Delectable Delights Daughters of the Utah Pioneers,1991 **Cream** Kia Roberts,2014-11-11 Shaunte was living the good life She turned her business Delectable Delight into a multi million dollar company Unfortunately the busy life of a CEO left her little time to tend to her personal life Her schedule left no room for anyone outside of her clients Shaunte saw the change in herself She had become a person that she didn t even recognize After she had taken care of the situation with her one time best friend Tiffany she became distant Her lackluster demeanor was affecting everyone Larry was confused because he expected Shaunte to come running to him After all he was the one who helped her get rid of Tiffany Barrington was torn As much as he loved Bianca no matter how hard he tried he couldn t get Shaunte off of his mind Miko on the other hand was completely fed up with Shaunte s shenanigans With things beginning to take a turn for the worst in Shaunte s life she became depressed She saw everything slipping away from her grasp It was time for her to focus on what mattered to her the most She needed to find a way to keep Miko from leaving her for good She couldn t stand the thought of raising a child on her own But it was hard for Shaunte to focus on family when she had crossed so many people There was a price on her head She was no longer the one in control Was too much damage done Was it too late for Shaunte to turn things around She had drama coming from every angle She needed to regroup and take back control Would Shaunte be able to avoid the karma that was headed her way or would she fold under pressure
