

Delinquency And Crime

Donald R. Cressey, David A. Ward

Delinquency And Crime:

Juvenile Delinquency Donald J. Shoemaker, 2013-03-08 Juvenile Delinquency offers a timely and comprehensive look at the issues of criminal behavior and justice related to young persons In this highly accessible text Donald J Shoemaker grounds his readers with a historical perspective and the sociological parameters of delinquency then presents a series of sharply focused chapters on schooling religion and family as well as sections on drug use gangs and female delinquency This new edition provides the reader with revised examples and updated statistics on crime and youth enhanced coverage of female delinquency and gangs as well as revised material on treatment and intervention programs It also features summaries and study questions at the end of each chapter With a strong emphasis on the importance of theory and practice Juvenile Delinquency is a must read for understanding crime and youth culture

Delinquency and Crime J. David Hawkins, 1996-03-29 Why is crime persistent over generations within families and within certain individuals Is crime the manifestation of an inherited latent trait or the result of a failure of socialization and norm setting processes Why do youths commit crimes Delinquency and Crime contains essays by nine leading criminologists that seek to answer these and other questions by describing current theories of crime and the research evidence that supports them The authors views on crime causation go beyond traditional criminological theories of strain cultural deviance social control differential association and social learning to present emerging and integrated models of the origins of crime including antisocial peer socialization social development interactional theory behavior genetics and community determinants Each essay explores the practical implication of the authors theoretical work for crime prevention and control

Theories of Delinquency Donald J. Shoemaker, 1996 Theories of Delinquency provides a comprehensive survey of major theoretical approaches to the understanding of delinquent behavior It includes discussions of individualistic and sociological theories as well as examinations of classical theory female delinquency and theoretical integration

Delinquency and Juvenile Justice in American Society Randall G. Shelden, 2011-08-08 Extensively revised the second edition blends theory research and applications into a superb overview of the complex issues surrounding juvenile delinquency and societys attempts to address juvenile crime After providing an excellent historical foundation Shelden presents the theories essential to understanding crime and delinquency He then explores the system and its effects on juveniles and society including comprehensive coverage of female delinquency The social legal and political influences on how the public perceives juveniles and the inequality in U S society that affects families communities and schools are highlighted throughout the book The concluding chapter looks at solutions that have worked and identifies trends in treating juvenile delinquency The authors almost four decades of teaching about and researching juveniles and the system make him eminently qualified to offer readers the tools necessary to think critically about delinquency and to evaluate the policies enacted to manage the juveniles who violate the laws Delinquency and Juvenile Justice in American Society 2 E provides affordable up to date easily accessible and thorough

analysis of a significant topic Causes of Delinquency Travis Hirschi, 2017-07-28 In *Causes of Delinquency* Hirschi attempts to state and test a theory of delinquency seeing in the delinquent a person relatively free of the intimate attachments the aspirations and the moral beliefs that bind most people to a life within the law In prominent alternative theories the delinquent appears either as a frustrated striver forced into delinquency by his acceptance of the goals common to us all or as an innocent foreigner attempting to obey the rules of a society that is not in position to make the law or define conduct as good or evil Hirschi analyzes a large body of data on delinquency collected in Western Contra Costa County California contrasting throughout the assumptions of the strain control and cultural deviance theories He outlines the assumptions of these theories and discusses the logical and empirical difficulties attributed to each of them Then draws from sources an outline of social control theory the theory that informs the subsequent analysis and which is advocated here Often listed as a Citation Classic *Causes of Delinquency* retains its force and cogency with age It is an important volume and a necessary addition to the libraries of sociologists criminologists scholars and students in the area of delinquency **The Handbook of Juvenile Delinquency and Juvenile Justice** Marvin D. Krohn, Jodi Lane, 2015-04-27 This handbook is an up to date examination of advances in the fields of juvenile delinquency and juvenile justice that includes interdisciplinary perspectives from leading scholars and practitioners Examines advances in the fields of juvenile delinquency and juvenile justice with interdisciplinary perspectives from leading scholars and practitioners Provides a current state of both fields while also assessing where they have been and defining where they should go in years to come Addresses developments in theory research and policy as well as cultural changes and legal shifts Contains summaries of juvenile justice trends from around the world including the US the Netherlands Brazil Russia India South Africa and China Covers central issues in the scholarly literature such as social learning theories opportunity theories criminal processing labeling and deterrence gangs and crime community based sanctions and reentry victimization and fear of crime *Task Force Report: Juvenile Delinquency and Youth Crime* United States. Task Force on Juvenile Delinquency, 1967 A socio economic analysis of juvenile delinquency that is critical of society's approach to juvenile crime responds with recommendations and principles for change Efforts to modernize the juvenile court system and the general attitude of the public sector toward youth crime are discussed To teach the youthful offenders involvement in community life the public and private sectors of the population must respond to youthful needs Emphasis is placed on the following areas for changes in attitude and approach of responsible individuals public officials community and social agencies teachers and potential employers Greatest emphasis is placed on juvenile justice system personnel ranging from the police to the judge The Gault decision is discussed as a viable vehicle for giving perspective to future programs and priorities That a revitalized juvenile court system is needed is a logical conclusion Predicting delinquency and crime Sheldon Glueck, 1960 Delinquency and Juvenile Justice in American Society Randall G. Sheldon, Emily I. Troshynski, 2019-07-16 What is delinquency What are the pathways to offending What prevention

