A MORAL AND LEGAL CASE AGAINST ABORTION CHOICE

FRANCIS J. BECKWITH

# Defending Life A Moral And Legal Case Against Abortion Choice

**Scott B. Rae**

## **Defending Life A Moral And Legal Case Against Abortion Choice:**

*Defending Life* Francis J. Beckwith, 2007-08-13 *Defending Life* is arguably the most comprehensive defense of the pro life position on abortion morally legally and politically that has ever been published in an academic monograph It offers a detailed and critical analysis of *Roe v Wade* and *Planned Parenthood v Casey* as well as arguments by those who defend a Rawlsian case for abortion choice such as J J Thomson The author defends the substance view of persons as the view with the most explanatory power The substance view entails that the unborn is a subject of moral rights from conception While defending this view the author responds to the arguments of thinkers such as Boonin Dworkin Stretton Ford and Brody He also critiques Thomson s famous violinist argument and its revisions by Boonin and McDonagh *Defending Life* includes chapters critiquing arguments found in popular politics and the controversy over cloning and stem cell research

**Defending Life** Francis Beckwith, 2007 *Moral Choices* Scott B. Rae, 2009 Now in its third edition this foremost college ethics text helps students form a basis for practical ethical decision making in contemporary culture Substantial updates and revisions include a new chapter on ethics and economics online resources for instructors current case studies new material on bioethics and stem cell research and more *Pro-Life, Pro-Choice* Bertha Alvarez Manninen, 2014-09-05 In this provocative and accessible book the author defends a pro choice perspective but also takes seriously pro life concerns about the moral value of the human fetus questioning whether a fetus is nothing more than mere tissue She examines the legal status of the fetus in the recent Personhood Amendments in state legislatures and in Supreme Court decisions and asks whether *Roe v Wade* should have focused on the viability of the fetus or on the bodily integrity of the woman Manninen approaches the abortion controversy through a variety of perspectives and ethical frameworks She addresses the social circumstances that influence many women s decision to abort and considers whether we believe that there are good and bad reasons to abort Manninen also looks at the call for post abortion fetal grieving rituals for women who desire them and the attempt to make room in the pro choice position for the views of prospective fathers The author spells out how the two sides demonize each other and proposes ways to find degrees of convergence between the seemingly intractable positions *The Case for Life (Second edition)* Scott Klusendorf, 2023-10-24 Pro Life Advocate Scott Klusendorf Answers the Important Question What Are the Unborn Pro life Christians take heart the pro life message can compete in the marketplace of ideas if Christians properly understand and articulate that message In light of the 50th anniversary of *Roe v Wade* too many Christians do not understand the essential truths of the pro life position making it difficult for them to articulate a biblical worldview on issues like abortion cloning and embryo research This second edition of *The Case for Life* now with added content provides intellectual grounding for the pro life convictions that most evangelicals hold Author Scott Klusendorf simplifies the debate the sanctity of life is not a morally complex issue The debate turns on one key question What is the unborn In this timely ebook Klusendorf teaches readers what the role of the pro life Christian should be and how to lovingly

and winsomely engage in questions and objections Timely Covers current hot button topics related to abortion cloning and embryo research Ideal for Christians or Anyone Curious about the Pro Life Movement Written for those looking to learn more about the pro life argument and why it matters Logically Grounded Klusendorf explains the core of the argument and how to engage in a thoughtful and loving way Additional Content Includes two new chapters on how to organize material for a pro life talk and what it means to be pro life **Thinking Critically About Abortion** Nathan Nobis, Kristina Grob, 2019-06-19

This book introduces readers to the many arguments and controversies concerning abortion While it argues for ethical and legal positions on the issues it focuses on how to think about the issues not just what to think about them It is an ideal resource to improve your understanding of what people think why they think that and whether their and your arguments are good or bad and why It s ideal for classroom use discussion groups organizational learning and personal reading From the Preface To many people abortion is an issue for which discussions and debates are frustrating and fruitless it seems like no progress will ever be made towards any understanding much less resolution or even compromise Judgments like these however are premature because some basic techniques from critical thinking such as carefully defining words and testing definitions stating the full structure of arguments so each step of the reasoning can be examined and comparing the strengths and weaknesses of different explanations can help us make progress towards these goals When emotions run high we sometimes need to step back and use a passion for calm cool critical thinking This helps us better understand the positions and arguments of people who see things differently from us as well as our own positions and arguments And we can use critical thinking skills help to try to figure out which positions are best in terms of being supported by good arguments after all we might have much to learn from other people sometimes that our own views should change for the better Here we use basic critical thinking skills to argue that abortion is typically not morally wrong We begin with less morally controversial claims adults children and babies are wrong to kill and wrong to kill fundamentally because they we are conscious aware and have feelings We argue that since early fetuses entirely lack these characteristics they are not inherently wrong to kill and so most abortions are not morally wrong since most abortions are done early in pregnancy before consciousness and feeling develop in the fetus Furthermore since the right to life is not the right to someone else s body fetuses might not have the right to the pregnant woman s body which she has the right to and so she has the right to not allow the fetus use of her body This further justifies abortion at least until technology allows for the removal of fetuses to other wombs Since morally permissible actions should be legal abortions should be legal it is an injustice to criminalize actions that are not wrong In the course of arguing for these claims we 1 discuss how to best define abortion 2 dismiss many common question begging arguments that merely assume their conclusions instead of giving genuine reasons for them 3 refute some often heard everyday arguments about abortion on all sides 4 explain why the most influential philosophical arguments against abortion are unsuccessful 5 provide some positive arguments that at least early abortions are not wrong 6 briefly discuss the ethics

