Conscientious Robert Philip, 1872 **The Minds of Gods** Benjamin Grant Purzycki, Theiss Bendixen, 2023-02-09 Why are humans obsessed with divine minds? What do gods know and what do they care about? What happens to us and our relationships when gods are involved? Drawing from neuroscience, evolutionary, cultural, and applied anthropology, social psychology, religious studies, philosophy, technology, and cognitive and political sciences, *The Minds of Gods* probes these questions from a multitude of naturalistic perspectives. Each chapter offers brief intellectual histories of their topics, summarizes current cutting-edge questions in the field, and points to areas in need of attention from future researchers. Through an innovative theoretical framework that combines evolutionary and cognitive approaches to religion, this book brings together otherwise disparate literatures to focus on a topic that has comprised a lasting central obsession of our species. Thy Will Be Done Abiodun Yusuff, 2023-03-03 The book *Thy Will Be Done* presents a bible-based exposition on the will of God for every human life, marriage, family, business, career, government, and the church. The book lays emphasis on the government of God on earth and the superiority of God's will over human will and the need for every man on earth to find and submit to the will of God. *Social-science Commentary on the Letters of Paul* Bruce J. Malina, John J. Pilch, 2006-01-01 This latest addition to the Fortress Social Science Commentaries on New Testament writings illuminates the values, perceptions, and social codes of the Mediterranean culture that shaped Paul and his interactions, both harmonious and conflicted, with others. Malina and Pilch add new dimensions to our understanding of the apostle as a social change agent, his coworkers as innovators, and his gospel as an assertion of the honor of the God of Israel. *The CR FAQ* Kathryn Price

God's Laws: Sin, Law, Grace, and Obligation in Pauline Theology Paul Hughes, 2014-07-31 What shall we do was the question people asked John the Baptist as they came to be baptized. Others asked this question of Jesus during his ministry in Galilee and of Peter on the Day of Pentecost. After two thousand years even many confirmed Christians remain confused. May a Christian work on the Sabbath? Is the Sabbath Saturday or Sunday? Must we eat Kosher? Paul said that Christ fulfilled the Law, so what are the rules for today? Must Christians still follow the Ten Commandments or have all the commandments been abolished in favor of love? If there is no Law, is anything still a sin? What are we required to do or forbidden to do and how much can we get away with and still be saved? The New Testament, especially in the practical teachings of the Apostle Paul, contains adequate answers to many of these questions and provides principles for making Godly decisions even on debatable matters never dreamt of two thousand years ago.
