Defence Speeches Oxford Worlds Classics:

Defence Speeches Cicero,, Marcus Tullius Cicero, 2008-08-14 This book presents five of Cicero's courtroom defences including the defence of Roscius falsely accused of murdering his father of the consul elect Murena accused of electoral bribery and of Milo for murdering Cicero's enemy Clodius Cicero A LEGAMUS Transitional Reader Judith Lynn Sebesta, Mark Haynes, 2010-01-01 The Legamus Transitional Readers are innovative texts that form a bridge between the initial study of Latin via basal textbooks and the reading of authentic author texts This series of texts has been developed by a special committee of high school and college teachers to facilitate this challenging transition Cicero A Legamus Transitional Reader introduces students to Cicero's Latin via selections from his Pro Archia Introductory materials include an overview of the life and works of Cicero historical context and bibliography The authors combine special visual features including line alignments based on meaning with the pass through method to make Cicero's sometimes complicated prose more student friendly Appendices on grammar and figures of speech as well as a pull out vocabulary complete the book's student aids After finishing Cicero A Legamus Transitional Reader students will be prepared to undertake a more complete study of Cicero in an upper level Latin literature or college level course Features pre reading materials to help students understand underlying cultural historical and literary concepts review explanations of grammatical and syntactical usage with practice exercises pass through approach that begins with the main statement and adds clauses with each pass thus assisting students in unraveling Cicero's complex sentences first versions of the Latin text with transitional aids lines aligned to facilitate comprehension implied words in parentheses difficult noun adjective pairings in different fonts complete vocabulary and grammatical notes on facing pages post reading materials that encourage appreciation of Cicero's style reflection on what has been read and making connections to the modern world final version of each Latin text without transitional aids but with notes and vocabulary pull out vocabulary of frequently used Latin words four maps and eighteen illustrations that complement the Latin selections and background essays Political Speeches Marcus Tullius Cicero, 2006-03-09 Cicero 106-43 BC was the greatest orator of the ancient world and a leading politician of the closing era of the Roman republic This book presents nine speeches which reflect the development variety and drama of his political career These new translations achieve new standards of accuracy Two things alone I long for first that when I die I may leave the Roman people free and second that each person's fate may reflect the way he has behaved towards his country Cicero 106-43 BC was the greatest orator of the ancient world and a leading politician of the closing era of the Roman republic This book presents nine speeches which reflect the development variety and drama of his political career among them two speeches from his prosecution of Verres a corrupt and cruel governor of Sicily four speeches against the conspirator Catiline and the Second Philippic the famous denunciation of Mark Antony which cost Cicero his life Also included are On the Command of Gnaeus Pompeius in which he praises the military successes of Pompey and For Marcellus a panegyric in praise of the

dictator Julius Caesar These new translations preserve Cicero's rhetorical brilliance and achieve new standards of accuracy A general introduction outlines Cicero's public career and separate introductions explain the political significance of each of the speeches Together with its companion volume *Defence Speeches* this edition provides an unparalleled sampling of Cicero's oratorical achievements

Literature in the Greek and Roman Worlds Oliver Taplin, 2000 This book consists of seventeen essays by a team of international scholars exploring aspects of the reception of literature from the earliest surviving Greek poetry to the demise of classical literature at the end of the Roman empire Deploying fresh insights to map out lively and provocative surveys the contributors examine all genres of the classical world epic lyric tragedy comedy history philosophy rhetoric epigram elegy pastoral satire biography epistle declamation panegyric in search of answers to the questions of who were the genres for and what did these people make of them

Cicero's Catilinarians D. H. Berry, 2020 The Catilinarians are a set of four speeches that Cicero while consul in 63 BC delivered before the senate and the Roman people against the conspirator Catiline and his followers Or are they Cicero did not publish the speeches until three years later and he substantially revised them before publication rewriting some passages and adding others all with the aim of justifying the action he had taken against the conspirators and memorializing his own role in the suppression of the conspiracy How then should we interpret these speeches as literature Can we treat them as representing what Cicero actually said Or do we have to read them merely as political pamphlets from a later time In this the first book length discussion of these famous speeches D H Berry clarifies what the speeches actually are and explains how he believes we should approach them In addition the book contains a full and up to date account of the Catilinarian conspiracy and a survey of the influence that the story of Catiline has had on writers such as Sallust and Virgil Ben Jonson and Henrik Ibsen from antiquity to the present day

