will better equip readers with a diverse range of defensive tactics **Pro-Systems Complete Baton Manual** Fernan Vargas, Joseph Truncale, 2015-10-03 The straight stick has probably been used as a self defense tool since a human made the first footprints on earth Through the ages variations of the stick and staff have been created to make a better self defense tool The straight stick was turned into spears and swords Understanding the basic use of the straight police baton makes it possible to use numerous other objects for self defense In fact the same techniques taught for using the police baton relate to a host of stick fighting and sword arts such as Hanbo Jutsu Jo Jutsu Wakizashi Jutsu and similar weapon combat systems It is hoped this book will provide a basic overview of the many ways a straight baton can be used for self defense control and takedowns for law enforcement security officers and martial artists studying weapons *For Security Personnel, DEFENSIVE BATON*, 2020 Mürsel Sevindik, 2020-04-17 This book covers Defensive Baton issues for law enforcement officer The goal is for the officers to understand and demonstrate the tactical fundamentals of the baton in an operational setting and its proper use as an intermediate impact weapon One of the major dilemmas facing law enforcement today is the continually increasing number of assaults on police officers as they perform their duties How can the officer respond to this critical situation without resorting to deadly force Modern law enforcement tool has been developed to increase officers ability to protect themselves particularly in those cases not justifying the use of deadly force That tool is the baton The ability to use force lawfully against the public is the primary factor which distinguishes the police from the rest of society The police service is unique in society as they are the only civil organization that has been given the authority to use force As a result of this responsibility the use of force by the police comes under close scrutiny by both the public and the courts The baton can be utilized when empty hand techniques are not effective A trained officer who is proficient in the use of the baton is better able to protect himself and is less likely to resort to the use of his firearm The main purpose of the baton is to stun or temporarily disable rather than cause permanent injury The baton is not designed as a lethal weapon and is not an instrument of punishment It is to be used in a skillful manner to counter or stop an aggressive subject The techniques shown in this booklet has been universally accepted and are defensible in court They are designed to work efficiently for all officers male female small large fit and the less fit Topics and techniques presented in this book will be of both great interest and great value to trainers and students of law enforcement *DEFENCE and INTERVENTION -1- (Officer Survival Skills, Use of Force, Soft Empty Hand Control, Hard Empty Hand Control)* Mürsel Sevindik, 2020-04-25 This book covers Officer Survival Skills Use of Force Soft Empty Hand Control Hard Empty Hand Control issues for law enforcement officer The most important priority of the officer is able to survive in dangerous situations Survival techniques if properly applied provide the officer an opportunity to overcome the resistive behavior of subjects These techniques also provide officers with self confidence which is needed to win The primary responsibility of the law enforcement officer is to protect life and ensure public order They are authorized to use a range of force options to preserve the peace prevent crimes maintain order and

apprehend suspects Soft empty hand techniques are the first option of physical response used to restrain a person who is resisting By developing a high degree of proficiency with soft empty hand techniques the officer will be able to respond in a more effective manner with a minimal amount of force Hard Empty Hand Control techniques are defined as striking techniques They are always defensive not offensive These techniques are used to control active aggression with empty hands and feet when the intermediate use of weapons is justified but are not tactically available Topics and techniques presented in this book will be of both great interest and great value to trainers and students of law enforcement

Advanced Concepts in Defensive Tactics Chuck Joyner, 2010-12-16 Today s society is becoming increasingly more likely to resist the lawful actions of law enforcement officers It is critical for officers to have the necessary defensive tactics DT skills to successfully overcome resistance in an efficient safe and legal manner The answer to achieving these results is NOT in teaching thousands of possible responses to an infinite number of potential attacks The answer is to first use a Risk Management approach and identify the most common and dangerous attacks on officers Next a successful DT program must stress core concepts proper body mechanics natural instinctive movement and proven principles of survival Advanced Concepts in Defensive Tactics A Survival Guide for Law Enforcement presents the instruction of Master Police Instructor Chuck Joyner Developed during his tenure as a FBI use of force instructor and expanded by his lifelong dedication to the martial arts Joyner s Survival Sciences DT program relies on adhering to advanced concepts rather than memorizing countless techniques Based on extensive research and actual street experience this manual Focuses on defensive tactics that are easily taught understood and applied by officers regardless of their size strength or athletic ability Covers hand to hand tactics groundwork weapon retention weapon disarming handcuffing and the survival mindset Explains the necessary integration of hands on DT techniques with common law enforcement secondary weapons e g baton pepper spray TASER Introduces a new use of force model Dynamic Resistance Response Model which correctly depicts the dynamic encounter between an officer and a resistor by first focusing on the level of resistance by the subject Offers practical solutions reducing officer department and municipality liability Provides password access to the author s supplemental training videos online Chuck Joyner a recognized expert in the use of force lectures throughout the United States and internationally on myriad law enforcement topics Mr Joyner holds several FBI instructor certifications in force related training has earned black belts in four martial arts and was awarded master rank in two styles He was inducted into the Martial Arts Hall of Fame as instructor of the year in 2006 Mr Joyner was employed by the CIA from 1983 to 1987 and has worked as a Special Agent with the FBI since 1987 Chuck was interviewed on February 29 2012 on American Heroes Radio

