Daniel Bryan Yes :

Yes Daniel Bryan, Craig Tello, 2015-07-21 One of the most popular WWE champions tells his behind the scenes story for the first time **Summary of Daniel Bryan & Craig Tello's Yes** Everest Media, 2022-05-22T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The test I took involved reading many different statements and then indicating if the statement was true or false I scored low in all the primary markers except one learning approach for which I was in the eighth percentile I seemed to have no drive few social skills and an inherent apathy toward most of the ideas our modern business culture seems to find so important 2 I was very quiet as a child I spent a lot of time on my own because I wasn't overly social which is essentially the same as now I had a tendency to follow my older sister Billie Sue around everywhere *Performance and Professional Wrestling* Broderick Chow, Eero Laine, Claire Warden, 2016-08-12 Performance and Professional Wrestling is the first edited volume to consider professional wrestling explicitly from the vantage point of theatre and performance studies Moving beyond simply noting its performative qualities or reading it via other performance genres this collection of essays offers a complete critical reassessment of the popular sport Topics such as the suspension of disbelief simulation silence and speech physical culture and the performance of pain within the squared circle are explored in relation to professional wrestling with work by both scholars and practitioners grouped into seven short sections Audience Circulation Lucha Gender Queerness Bodies Race A significant re-reading of wrestling as a performing art Performance and Professional Wrestling makes essential reading for scholars and students intrigued by this uniquely theatrical sport **Development Hell: The NXT Story** Michael Sidgwick, 2017-03-08 Development Hell The NXT Story penned by former Power Slam scribe and WhatCulture.com's own Michael Sidgwick chronicles the history of WWE's NXT brand NXT has drew universal critical acclaim for its fan service fusion of old school booking philosophies and progressive body of in-ring work but the road to critical acclaim was arduous When WWE destroyed its territorial and mainstream competition the monolith had also annihilated the talent pool Replenishing it was an unenviable task made all the more difficult by a blasé and counterproductive attitude and a curiously myopic direction All of which is documented in a book covering the inauspicious beginnings of the dusty Stamford Farm warehouse and the murmurings of Memphis Power Pro the halcyon days of Ohio Valley Wrestling the infamous disaster of Deep South Wrestling and the literal lunacy that was Florida Championship Wrestling The roots of the triumph that was NXT were toxic *We Are Mayhem* Beck Rourke-Mooney, 2024-03-19 Filled with messy complicated characters We Are Mayhem is a debut YA novel about finding your strength embracing your weird and being who you truly are no matter what When Birdie's parents move the family from their gated New Jersey community to the Catskills Birdie thinks life as she knows it is once again just like it was when she quit gymnastics completely over But when Birdie's friends ditch her during a dare gone wrong she finds herself staring down the barrel of a shotgun wielded by Mad Mabel the Mother of Mayhem and Birdie strikes a deal with Mabel to work off her crime

Abigail Rose Mabel's granddaughter is convinced that Birdie whose big strong arms have always felt like the bane of her existence is destined to help pull her family's male dominated indie wrestling promotion in a more feminist direction With no way to return to or escape her past and no clear course into her future Birdie has to find a way to somehow make her new town a home But if Birdie is going to be the future of Mayhem she first has to find a way to embrace who she is no matter the cost
