Glimpse After Glimpse Sogyal Rinpoche, 2009-10-13 New from the bestselling author of The Tibetan Book of Living and Dying 365 thought provoking meditations on life death doubt mindfulness compassion wisdom work and more **After Glimpse** Rinpoche Sogyal, 1995 Reflections and teaching stories inspired by the author's modern spiritual work. The Tibetan book of living and dying Preparing to Die Andrew Holecek, 2013-07-09 We all face death but how many of us are actually ready for it Whether our own death or that of a loved one comes first how prepared are we spiritually or practically In Preparing to Die Andrew Holecek presents a wide array of resources to help the reader address this unfinished business Part One shows how to prepare one s mind and how to help others before during and after death The author explains how spiritual preparation for death can completely transform our relationship to the end of life dissolving our fear and helping us to feel open and receptive to letting go in the dying process Daily meditation practices the stages of dying and how to work with them and after death experiences are all detailed in ways that will be particularly helpful for those with an interest in Tibetan Buddhism and in Tibetan approaches to conscious dying Part Two addresses the practical issues that surround death Experts in grief hospice the funeral business and the medical and legal issues of death contribute chapters to prepare the reader for every practical concern including advance directives green funerals the signs of death warnings about the funeral industry the stages of grief and practical care for the dying Part Three contains heart advice from twenty of the best known Tibetan Buddhist masters now teaching in the West These brief interviews provide words of solace and wisdom to guide the dying and their caregivers during this challenging time Preparing to Die is for anyone interested in learning how to prepare for death from a Buddhist perspective both spiritually and practically It is also for those who want to learn how to help someone else who is dying both during the time of illness and death as well as after death **Pathfinder Questions** Robert Colacurcio, 2014-04-04 What resources do thoughtful parents fall back on when the faith based religious practices of their youth no longer satisfy their own spiritual needs and yet they truly want to raise their children with a foundation in some faith based practice Thoughtful parents struggle with this basic question how do we raise our children to have a solid religious footing The suggestion for guidance made in this book is that really good guestions can be the resource parents are looking for Pathfinder questions are the really good questions that not only illuminate the way to go they actually help create the way to go Pathfinder questions are one of the resources from the spiritual technology toolkit of the Buddha This aspect of the Buddhist methodology can be applied to the practice of any faith based religion without the least conflict or compromise whatsoever Pathfinder questions are like a lighthouse beacon They offer quidance without coercion The path is illuminated the obstacles are made clear but the choice is like the boat captain's whether to sail ahead full speed or not If the reader chooses to ask the pathfinder questions as a way to guide their children they will be choosing to sail full speed ahead An **Amazing Rebirth** Maria Chan Rhomberg, 2017-06-07 I would encourage anyone faced with cancer to read and take

inspiration from this book Shechen Rabjam Rinpoche Marias journey is a powerful testimony emphasising the crucial importance of an inner transformation Matthieu Ricard Marias honest and inspiring account of how she worked with cancer reveals her own courage dedication tenacity and resolve to change her life from the inside out DzongsarJamyang Khyentse Rinpoche Marias healing process was quite unique in that she not only relied upon traditional medication she also found courage inspiration and ultimately health through reliance upon the spiritual instruction she received Dilgo Khyentse Yangsi Rinpoche One of the most striking themes of this book is that whenever we are facing a serious illness or a major challenge in our lives the state of our mind and our whole attitude are of crucial importance This is why I am so inspired that Maria Rhomberg has chosen with great courage and generosity to write about her personal experience of overcoming cancer Not only does she share her own moving story of transformation and healing but she also offers us all a wealth of practical insights and vital advice Sogyal Rinpoche **The Living Spirit** Margaret Hebblethwaite, 2000 With selections ranging from T S Eliot to Pedro Arrupe and ancient Coptic liturgical hymns The Living Spirit is a richly diverse anthology of prayers and readings that follows the seasons of the Christian year and remembers those who have helped shape faith and understanding A resource of worship intercession and inspiration for personal devotion throughout the year Awakening of a Foot Soldier John M. Healey, 2006-09-30 I was in the recognition that I was here for many more reasons than I could possibly comprehend the superficial the psychological the emotional spiritual and the anything else ending with an all that could be squeezed into this being I was here to seek to sit to eat to make money to live and to die In 1992 author John M Healey enlisted in the U S Army and was sent to Somalia Upon his return three years later he was declared mentally unfit for service and was discharged In 1998 Healey found a backdoor entrance into the Army and reenlisted for a second term He was then sent to Bosnia and upon his return he disappeared never to return to that life in uniform again Awakening of a Foot Soldier A Journal of Liberation from the Suffering of War is a collection of journal entries that take place between August 2004 and February 2006 At the time of his first account Healey is in Kuwait awaiting his entry into Iraq where he will work as a civilian contractor Living in the darkness of depression and post traumatic stress disorder he goes to Iraq in search of death and ultimately finds inner peace Awakening of a Foot Soldier is an enlightening story that shares the vulnerability of a young man and his quest for peace and liberation from the darkness of war **Growing in Love and Wisdom** Susan J. Stabile, 2012-10-02 Although raised Roman Catholic Susan Stabile was ordained as a Tibetan Buddhist nun and devoted 20 years of her life to practicing Buddhism before returning to Catholicism in 2001 In Growing in Love and Wisdom she draws on this unique dual perspective to explore the value of interreligious dialogue the spiritual dynamics that operate across faith traditions and how Buddhist meditation practices can deepen Christian prayer She begins by examining the values and principles shared by the two faiths and shows that both traditions seek to effect a fundamental transformation in the lives of believers Both stress the need for experiences with deep emotional resonance that goes beyond the level of concepts to touch

the heart The center of the book offers 15 Tibetan Buddhist contemplative practices adapted for Christian use Stabile provides clear instructions on how to do these meditations and helpful commentary on each explaining its purpose and the relation between the Buddhist original and her Christian adaptation of it Throughout she highlights the many remarkably close parallels between the teachings of Jesus and the Buddha The meditations offered in this unusual book will be extremely useful to thoughtful Christians to those responsible for giving spiritual direction and also to Buddhist sympathizers who will be intrigued and pleased to see familiar contemplations handled so skillfully by a former Buddhist practitioner who has gratefully learned so much from her former religion and now introduces the riches of that tradition to her fellow Christians