and legality of later abortions and more This essay is not a how to win an argument piece or a tract or any kind of apologetics It is not designed to help anyone win debates everybody wins on this issue when we calmly and respectfully engage arguments with care charity honesty and humility This book is merely a reasoned systematic introduction to the issues that we hope models these skills and virtues Its discussion should not be taken as absolute proof of anything much more needs to be understood and carefully discussed always

**Taking Rites Seriously** Francis Beckwith,2015-11-18 This book is a critical look at how courts legal scholars and the academic culture mischaracterize and misunderstand religious beliefs

*The Oxford Handbook of Religious Perspectives on Reproductive Ethics* Davis,2023 As I write this introduction the third season of the Israeli series Schtisel has arrived on Netflix eagerly awaited by viewers around the world who would never have imagined how caught up they would get by this family drama of four generations of ultra Orthodox Jews living in Jerusalem One episode focuses on Ruchami and Hanina a young couple who have been married for five years but without children It turns out that pregnancy and childbirth would threaten Ruchami s life She is using an IUD but she keeps threatening to have it removed risking her life to become a mother Finally with great reluctance Hanina visits the rebbe the spiritual authority in their community to discuss the possibility of using a surrogate They are says the rebbe caught between two non ideal situations surrogacy normally forbidden is non ideal but so is Ruchami s unhappiness and the possibility that she might go ahead and take the risk which is also forbidden

**Wise Stewards** Michael W. Austin,2009 Supplemental text for family and marriage courses resource for pastors and marriage counselors parents

Exploring the Dimensions of Human Sexuality Jerrold S. Greenberg,Clint E. Bruess,Sarah C. Conklin,2010-03-01

Roe v. Wade N. E. H. Hull,Peter Charles Hoffer,2021-02-16 Few Supreme Court decisions have stirred up as much controversy vitriolic debate and even violence as Roe v Wade in 1973 Four decades later it remains a touchstone for the culture wars in the United States and a pivot upon which much of our politics turns With that in mind N E H Hull and Peter Charles Hoffer have taken stock of the abortion debates controversies and cases that have emerged during the past decade in order to update their best selling book on this landmark case As with the first two editions this book details the case s historical background highlights Roe v Wade s core issues essential personalities and key precedents tracks the case s path through the courts clarifies the jurisprudence behind the Court s ruling in Roe assesses the impact of the presidential elections of George W Bush and Barack Obama along with the confirmations of Chief Justice John Roberts Justice Samuel Alito Justice Sonia Sotomayor and gauges the case s impact on American society and subsequent challenges to it in Webster v Reproductive Health Services 1989 Planned Parenthood v Casey 1992 and Gonzales v Carhart 2007 This third updated edition also adds two completely new chapters covering abortion politics and legal battles in Obama s second term and Donald J Trump s first term The new material covers two important cases in detail Whole Woman s Health v Hellerstedt 2016 and June Medical Services LLC v Russo 2020 The cases dealt with state laws Texas and Louisiana respectively designed to limit access to abortion by requiring doctors

performing abortions to have admission privileges at a state authorized hospital within thirty miles of the abortion clinic In both cases the Court ruled the laws unconstitutional thus handing abortion rights activists key victories in the face of an increasingly conservative Court The new chapters also cover the confirmations of Justices Elena Kagan Neil Gorsuch and Brett Kavanaugh as well as the heated political environment surrounding the Court in the age of Trump

***Problems in Value Theory*** Steven B. Cowan, 2020-02-06 *Problems in Value Theory* takes a pro and con approach to central topics in aesthetics ethics and political theory Each chapter begins with a question What Makes Actions Right or Wrong Does Morality Depend on God Do We Need Government Contemporary philosophers with opposing viewpoints are then paired together to argue their position and raise problems with conflicting standpoints Alongside an up to date introduction to a core philosophical stance each contributor provides a critical response to their opponent and clear explanation of their view Discussion questions are included at the end of each chapter to guide further discussion With chapters ranging from why the government should never wage war to what is art and does morality depend on God this introduction covers questions lying at the heart of debates about what does and does not have value