Selected Letters Cicero, 2008-07-10 How I wish that you had invited me to that most attractive feast on the Ides of March Cicero lived through some of the most turbulent years in the history of Rome and witnessed at first hand the overthrow of the republic and its replacement by a tyranny His letters to friends and family are an astonishingly detailed record of daily life and politics in Rome This selection covering the years 68-43 BC not merely documents in detail Cicero's career but simultaneously provides a month by month record of the final collapse of the Roman senatorial government The letters provide from the inside a vivid picture of events from the high point of Cicero's consulship of 63 through the humiliation of his exile and subsequent subjection to the dynasts to the assassination of Caesar in 44 and Cicero's brief hour of glory in leading senatorial resistance to the tyranny of Mark Antony In P G Walsh's lively new translation Cicero's correspondence once more brings alive the excitement and danger of ancient Rome

Literature in the Roman World Oliver Taplin, 2001 In this volume we are offered a new perspective on Roman literature based on the conviction that our present appreciation for it should be informed and influenced by how it was originally perceived From the beginning of the Roman Empire to the end of the classical era this book focuses on the receivers of Roman literature the readers spectators and audiences who first witnessed the works Six contributors map out the lively and provocative surveys covering the kinds of literature that have shaped Western culture epic lyric tragedy comedy history philosophy elegy satire biography and panegyric Advanced Latin Stephen Anderson, James Morwood, Katharine Radice, 2013-10-16 Advanced Latin offers a range of material to help students build and develop the knowledge and skills needed for A2 and Pre U Latin There are 24 translation comprehension exercises based on passages taken predominantly from Livy Caesar and Ovid These match exactly the requirements of A2 but the passages work equally well as unseens for those working towards Pre U Six further passages are offered for unseen translation only and are designed to stretch the most able There are then 12 passages of continuous prose for translation into Latin each supported by notes to help the student and an appendix that contains a comprehensive English Latin vocabulary To support the study of A2 and Pre U literature there are short commentaries on sample passages from each of the prescribed authors demonstrating a variety of interpretative approaches In addition for each author there is an annotated bibliography to guide both teacher and student to the most useful secondary literature available A separate section focuses on the Pre U unseen literary criticism option and offers six practice passages *Selected Letters* Marcus Tullius Cicero, P. G. Walsh, 2008-07-10 This selection of Cicero's letters not merely documents in detail Cicero's career but simultaneously provides a month by month record of the collapse of the republic and its replacement by a tyranny It provides a vivid picture of daily life and politics in Rome the assassination of Caesar and Cicero's vain resistance to the rise of Mark Antony Heuristic Rhetoric Gábor Tahin, 2022-11-30 This book introduces a novel approach to the analysis and practice of persuasive speaking and writing heuristic rhetoric The new method has evolved to fulfil the need at universities government departments political organisations business enterprises and other public institutions for a modern practical alternative to classical rhetoric which is in the author's view no longer capable of giving a complete description of contemporary predominantly mediated forms of public persuasive discourse whilst other competing disciplines such as critical discourse analysis or strategic manoeuvring have not yet produced a set of tools which have the comprehensive nature and practical orientation of Classical Greek and Roman rhetorical system The book expounds heuristic rhetoric as an inter disciplinary method to develop advanced skills of critical and strategic reasoning Applying a novel set of principles for the strategic analysis of persuasive reasoning in complex rhetorical situations the method emphasizes preparing and continuously adjusting argumentation according to the demands of unpredictable circumstances **The Fall of the Roman Republic** Cassius Dio, 2024 This book presents the first English translation to appear for over a hundred years of a key text Books 36-40 of Cassius Dio's Roman History which is

not only the fullest surviving account of the last twenty years before the Roman Republic collapsed 69 50 BCE but is also a vivid and compelling historical narrative

On Life and Death Marcus Tullius Cicero, 106 43 BC was the greatest orator of the ancient world and a leading politician of the closing era of the Roman republic These three dialogues here are among the most accessible of Cicero's philosophical works [Cicero's Consulship Campaign](#) M. G. L. Cooley, 2023-07-06 A sourcebook on Cicero's consulship campaign with a range of translated primary texts to support ancient history students

