## **Delighting In The Trinity An Introduction To The Christian Faith:**

**Delighting in the Trinity** Michael Reeves, 2012-07-18 In this brief and winsome book Michael Reeves presents an introduction to the Christian faith that is rooted in the triune God. He takes cues from preachers and teachers down through the ages setting key doctrines of creation, the person and work of Christ and life in the Spirit into a simple framework of the Christian life.

**Delighting in the Trinity** Michael D. Reeves, 2012 Why is God love? Because God is a Trinity. Why can we be saved? Because God is a Trinity. How are we able to live the Christian life? Through the Trinity. In this lively book we find an introduction to Christianity and the Christian life that is from start to finish rooted in our triune God: Father, Son, and Spirit. Not only do we understand the person and work of Christ through the Trinity but also prayer, the church, and every aspect of our faith. With wit and clarity Reeves draws from church history down to the present, referencing a wide range of notable teachers and preachers. Here is a rich and enjoyable portrayal of the basic beliefs of Christianity that opens up the profound and life-changing truths of our faith. Publisher description

*The Joy of the Trinity* Tara-Leigh Cobble, 2024-04-30 It's hard to know a God we don't understand, and it's hard to love a God we don't know. But our God wants to be known and loved, and He's told us a lot about Himself in the pages of His Word, particularly that He is a three-in-one God. Although it is a crucial and classic Christian teaching, understanding the Trinity can be intimidating at first. But it doesn't have to be. Join bestselling author, Bible teacher, and podcaster Tara Leigh Cobble as she walks you through the triune nature of God: God the Father, God the Son, and God the Holy Spirit. As you turn each page, you'll discover a beautiful foundational view of the Trinity that will not only inform how you

relate to God but give you deeper intimacy and greater joy in knowing Him      *The Trouble with the Trinity* Carlos A. Pinkham, 2019-07-26 One God or one with several forms Or maybe two three or perhaps many separate Gods If you seriously study all the Christian religions you will find that each of these possibilities is claimed That is one trouble with the Trinity there are just too many possibilities Which if any is right Which view does the Bible support And if it supports one view how strongly and in exactly what way The Trouble with the Trinity attempts to study every verse in God's Word that links a name for one or more members of the Godhead with a nearby word or concept for God Nearly a thousand verses meet this condition Collating them into logical categories reveals the eight and only eight possible ways and combinations that could help us understand that the Father Son and Holy Spirit is Three in One Moreover when the verses in each of these eight ways are further organized they provide deep insights into the nature of God And when the eight ways are woven together they reveal a startling symbol with relevance to Judaism Christianity Islam geometry and our neural network Furthermore these insights are reinforced through the symbolism of the colors used in the tabernacle when these colors are properly applied to the eight parts of the symbol The book incorporates mathematics and science especially the biological sciences written with plain language into the discussions of the Trinity Some of the proposed connections have never been posited elsewhere It also considers other symbols and icons of the Trinity for their ability to reflect aspects of the Triune Godhead The Trouble with the Trinity is not written for the theologian although it includes a section that presents a theological discussion of the Trinity Rather it is written for those who are curious about or confused by the Trinity For more information and to view Images About the book Appendixes and more as well as contact information please go to <https://www.thetwtt.com> You can also visit the author's Facebook page [https://www.facebook.com/TTWTTrinity/view\\_public\\_for/100820838002256](https://www.facebook.com/TTWTTrinity/view_public_for/100820838002256)

**Relovutionary** Jonathon William King, 2020-09-18 RELOVUTIONARY clearly demonstrates that Jonny King has something of value to say to the church in these days I commend his book to you Jeff Crosby Publisher InterVarsity Press USA PHILOSOPHY FOR TRUE HUMAN FLOURISHING Each person without exception is desperate for flourishing Every individual hungers and aches to live an expression of the good life This compulsion inside is as automatic as it is intuitive This general human longing reflects a common drive for meaning and not just for the Christian Still most intimately know they can't entirely do life their way Whilst the majority readily confess they haven't the sufficient means or even the necessary power After all look at what happens when a global pandemic shuts down life The fact we rarely arrive at contented satisfaction becomes life's own rolling stone Do you have a present vision Are you confident of the process What about any worthwhile or ultimate goal This living challenge becomes even more practically specific for the Christian What if someone asked you for the content of a faithful and fruitful life for Christ What would you say Now factor in these challenging and confronting cultural times How would you reply After all you sincerely love Jesus and passionately want to live for Him which means you're entirely motivated to offer something not only realistic but true But can you The good news is that in your

