American Crossroads Jesse Wisnewski, 2011-08-25 Should Christians be concerned with faith and evangelism and not political affairs In answering this question American Crossroads provides a thought provoking look at what it means to submit to the governing authorities of the United States of America Just as God called for Christians to submit to the Roman government that forced its will upon the people Rom 13 1 so too is God calling for us to submit to the existing form of government in the United States a government that lives and thrives upon the will and involvement of people Today by submitting to the government Christian citizens are led to influence the American political process that depends upon the involvement of all citizens for its well being and survival

A Follower of Christ Robert Ball, 2019-12-18 Over the last 20 years it has become chic to use the term follower of Christ I have heard pastors stand in the pulpit and ask people to raise their hands if they want to be a follower of Christ All across the room hands go up Those hands are then summarily counted as converts to the Christian faith

Daniel and Esther John F. MacArthur, 2016-06-14 Many of God's people through the ages have been called to endure times of hardship loneliness and suffering Some such as Daniel and Esther were even members of a race carried away to a foreign land that had never heard of the God of Israel Their lives were not easy but even in the midst of trials these men and women discovered that God was with them and that He was actively leading the events in their lives In this study pastor John MacArthur will guide you through an in depth look at the historical period of Israel's exile beginning with the prophet Daniel being carried off to Babylon continuing through the rise of the Persian Empire and concluding with Esther's reign as queen Studies include close up examinations of Daniel Nebuchadnezzar Esther Haman and others as well as careful considerations of doctrinal themes such as Standing Boldly for God and God's Sovereignty Over the Future

1 Kings 12 to 22 John F. MacArthur, 2016-05-31 Under King Solomon the Israelites had been a united people but that all changed when his foolish son Rehoboam came to power In the days that followed the nation divided into two separate kingdoms The reigns of these kings were turbulent marked by a succession of ungodly monarchs in conflict with the Lord's

prophets Among these rulers perhaps none stood out more than Ahab and Jezebel who not only led the northern nation of Israel into idolatry but actually conspired to murder a man simply because they wanted his garden In this study pastor John MacArthur will guide you through an in depth look at this historical period beginning with the split between Judah and Israel continuing into the remarkable events that occurred during the prophet Elijah s ministry and concluding with the death of the ungodly King Ahab Studies include close up examinations of Elijah Ahab Jezebel Asa and others as well as careful considerations of doctrinal themes such as the Sin of Syncretism and Being Faithful to God s Word ABOUT THE SERIES The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John MacArthur Each guide provides intriguing examinations of the whole of Scripture by examining its parts and incorporates Extensive but straight forward commentary on the text Detailed observations on overriding themes timelines history and context Word and phrase studies to help you unlock the broader meaning and apply it to your life Probing interactive questions with plenty of space to write down your response and thoughts Job John F. MacArthur,2020-11-17 The events that occur in the book of Job present readers with a profound question Why do the righteous suffer Although a direct answer to this question seems important the book of Job does not set forth such a response Job never learned the reasons for his suffering In fact when God finally confronted Job he could only put his hand over his mouth and say nothing His silence underscores the importance of trusting God s purposes in the midst of suffering because suffering like all other human experiences is directed by perfect divine wisdom In this study pastor John MacArthur will guide you through an in depth look at the defining themes and interpretative challenges in Job Studies include close up examinations of doctrinal themes such as God s Justice and A Discourse on Human Frailty ABOUT THE SERIES The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John MacArthur Each guide provides intriguing examinations of the whole of Scripture by examining its parts and incorporates Extensive but straight forward commentary on the text Detailed observations on overriding themes timelines history and context Word and phrase studies to help you unlock the broader meaning and apply it to your life Probing interactive questions with plenty of space to write down your response and thoughts **1 Kings 1 to 11, Proverbs, and Ecclesiastes** John F. MacArthur,2016-03-29 Solomon is known as the wisest man who ever lived His writings in the Old Testament range from practical pithy proverbs to beautiful romantic poetry and all are filled with his knowledge and insights Yet behind those writings stood a flawed man who was conflicted between deep wisdom and tragic folly Sadly the king who warned against so many sins did not follow his own advice and he wound up leading Israel into idolatry Nevertheless his life and writings provide valuable lessons for us today in the twenty first century In this study pastor John MacArthur will guide you through an in depth look at the historical period beginning with Solomon s ascent to the throne and continuing through his tragic end Studies include close up examinations of the vital importance of wisdom with portraits of the wise woman the foolish

sluggard and others in the book of Proverbs and careful considerations of doctrinal themes such as True Wisdom from God and A Time for Everything ABOUT THE SERIES The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John MacArthur Each guide provides intriguing examinations of the whole of Scripture by examining its parts and incorporates Extensive but straight forward commentary on the text Detailed observations on overriding themes timelines history and context Word and phrase studies to help you unlock the broader meaning and apply it to your life Probing interactive questions with plenty of space to write down your response and thoughts
