realize the importance of everything they have been training for when they find themselves ambushed Doing everything he can to suppress his own fear and lead the 17th Irregulars Grant motivates them to persevere as they fight for liberty and restoring the country to the greatness it once was