Steve Dancause, 2020-03-31 How is the one God also three persons How is Jesus fully God and fully human Who in the world should we pray to And why does any of it matter Steve Dancause offers a succinct and profound investigation into how what we think about God as Trinity matters in our faith our work and our love It matters because the walls of our churches are cracking around us We can keep patching things up but it is better to go to the foundation and do the hard digging With the right foundation the structure holds and it stands the test of eternity And it is only in Jesus and the Trinity he reveals to us that we build our lives on solid rock Let's dig down together The Jesus Way Small Books of Radical Faith delve into big questions about God's work in the world These concise practical books are deeply rooted in Anabaptist theology Crafted by a diverse community of internationally renowned scholars pastors and practitioners The Jesus Way series helps readers deepen their faith in Christ and enliven their witness Accessible Jesus-centered theology from an Anabaptist perspective Designed for use by individual readers small groups and Christian education classes Glossary of terms and discussion and reflection questions in each volume      **Time Kills All Things** Ethan Renoe, 2019-10-15 Time kills all things but it also heals all things Somewhere in the midst of those two healing and dying is where this book lives There is healing in the process of dying We get sick we get better but we will inevitably one day die Millions are killed in a genocide but like a gash in your skin the world comes together to heal that wound There is pain and then forgiveness The world is a big place These essays are struggles to explore the way the world works and as a consequence how we should operate within it How do we heal others Ourselves How do we die well How does time make all things beautiful These pieces were written between 2012-2019 with a personal poetic energy which just might help you navigate your own way through this foggy terrarium we call earth      Historical Theology for the Church Jason G. *Exploring Parables in Luke* Cheri L. Pierson,Will Bankston,Marilyn Lewis,2014-11-01 It is no easy task to move from a general proficiency in English to navigating the specialized English so often used in theological resources In addition to linguistic challenges theology students with English as a second language encounter difficult concepts and different ways of thinking In response Exploring Parables in Luke aims to help such students engage with theological literature more effectively Chapter by chapter as students work through the theologically rich explorations of Jesus parables they will grow in their proficiency of both English and theology As a result students will not only have a greater ability to access English language theological libraries but also contribute to them

*Leadership Mosaic* Daniel Montgomery,Jared Kennedy,2016-10-13 There s a leadership crisis in the church Every leadership model claims to have all the answers to the challenges of leadership Each perspective emphasizes certain qualities and we search desperately for answers in the absence of clear direction But there s no simple leadership formula that meets every need we have in life and ministry Challenging the conventional wisdom about what makes for a good leader Daniel Montgomery calls us to a countercultural perspective on leadership rooted in our Creator He presents a new framework for leadership not just a beckoning to further pragmatism relentless productivity or a reactionary cultural fad He helps us see leadership as a mosaic of five characteristics conviction creativity courage collaboration and contemplation reflective of the very image of the triune God Armed with this perspective we will be able to see strive after and celebrate the great and complex vision of leadership God has called us to for the flourishing of our homes churches and workplaces

God is Not Black-and-White Robert Snitko,2017-12-25 There are many differing theological perspectives in the church

today The church is often too quick to tell people they are wrong theologically rather than pursuing a conversation that allows the body of Christ to wrestle with various theological assumptions In *God is Not Black and White* Robert Snitko seeks to disrupt the disunity within a diverse church In a very theological yet practical way this book roots itself in the Apostle s Creed as the foundation for Christianity noting that Christians as a whole ought to agree on the gospel of Christ the Trinity and the incarnation as primary doctrines When it comes to secondary doctrinal issues church history proves that individuals have come to various theological conclusions Perhaps one s theological interpretation comes from presuppositions such as upbringing cultural context life circumstances or even experience Whatever the case may be we need to put an end to division in the church as we seek unity within a theologically diverse church This book urges Christians to have a theological conversation that pursues unity as we seek to love one another in the gospel through restoration healing and reconciliation

