How to Scout the Defense of Your High School Football Opponent Bill Renner, 2014-11-01 Scouting a football defense is vital to the preparation and coaching of offensive football players for a game. Coach Bill Renner outlines a simple and efficient 10-step process to follow when scouting a football defense. The information gathered will provide the coaches and players with a confidence they need to have to play their opponent. Coach Renner has prepared high school offensive game plans for 30 years. He finished his football coaching career with a span of 13 straight years, 142 games without the offense he was coaching being shutout. Following this simple 10-step process will help a coach in obtaining the knowledge to call offensive plays and know how and why the defense is aligned versus their formation.
