hermeneutics are inseparable and converge in the character of Daniel Second is the standpoint that the Book of Daniel on the whole should be read as a hermeneutics textbook Readers are led through a series of theories and exercises meant to be instilled into their theological intellectual and practical lives Attention to the reader of the text is a constant theme throughout this thesis The author's concern is primarily with contemporary readers and their communities and so greater emphasis is placed on what the Book of Daniel means for contemporary readers than on what it meant in its historical setting However sensible consideration is given to the historical readerly community with which contemporary readers find continuity In the end readers are left with difficult challenges a sobering awareness of the volatility of the business of hermeneutics and serious implications for readers to implement both theologically and hermeneutically

*The All-Encompassing Return of Christ* Michael Carpenter, 2024-07-16 The All Encompassing Return of Christ brings fresh perspective to age old debates surrounding Christ's return The return of Christ is a topic of fervent debate within the Christian Church Although orthodox Christians agree Christ will return the specifics are confusing and laden with controversy These divergences can be attributed to differences in biblical presuppositions and interpretative principles One pivotal point of contention is the interpretation of the millennium in Revelation chapter 20 The All Encompassing Return of

Christ presents the amillennialism view as the proper understanding of that chapter asserting that end times are a singular event While there are multiple events associated with Christ s return they all occur around the time of His second coming This work provides an insightful introduction to amillennialism addressing prevalent objections particularly those arising from the dispensational perspective [Living with the Lions](#) Jeremy Shaffer,2015-06-08 Living with the lions sounds like a daunting task especially when we realize that for most of us it becomes a lifelong journey But dont let discouragement get the best of you This is the very point at which the book of Daniel shines brightest When we study Daniel chapters one through six we uncover six essential truths one in each chapter From these six truths we form six principles that teach us the right way to respond when the lions challenge us **A Change of Affection** Becket Cook,2019-07-30 The powerful dramatic story of how a successful Hollywood set designer whose identity was deeply rooted in his homosexuality came to be suddenly and utterly transformed by the power of the gospel When Becket Cook moved from Dallas to Los Angeles after college he discovered a socially progressive liberal town that embraced not only his creative side but also his homosexuality He devoted his time to growing his career as a successful set designer and to finding the one man who would fill his heart As a gay man in the entertainment industry Cook centered his life around celebrity filled Hollywood parties and traveled to society hot spots around the world until a chance encounter with a pastor at an LA coffee shop one morning changed everything In A Change of Affection Becket Cook shares his testimony as someone who was transformed by the power of the gospel Cook s dramatic conversion to Christianity and subsequent seminary training inform his views on homosexuality personally biblically theologically and culturally and in his new book he educates Christians on how to better understand this complex and controversial issue while revealing how to lovingly engage with those who disagree A Change of Affection is a timely and indispensable resource for anyone who desires to understand more fully one of the most common and difficult stumbling blocks to faithfully following Christ today **Romans (Word and Spirit Commentary on the New Testament)** Sam Storms,2024-10-29 The Spirit who inspired the authors of the New Testament is at work today around the globe as evidenced by the explosive growth of pentecostal charismatic and renewalism movements the number of adherents is now estimated at more than half a billion There is a clear need for a balanced affordable and accessible commentary series aimed at Christians who identify as Spirit filled The Word and Spirit Commentary on the New Testament series emphasizes how we listen alongside ancient audiences for the Spirit s voice in our time and contexts Commentaries are written by pastorally sensitive biblical scholars from the Spirit filled tradition Series editors are Holly Beers Westmont College and Craig S Keener Asbury Theological Seminary In Romans pastor scholar and speaker Sam Storms demonstrates the inseparable bond between Word and Spirit awakening the pentecostal charismatic world to the functional authority of the Bible and the evangelical world to the presence and power of the Holy Spirit Images illustrations and sidebars on Pentecostal charismatic revival history or insights are included *The Beauty and Glory of the Christian Worldview* Joel R. Beeke,2017-06-14 I once was

blind but now I see is the glad confession of the Christian's heart. However, what is it that a Christian now sees that so transforms his life? It is the Christian worldview. This is not an abstract philosophy so much as biblical doctrine for life. The Word of God establishes God-centered thinking, engages faithful living, and energizes ardent feeling for the kingdom of Christ in this world and the world to come. In this volume, several pastors and theologians band together to explore aspects of the Christian worldview such as God's Trinity, supremacy, and loving sovereignty over all of life; the Christian's identity in Christ; sexuality and sufferings; and the Christian life as both earthly mission and heavenly pilgrimage. Contributors include Derek Thomas, Michael Barrett, Joel Beeke, Paul Smalley, Mark Kelderman, Brian Cosby, Charles Barrett, and Gerald Bilkes.

**Register Variation in the New Testament Petrine Texts** Chiaen Liu, 2022-02-07 This book examines the nature of the early church from a Petrine perspective, employing an analysis of register to implement a more synthetic study of relevant texts in the New Testament. Liu utilizes a type of discourse analysis that provides a framework for classifying grammatical and lexical information so that the reader can better understand the social function of not only Peter's speeches in Acts but also the two epistles attributed to him. Liu's original and detailed study looks at the content and structure of the texts to enhance our understanding of the early church, with particular attention paid to the dichotomy between Petrine and Pauline Christianity and their competing pictures of Christian origins. This book will interest all scholars and students who wish to extend their understanding of both the historical and literary Peter.

*The Local Church* Edward Klink, 2021-10-27 How God Ministers to His People and the World through the Local Church. The church is more than coffee with friends; it's a meaningful gathering of Christians that involves fellowship and growing in biblical truth. Given the rise of the internet and the availability of streaming church services, many ministry leaders and church members are asking questions about the purpose and mission of the local church. What is the church? Why does the church exist? How does the church function? What is the connection between the Christian and the church? Pastor and trusted scholar Edward Klink III addresses these questions and more with a thoughtful assessment of what the Bible has to say about God's intention for the local church body. Klink stresses its importance as God's way of revealing his presence, displaying his power, fulfilling his purposes, and manifesting his activity in the world. In today's hyperindividualized culture, this book not only demonstrates why it's vital for individuals to connect to a local church but also reveals why it's vital to God's work in the world.

**The Real Royal Family** James E. Schultz,2021-03-26 God made human beings in his image and that is what makes us so valuable Yet there are vastly different ideas of what the image means and

how sin affects the image and each of those ideas impacts the claim that the image grounds human value. People have treated one another in either horrible or wonderful ways based on their theologies of the image. This book examines the logical implications of various image doctrines in the real world. Also in Genesis 1:26-27 the image of God is closely tied to the first stated purposes of human life in Genesis 1:28. Yet such practical purposes seem remote from the private spirituality of the gospel story often heard in churches. To live out our part in God's creation project we need to understand the image of God within the unfolding story. Scripture narrates from creation to new creation. This book builds a theology of the image of God by situating it firmly in the biblical narrative, harnessing the insights of biblical theology and conversing with theologians past and present to form a coherent story of God, his children, and his creation in this age and the age to come.