For Security Personnel, DEFENCE and INTERVENTION, Theory and Practice, 2020 (Officer Survival Skills, Use of Force, Soft Empty Hand Control, Hard Empty Hand Control, Weapon Retention and Disarming, Handcuffing, Conducting Suspect Searches, Defensive Baton) Mürsel Sevindik, 2020-04-29 This book covers Officer Survival Skills Use of Force Soft Empty Hand Control Hard Empty Hand

Control Weapon Retention and Gun Disarming Handcuffing Conducting Suspect Searches and Defensive Baton issues for law enforcement officer The most important priority of the officer is able to survive in dangerous situations These techniques provide officers self confidence which is needed to win Law enforcement officers are authorized to use a range of force options to preserve the peace prevent crimes maintain order and apprehend suspects Soft empty hand techniques are the first option of physical response used to restrain a person who is resisting Hard Empty Hand Control techniques are defined as striking techniques In some close encounters a suspect may try to grab the officer s sidearm Officers must develop a defensive awareness that their weapon can be snatched Handcuffs are temporary restraining devices designed to control the movements of a subject Body searching is a careful systematic examination of the suspect at the scene of a crime or immediately after apprehension A trained officer who is proficient in the use of the baton is better able to protect himself and is less likely to resort to the use of his firearm Topics and techniques presented in this book will be of both great interest and great value to trainers and students of law enforcement

DEFENCE and INTERVENTION -2- (Weapon Retention and Disarming, Handcuffing, Conducting Suspect Searches, Defensive Baton) Mürsel Sevindik,2020-04-25 This book covers Weapon Retention and Gun Disarming Handcuffing Conducting Suspect Searches and Defensive Baton subjects for law enforcement officer In some close encounters a suspect may try to grab the officer s sidearm Loss of the officer s gun could mean the loss of his her life The officer or civilians may be killed or injured by offenders who take and use an officer s firearm Officers must develop a defensive awareness that their weapon can be snatched Handcuffs are temporary restraining devices designed to control the movements of a subject However they do not entirely immobilize a suspect Its proper use and application is crucial for the safety of the officer subject and public Body searching is a vague topic It is a careful systematic examination of the suspect at the scene of a crime or immediately after apprehension Failure to conduct a proper search could cost an officer s or civilians life Modern law enforcement tool baton has been developed to increase officers ability to protect themselves particularly in those cases not justifying the use of deadly force A trained officer who is proficient in the use of the baton is better able to protect himself and is less likely to resort to the use of his firearm Topics and techniques presented in this book will be of both great interest and great value to trainers and students of law enforcement

For Security Personnel, HANDCUFFING, 2020 Mürsel Sevindik,2020-04-15 This book covers Handcuffing issues for law enforcement officer The goal is to understand and be able to perform proper techniques of using handcuffs Handcuffs are temporary restraining devices designed to control the movements of a subject Officers may routinely use handcuffs to control restrain and transport persons Restraining devices will be applied properly and in accordance with training received so as to minimize the risk of unnecessary injury The design of handcuffs ensures that the subject s movements are controlled to reduce the risk of injury to the police officer members of the public and the subject himself The most common types of handcuffs used in law enforcement today are the traditional and hinged variety In addition officers also use plastic cuffs in

some situations Handcuffs do not entirely immobilize a suspect Regardless of the type used it is imperative that officers be aware that the police style handcuff is a temporary restraining device and that its proper use and application is crucial for the safety of the officer and subject Topics and techniques presented in this book will be of both great interest and great value to trainers and students of law enforcement *Handcuffing Tactics* David Fowler,2016-06-22 The Handcuffing Tactics TM training program is designed for public safety officers to reduce the potential of injury and liability risk when lawfully restraining and controlling an aggressive subject The tactics and techniques in this training curriculum are for incidents where the public safety officer is lawful and justified in applying a restraining device handcuffs to a subject Handcuffing Tactics TM provides training and education that is designed to empower officers by increasing awareness knowledge and skills in handcuffing techniques control and restraint and defensive tactics strategies For Security Personnel, SOFT EMPTY HAND CONTROL, 2020 Mürsel Sevindik,2020-04-14 This book covers Soft Empty Hand Control issues for law enforcement officer The goal is to demonstrate to officers the understanding of the principles and appropriate use of Soft Empty Hand Control techniques Law Enforcement officers are authorized to use a range of force options to preserve the peace prevent crimes maintain order and apprehend suspects Soft empty hand techniques are the first option of physical response used to restrain a person who is resisting By developing a high degree of proficiency with soft empty hand techniques the officer will be able to respond in a more effective manner with a minimal amount of force A police officer experiences different kinds of adverse situations while performing his her duty Sometimes his her own life may be threatened due to a suspect s actions Therefore it is essential for the officer to know defensive tactics to protect him her and to control adverse situations In modern society police have different responsibilities such as crime investigation providing security crime control etc Therefore the officer must be aware of special tactics by which he she can defend him herself against stabbing grabbing pushing kicking using sharp and dangerous weapons and firearms Within a fraction of a second a police officer must be able to react properly otherwise it may prove to be a fatal situation Every officer must be aware of defensive tactics and should be able to apply them effectively whenever required Topics and techniques presented in this book will be of both great interest and great value to trainers and students of law enforcement