strategies exist To understand delinquency we need to overcome stereotypical thinking and implicit biases This engaging affordable text explores the impact of gendered racial and class attitudes on decisions to arrest detain adjudicate and place youths in the juvenile justice system Sheldon and Troshynski highlight the social legal and political influences on how the public perceives juveniles They look at the influences of family and schools on delinquency as well as the impact of gender trauma and mental health issues Discussions of topics such as the school to prison pipeline disproportionate minority contact and inequality provide a nuanced perspective on delinquency a critical examination of social policies intended to control delinquency and the populations most likely to enter the juvenile justice system The authors also examine the dramatically declining juvenile crime rate and advances in neuroscience that have fostered substantive reforms These alternatives to confinement are replacing the institutions that have repeatedly produced failure with rehabilitative programs that offer hope for a more promising future

Juvenile Delinquency Tom D. Kennedy, David Detullio, Danielle H. Millen, 2020-03-25 This brief explores the current theories trends risk factors and intervention efforts related to juvenile crime Although arrest rates for juveniles in the US have declined over the last two decades the amount of severe crimes warrants increased examination as the US reports higher rates than most other developed countries The authors examine individual family and environmental risk and protective factors for juvenile crime while considering the need for better integration of treatment into critically at risk areas of the community Covering notable topics of interest for researchers and public policy makers alike this brief provides an overview of factors and trends related to juvenile crime aiming to support more effective evidence based treatment and prevention

Developmental Theories of Crime and Delinquency Terence Thornberry, 2018-02-06 In *Developmental Theories of Crime and Delinquency* Terence P Thornberry and his contributors show that criminal behavior is not a static human attribute but ebbs and flows over the life course of the individual Criminal behavior tends to follow a distinct psychological pattern It is relatively uncommon during childhood is initiated by most offenders during adolescence flourishes during late adolescence and early adulthood and usually diminishes or disappears by the mid twenties This pattern is not characteristic of all people some never commit crimes and others become career criminals but it is a general description of the developmental pattern of criminal offenders This pattern has profound implications for theories of crime and delinquency Not only does it explain initiation into maintenance of and desistance from involvement in crime it offers insight into why crime flourishes during adolescence Traditional theories of crime and delinquency have often failed to distinguish among different phases of criminal careers They tend to ignore developmental changes that occur across a person's life course changes that coincide with and can explain the causes and patterns of criminal behavior This paperback edition of the seventh volume of the distinguished series *Advances in Criminological Theory* moves us from static identifications of the criminal by presenting a broad range of developmental explanations of crime Each contributor articulates a developmental or life course perspective in explaining how people become involved in delinquency and crime

