## **Glimmer Rebellion Final Chapter Tra:**

The Glimmer Rebellion James Lee Voris, 2015-12-14 The Tra h Man saga concludes with this offering The Glimmer Rebellion the fourth book in the series JamesLeeVoris com Even though it has a stand alone story line it ties together the previous three books and answers the question of how the glimmer rebellion came to be as it draws the reader into an in depth study of the central characters Warning though the Epilog may only be fully understandable to the followers of the previous books To those faithful the surprise ending will bring closure and a feel good emotional response In this issue the author James Lee Voris explores the consequences of the glimmer the perfect narcotic on an entire civilization It renders the addicted unable to perceive reality and believe everything is perfect Each of the five senses of the dependent individuals are altered to an euphoric state where everything smells wonderful even though it may really be rancid and rotten all sound is harmoniously lovely though it may be discordant screams all tactical sense is rewardingly soft to the touch even if it is rough cutting and painful all things taste incredibly delicious despite it actually being putrid and spoiled and everything observable appears delightfully beautiful to the eyes even though it be a scene of devastation and carnage In a civilization that exists for the next jolt the government s most critical function is to maintain a steady supply of glimmer to service its citizenry To get that glimmer supply the mining operations destroys planet after planet and all life on them Our heroes and heroines face the daunting tasks of cutting off the supply of glimmer and somehow overcome the most ruthless military in the galaxy That is a hard sell when 99% of the people don t want to be saved arguing what s wrong with being enraptured and live in a world of perfection even if it actually isn t     Newsweek ,1968     The Translucent Imagination Robert Colacurcio, 2013-07-16 This book explores a dimension of mind that is only a potentiality at birth This in itself is not so unusual as all adult capabilities are only developed with time and practice as we grow The translucent imagination is different however in that it usually goes not only undeveloped but completely unnoticed throughout the entire course of life It differs in how it functions once it is noticed and developed The imagination we are all familiar with I call the reflective imagination It functions at the confluence of memory and motivation and allies itself with the self promotional strategies of self nature It is reflective in that it configures or images the world in accord with the conceptual outlook of the ordinary mind In this sense it reflects the beliefs and fictions of our conceptual world view By contrast the translucent imagination at first appears subversive It arises and allies itself with a dimension of mind that is not structured or limited by concepts This dimension of mind is our pure and natural timeless awareness Once the translucent imagination has been developed and is fully functioning through expert tutelage and disciplined practice it functions to see through the conceptual fictions of the ordinary dimension of mind It is subversive because it subverts the self promotional strategies that ego would have us believe are in our best interest The translucent imagination unites aspects of Eastern and Western spiritual traditions and is a powerful tool that offers a way out of the chaos that contemporary consciousness creates for itself     The Message of Kings John W. Olley, 2022-06-21 In this

Bible Speaks Today volume John Olley shows how 1 and 2 Kings retell the past as preached history addressing the exilic situation of the original readers This accessible commentary shows how the narrative of Kings sheds light on what it means to worship trust and obey God in the midst of the turmoil of national and global events doing so in rich often surprising ways