**God the Son** Randy Rheume,2018-08-10 John s portrait of Jesus is breathtaking yet bewildering In the first verse he s called God At the climax of the book he s worshiped as Lord and God 20 28 On the other hand he says he can t do a thing without the okay of his Father 5 19 30 How are we to understand this profound yet puzzling figure Uniquely equipped as both a New Testament scholar and engaging pastoral communicator Randy Rheume shows how the contrasts in John s portrait of Jesus especially his deity and his sonship fit together and are meaningful and helpful for the Christian life Is Jesus really God If so what difference does it make How can he be God and yet in submission to God Why didn t he ever say I am God Worship me How does the Son s role differ from the Father s If God is more than one person how do prayer and worship work How can I know God better What will make eternity with God so fun that we ll never get bored Is the Trinity truly biblical And where does the Holy Spirit come into the picture Rheume s exploration probes John s Gospel and provides profound insight into these and related questions

**Gospel Brokenness** Clay Werner,2019-12-13 All of our hearts whether we know it or not long to know the deep joy of possessing and experiencing the permanent and passionate favor of God However all of our hearts also experience the twisted desires of sin and the foolish bent towards trying to deal with it in our own strength which usually means somehow trying to cover it up so others especially God won t see This two step dance of struggling and covering leaves us exhausted and more hardened Everyone who knows Christ knows about this tiring battle However the gospel is so extravagant that even a king like David who sinned and tried to hide it can find immeasurable and unexpected grace that restores spiritual vitality and makes one a wise counselor of mercy to the surrounding community Everyone who knows Christ also has this hope and is invited to experience again the superabundant grace found in this remarkably rich section of the Psalms This book invites you to step into a new gospel rhythm by exploring Saint Augustine s favorite psalm Psalm 32 By exploring this psalm you ll find the healing grace found in gospel brokenness

**Marriage** Curt Hamner,John Trent,Rebekah J. Byrd,Eric L. Johnson,Erik Thoennes,2018-11-06 Never has the sacred covenant of marriage been more maligned than it is today It can be difficult to know how to respond to a culture that is becoming more and more

antagonistic to biblical beliefs about marriage And this is a topic worth getting right Marriage was given to us as a picture of the triune God in relationship with his people which means what we believe about marriage is indissolubly tied to what we believe about God and his creating and saving purposes Therefore it is more important now than ever that we think theologically and carefully about what marriage is and how we live faithfully in it Marriage Its Foundation Theology and Mission in a Changing World is the much needed work on marriage for this generation and the next Rooted in a scriptural understanding of marriage it thoughtfully engages the issues surrounding marriage being debated today and lays the groundwork for the crucial conversations of our day Each section contains chapters from trusted theologians as well as experienced practitioners who work with couples daily Rediscover the beauty of God s design for marriage and be strengthened to stand firm amidst any challenges the world may bring     Theology and the Mirror of Scripture Kevin J. Vanhoozer, Daniel J. Treier, 2015-12-09 In this inaugural volume in the Studies in Christian Doctrine and Scripture Daniel J. Treier and Kevin J. Vanhoozer set forth a programmatic proposal for evangelical theology rooted in the claim that the church s vocation is to mirror the witness of Scripture in its doctrine and discipleship     **Praying Together** Megan Hill, 2016-04-14 Nearly all Christians would affirm the centrality of prayer for a healthy Christian life And yet for many prayer is often a challenge requiring intense personal commitment and self discipline However as Megan Hill points out in Praying Together our normal approach to prayer leaves out a crucial component other people While personal prayer is important God designed the church to be a community of believers who regularly pray together Exploring the Bible s rich teaching on what it means to gather at God s throne with one voice Hill lays a theological foundation for corporate prayer and offers practical guidance for making it a reality in our families churches and communities