Each covers a wide range of theoretical territory and reveals how a developmental perspective enhances the explanatory power of traditional theories of crime and delinquency This volume is an invaluable tool for criminologists sociologists psychologists and other professionals seeking to teach how crime and violence can be understood in our culture **Crime and Delinquency** Carl A. Bersani,1970 **Delinquency, Crime, and Social Process** Donald R. Cressey, David A. Ward,1969 **Delinquency and Society** James F. Short,1990 *From Juvenile Delinquency to Adult Crime* Rolf Loeber,David P. Farrington,2012-06-21 What makes a juvenile delinquent develop into an adult criminal Edited by two leading authorities in the fields of psychology and criminology this title examines why the period of transition to adulthood is important and how it can be better understood and addressed both inside and outside of the justice system **Juvenile Delinquency and Delinquents** James F. Short,Lorine A. Hughes,2008 This volume presents a brief introduction to juvenile delinquency and juvenile delinquents Juvenile delinquency refers to children who act against the law The authors present information on the historical contexts of juvenile delinquency the evolution of the juvenile court system using data to measure different aspects of juvenile delinquency how wide spread juvenile delinquency is in our communities various theories and explanations of juvenile delinquency ways that society tries to control juvenile delinquency and the prognosis of controlling juvenile delinquency in the future **Juvenile Delinquency** Robert C. Trojanowicz,Merry Morash,Pamela J. Schram,2001 For undergraduate graduate level courses in Juvenile Justice This book provides a multidisciplinary overview of the juvenile delinquency problem its major theories and the complex processes involved in its causation prevention control and treatment Juvenile Crime, Juvenile Justice Institute of Medicine,National Research Council,Commission on Behavioral and Social Sciences and Education,Board on Children, Youth, and Families,Committee on Law and Justice,Panel on Juvenile Crime: Prevention, Treatment, and Control,2001-07-05 Even though youth crime rates have fallen since the mid 1990s public fear and political rhetoric over the issue have heightened The Columbine shootings and other sensational incidents add to the furor Often overlooked are the underlying problems of child poverty social disadvantage and the pitfalls inherent to adolescent decisionmaking that contribute to youth crime From a policy standpoint adolescent offenders are caught in the crossfire between nurturance of youth and punishment of criminals between rehabilitation and get tough pronouncements In the midst of this emotional debate the National Research Council s Panel on Juvenile Crime steps forward with an authoritative review of the best available data and analysis Juvenile Crime Juvenile Justice presents recommendations for addressing the many aspects of America s youth crime problem This timely release discusses patterns and trends in crimes by children and adolescents trends revealed by arrest data victim reports and other sources youth crime within general crime and race and sex disparities The book explores desistance the probability that delinquency or criminal activities decrease with age and evaluates different approaches to predicting future crime rates Why do young people turn to delinquency Juvenile Crime Juvenile Justice presents what we know and what we urgently need to find out about contributing

factors ranging from prenatal care differences in temperament and family influences to the role of peer relationships the impact of the school policies toward delinquency and the broader influences of the neighborhood and community Equally important this book examines a range of solutions Prevention and intervention efforts directed to individuals peer groups and families as well as day care school and community based initiatives Intervention within the juvenile justice system Role of the police Processing and detention of youth offenders Transferring youths to the adult judicial system Residential placement of juveniles The book includes background on the American juvenile court system useful comparisons with the juvenile justice systems of other nations and other important information for assessing this problem **Handbook on Crime and**

Delinquency Prevention Elmer Hubert Johnson, 1987-04-21 The Handbook clearly points out that although the literature on crime prevention is voluminous the social conditions that invoke criminality are resistant to social change The articles repeatedly demand a critical evaluation of prevention theories and programs and call for accountability within the crime prevention profession The collection will serve as a valuable resource for policymakers and practitioners as well as for academics The volume includes an excellent directory of crime delinquency prevention organizations and a supplementary bibliography Choice In recent years the idea of prevention as a means of controlling crime has gained unprecedented popularity Advocates of crime prevention frequently see its proactive nature to be superior to the reactive stance of typical law enforcement Yet major questions continue to arise about what prevention is how it can be carried out to whom it should be directed and where it can best be implemented Elmer E Johnson has drawn together a variety of perspectives in an effort to provide an integrated analysis of fundamental concepts relating to the preventive approach Delinquency and Youth Crime Gary F. Jensen, Dean G. Rojek, 1992

Uncover the mysteries within is enigmatic creation, **Delinquency And Crime** . This downloadable ebook, shrouded in suspense, is available in a PDF format (PDF Size: *). Dive into a world of uncertainty and anticipation. Download now to unravel the secrets hidden within the pages.