***Understanding Jurisprudence*** Raymond Wacks, 2021 *Understanding Jurisprudence* provides an illuminating and engaging introduction to the central questions of legal theory It is the perfect starting point for those new to the subject

***Same-Sex Marriage (Thoughtful Response)*** Sean McDowell, John Stonestreet, 2014-07-28 Same sex marriage is here presenting unique challenges and opportunities How do those who follow Christ faithfully answer the standard talking points for same sex marriage And how can they best articulate the case for one man one woman marriage in everyday conversation Sean McDowell and John Stonestreet believe a thoughtful approach to God's design for marriage is the answer to both questions The key is not a contentious attitude towards those who believe in same sex marriage but a winsome perspective that is faithful to Christ committed to truth and shaped by a love for God and others Christians need to know that because Christ has risen there is no such thing as all hope is lost They are still called to engage culture even if they are viewed as wrong illegal and intolerant

***Bioethics from the Global South*** Lillian Omutoko, Walter Jaoko, 2025-01-16 This book tackles complex global issues like vaccination climate change environmental ethics embryo adoption and surrogate motherhood viewed from the perspective of the global south The COVID 19 pandemic has emphasized the need for addressing bioethical issues on a global scale beyond national and regional boundaries Challenges highlighted in the book include cultural differences multi pluralism insufficient funding and limited opportunities for awareness and provision of education in global bioethics particularly in low and middle income countries The book employs universal and global bioethics frameworks referencing the Universal Declaration of Human Rights and the UNESCO Universal Declaration on Bioethics and Human Rights These documents along with other international agreements and national constitutions were used to advocate for human dignity health and fundamental freedoms Contributions from authors in Kenya Uganda and Nigeria provide valuable perspectives making this book a must

read for ethicists bioethicists medical students and healthcare workers with an interest in global bioethics Passionate Conviction Paul Copan, William Lane Craig, 2007-10-01 Popular Christian apologists from Emir Caner to N T Wright present their dynamic defenses of faith in Passionate Conviction **The Questions Christians Hope No One Will Ask** Mark Mittelberg, 2010-10-29 2011 Retailers Choice Award winner Why are Christians against same sex people getting married Why do you believe God exists at all Why would God allow evil and suffering Why trust the Bible when it s full of mistakes How could a loving God send people to hell What makes you think Jesus was more than just a good teacher Why are Christians so judgmental Some questions can stop a conversation Today more than ever people are raising difficult penetrating questions about faith God and the Bible Based on an exclusive new Barna survey of 1 000 Christians The Questions Christians Hope No One Will Ask presents compelling easy to grasp answers to ten of the most troubling questions facing Christians today These include everything from the existence of heaven to the issues of abortion and homosexuality as well as the question of whether evolution eliminates our need for a God Welcome to College Jonathan Morrow, 2008 To help the upcoming student Jonathan Morrow provides this engaging guide packed with advice on all manner of issues from dating and friends classes and homework to avoiding the temptation to just check out spiritually while in school Morrow gives personal advice and anecdotes draws examples from Scripture and offers additional resources for further insights from publisher description

**Exploring the Dimensions of Human Sexuality** , Politics for Christians Francis J. Beckwith, 2012-05-20 Politics is concerned with citizenship and the administration of justice how communities are formed and governed The role of Christians in the political process is hotly contested but as citizens Francis Beckwith argues Christians have a rich heritage of sophisticated thought as well as a genuine responsibility to contribute to the shaping of public policy In particular Beckwith addresses the contention that Christians or indeed religious citizens of any faith should set aside their beliefs before they enter the public square What role should religious citizens take in a liberal democracy What is the proper separation of church and state What place should be made for natural rights and the moral law within a secular state This cogent introduction to political thought surveys political science politics and government while making the case for how statecraft may genuinely contribute to soulcraft Politics for Christians is part of The Christian Worldview Integration Series

### **Defending Life A Moral And Legal Case Against Abortion Choice Introduction**

In today's digital age, the availability of Defending Life A Moral And Legal Case Against Abortion Choice books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Defending Life A Moral And Legal Case Against Abortion Choice books and manuals for download, along with some popular platforms that offer these resources. One of the

significant advantages of Defending Life A Moral And Legal Case Against Abortion Choice books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Defending Life A Moral And Legal Case Against Abortion Choice versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Defending Life A Moral And Legal Case Against Abortion Choice books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Defending Life A Moral And Legal Case Against Abortion Choice books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Defending Life A Moral And Legal Case Against Abortion Choice books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Defending Life A Moral And Legal Case Against Abortion Choice books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable

tools for continuous learning and self-improvement. So why not take advantage of the vast world of Defending Life A Moral And Legal Case Against Abortion Choice books and manuals for download and embark on your journey of knowledge?

### **FAQs About Defending Life A Moral And Legal Case Against Abortion Choice Books**

1. Where can I buy Defending Life A Moral And Legal Case Against Abortion Choice books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