The Shadow of Creusa Anders Cullhed, 2015-04-24 Anders Cullhed's study *The Shadow of Creusa* explores the early Christian confrontation with pagan culture as a remote anticipation of many later clashes between religious orthodoxy and literary fictionality After a careful survey of Saint Augustine's critical attitudes to ancient myth and poetry summarized as a long drawn out farewell Cullhed examines other Late Antique dismissals as well as appropriations of the classical heritage Macrobius Martianus Capella and Boethius figure among the Late Antique intellectuals who attempted to save or even restore the old mythology by means of allegorical representation On the other hand pious poets such as Paulinus of Nola and Bible epic writers such as Iuvencus or Avitus of Vienne turned against pagan lies and the mighty archbishop of Milan Saint Ambrose played off unconditional Christian truth against the last Roman strongholds of cultural pluralism Thus *The Shadow of Creusa* elucidates a cultural conflict which was to leave traces all through the Middle Ages and reach down to our present day

Classical Rhetoric in the Middle Ages John O. Ward, 2018-12-24 *Classical Rhetoric in the Middle Ages* The Medieval Rhetors and Their Art 400 1300 with Manuscript Survey to 1500 CE is a completely updated version of John Ward's much used doctoral thesis of 1972 and is the definitive treatment of this fundamental aspect of medieval and rhetorical culture It is commonly believed that medieval writers were interested only in Christian truth not in Graeco Roman methods of persuasion to whatever viewpoint the speaker/writer wanted Dr Ward however investigates the content of well over one thousand medieval manuscripts and shows that medieval writers were fully conscious of and much dependent upon Graeco Roman rhetorical methods of persuasion The volume then demonstrates why and to what purpose this use of classical rhetoric took place

The Art of Rhetoric Aristotle, 2018-04-19 For all men are persuaded by considerations of where their interest lies Aristotle's *Art of Rhetoric* is the earliest systematic treatment of the subject and it remains among the most incisive works on rhetoric that we possess In it we are asked What is a good speech What do popular audiences find persuasive How does one compose a persuasive speech Aristotle considers these questions in the context of the ancient Greek democratic city state in which large audiences of ordinary citizens listened to speeches pro and con before casting the votes that made the laws decided the policies and settled the cases in court Persuasion by means of the spoken word was the vehicle for conducting politics and administering the law After stating the basic principles of persuasive speech Aristotle places rhetoric in relation to allied fields such as politics ethics psychology and logic and he demonstrates how to construct a persuasive case for any kind of plea on any subject of communal concern Aristotle views

persuasion flexibly examining how speakers should devise arguments evoke emotions and demonstrate their own credibility The treatise provides ample evidence of Aristotle s unique and brilliant manner of thinking and has had a profound influence on later attempts to understand what makes speech persuasive The new translation of the text is accompanied by an introduction discussing the political philosophical and rhetorical background to Aristotle s treatise as well as the composition and transmission of the original text and an account of Aristotle s life The Interpretation of Dreams

Artemidorus,2020-01-16 Dreams are products of the mind and do not come from any external source Artemidorus The Interpretation of Dreams Oneirocritica is the richest and most vivid pre Freudian account of dream interpretation and the only dream book to have survived complete from Graeco Roman times Written in Greek around AD 200 when dreams were believed by many to offer insight into future events the work is a compendium of interpretations of dreams on a wide range of subjects relating to the natural human and divine worlds It includes the meanings of dreams about the body sex eating and drinking dress the weather animals the gods and much else Artemidorus technique of dream interpretation stresses the need to know the background of the dreamer such as occupation health status habits and age and the work is a fascinating social history revealing much about ancient life culture and beliefs and attitudes to the dominant power of Imperial Rome Martin Hammond s fine translation is accompanied by a lucid introduction and explanatory notes by Peter Thonemann which assist the reader in understanding this important work which was an influence on both Sigmund Freud and Michel Foucault

Discourses, Fragments, Handbook Epictetus,2014-02-13 About things that are within our power and those that are not Epictetus s Discourses have been the most widely read and influential of all writings of Stoic philosophy from antiquity onwards They set out the core ethical principles of Stoicism in a form designed to help people put them into practice and to use them as a basis for leading a good human life Epictetus was a teacher and a freed slave whose discourses have a vivid informality animated by anecdotes and dialogue Forceful direct and challenging their central message is that the basis of happiness is up to us and that we all have the capacity through sustained reflection and hard work of achieving this goal They still speak eloquently to modern readers seeking meaning in their own lives This is the only complete modern translation of the Discourses together with the Handbook or manual of key themes and surviving fragments Robin Hard s accurate and accessible translation is accompanied by Christopher Gill s full introduction and comprehensive notes ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more **Orestes and Other Plays** Euripides,2009-03-26 This is the fourth volume of Euripides plays in new translation The four plays it contains Ion Orestes The Phoenician Women and The Suppliant Women explore ethical and political themes contrasting the claims of patriotism with family loyalty pragmatism with justice
