Executive Summary, Final Report J. David Ramirez,1991 **Deschooling as a Taboo Transgression** Tim Böder,2023-01-20 With the realization of familial deschooling in Germany the so called social movement of the Freilerner transgresses a taboo and is therefore under enormous pressure to justify itself Following on from this the reconstructive study asks what latent structures of meaning underlie the subjective crisis scenarios about the schooling of children and the ideal concepts of parents in the sense giving justification of the family deschooling practice In the course of this three types of the justification for the familial practice of deschooling namely defending charismatizing and escaping are empirically established In this way the study not only makes an empirically based contribution to a more reflective discourse on alternative educational practices but also pushes itself into a taboo zone of school pedagogy and educational research in Germany Because it addresses the school as a historically consolidated but not as an organization without alternatives for learning and educational processes of children and adolescents **Kindergarten Readiness** Nancy Cappelloni,2013 The

hard truth Some kids aren't as ready for kindergarten as others dictated in part by their socioeconomic background and prior learning experiences And unless we can provide the support these kids need early on there's a risk they may never catch up That's where Kindergarten Readiness steps in It's a ready guidebook to help you equip our youngest students for formal schooling Covering everything from involving parents to creating developmentally appropriate curriculum this book will help you Understand the complexities of the transition to kindergarten Implement a successful program of instruction and assessment appropriate for children with various abilities Align your lessons with Common Core kindergarten standards Assess young children's skills and abilities Tailor your program to enrich learning for all students Filled with authentic photos and tools for practice this is one of the rare resources to combine the latest research with immediately useable ideas and professional development support Book jacket **Autism and the Edges of the Known World** Olga

Bogdashina,2011-01-15 Bogdashina explores theories of sensory perception and communication in autism Drawing on linguistics philosophy neuroscience psychology anthropology and quantum mechanics she looks at how the nature of the senses inform an individual's view of the world and how language both reflects and constructs that view **The**

Principalship Frederick C. Lunenburg,Beverly J. Irby,2022-08-04 Today's emphasis on student learning outcomes coupled with federal legislation to that end has placed more demands on the role of the principal than ever before in our nation's history To address the heightened demands for greater accountability for student learning The Principalship uses a learning centered approach one that emphasizes the role of the principal as the steward of the school's vision learning for all The critical aspects of the teaching learning process are addressed here including student motivation individual differences classroom management assessing student learning and developing maintaining and changing school culture In addition several topics not found in other principalship texts are addressed including school safety special education gifted education bilingual education nontraditional organizational structures gender inclusive theories diversity ethics political and policy context human resource management legal issues and collective bargaining The book is documented extensively throughout and grounded in the latest research and theory with suggestions for applying theory to practice reflecting cutting edge research and topical issues facing principals in schools today Building Blocks Betty Dominguez,Joe Dominguez,American

Foundation for the Blind,1991 **Children as Pawns** Timothy A. HACSII,Timothy A Hacsii,2009-06-30 Head Start Bilingual education Small class size Social promotion School funding Virtually every school system in America has had to face these issues over the past thirty years Advocates and dissenters have declared confidently that the research is on their side But is it In the first book to bring together the recent history of educational policy and politics with the research evidence Timothy Hacsii presents the illuminating often forgotten stories of these five controversial topics He sifts through the complicated evaluation research literature and compares the policies that have been adopted to the best evidence about what actually works He lucidly explains what the major studies show what they don't and how they have been misunderstood and

misrepresented Hacsí shows how rarely educational policies are based on solid research evidence and how programs that sound plausible simply do not satisfy the complex needs of real children **Assessing Evaluation Studies** National Research Council, Division of Behavioral and Social Sciences and Education, Commission on Behavioral and Social Sciences and Education, Committee on National Statistics, Panel to Review Evaluation Studies of Bilingual Education, 1992-02-01 Bilingual education has long been the subject of major disagreements in this country This book provides a detailed critique of the two largest studies of U S bilingual education programs It examines the goals of the studies and what can be learned from them In addition using these studies as cases this book provides guidelines on how to plan large evaluation studies to achieve useful answers to major policy questions about education **Encyclopedia of Cross-Cultural School Psychology** Caroline S. Clauss-Ehlers, 2010-02-18 With contributions from leading school psychology practitioners this encyclopedia provides a one of a kind guide to cross cultural school psychology Some 400 entries explore concepts themes and the latest research findings to answer your questions in all aspects of the field Moreover the encyclopedia offers support at all levels of primary and secondary education from pre K to 12th grade Each entry offers a description of a particular term a bibliography and additional readings The editor is widely known for her bi weekly Spanish language columns and her appearances on television and radio as a cross cultural expert *Language Distribution Issues in Bilingual Schooling* Rodolfo Jacobson, Christian Faltis, 1990 The chapters presented in this book examine a number of issues surrounding the distribution of languages used in bilingual teaching They cover bilingual classrooms classroom interaction and technological advances in teaching Two major case studies are also included
