*Setting the Table* Danny Meyer, 2006-10-03 In October 1985 at age twenty seven Danny Meyer with a good idea and scant experience opened what would become one of New York City's most revered restaurants Union Square Cafe Little more than twenty years later Danny is the CEO of one of the world's most dynamic restaurant organizations which includes eleven unique dining establishments each at the top of its game How has he done it How has he consistently beaten the odds and set the competitive bar in one of the toughest trades around In this landmark book Danny shares the lessons he's learned while developing the winning recipe for doing the business he calls enlightened hospitality This innovative philosophy emphasizes putting the power of hospitality to work in a new and counterintuitive way The first and most important application of hospitality is to the people who work for you and then in descending order of priority to the guests the community the suppliers and the investors This way of prioritizing stands the more traditional business models on their heads but Danny considers it the foundation of every success that he and his restaurants have achieved Some of Danny's other insights Hospitality is present when something happens for you It is absent when something happens to you These two simple concepts for and to express it all Context context context trumps the outdated location location location Shared ownership develops when guests talk about a restaurant as if it's theirs That sense of affiliation builds trust and invariably leads to repeat business Err on the side of generosity You get more by first giving more Wherever your center lies know it name it believe in it When you cede your core values to someone else it's time to quit Full of behind the scenes history on the creation of Danny's most famous restaurants and the anecdotes advice and lessons he has accumulated on his long and ecstatic journey to the top of the American restaurant scene *Setting the Table* is a treasure trove of innovative insights that are applicable to any business or organization

**Indulge Your Senses** Michael Dorf, Paul Keegan, 2019-10-08

Simply put, Michael Dorf is a true hustler. When the internet upended the music business, he wasn't romantic to the way things were done and like any great entrepreneur focused on what's happening today. It has been fun for me to watch Michael operate in this ever-changing world. There is a lot that can be learned from this man. Gary Vaynerchuk, Founder and CEO, VaynerMedia and author *Crushing It*. As founder of the iconic Knitting Factory music venue in New York, Michael Dorf became one of the earliest pioneers of digital music in the 1990s and found himself addicted to the seductive promise of the Internet. But losing everything in the dot-com bust led to a renewed appreciation for the sensory pleasures of life and inspired him to gamble big with his latest crazy idea: Launching a wine-making facility in the middle of Manhattan for patrons who could also have dinner in a cozy three-hundred-seat venue while watching concerts by artists such as Elvis Costello, Steve Earle, Suzanne Vega, and Esperanza Spalding. After surviving another economic cataclysm, the Great Recession of 2008, Dorf found that his City Winery concept worked beautifully and he expanded it into a national network of clubs that continues to grow rapidly. Along the way, he realized why his venues are sold out nearly every night from Boston to Nashville. Trapped in a digital bubble increasingly separate from the real world, people are eager for the visceral sensory experiences he offers. In *Indulge Your Senses: Scaling Intimacy in a Digital World*, Dorf tells riveting tales from his wild ride through three decades of business escapades and dispenses invaluable wisdom for readers: entrepreneurs, executives, students, professionals, lovers of music and wine, who are struggling to balance the virtual and the real in a world awash in technology. Music, wine, food, and community not only has Michael Dorf cracked the code on a recipe so many of us crave; most in an increasingly disconnected world, he's also managed to grow a brilliantly successful business while listening to his gut and sticking to his values. It's a feat that all entrepreneurs would be wise to study closely. Danny Meyer, CEO, Union Square Hospitality Group, Founder, Shake Shack, and author *Setting the Table: The Transforming Power of Hospitality in Business*. The lessons learned in Michael Dorf's fascinating career make this as much a business book about how to thrive by indulging a customer's senses in our digital age as it is a gripping tale from an insider in the New York rock and jazz world during a period of massive technological change. Steve

Case co founder of the investment firm Revolution LLC and former CEO of AOL Sonic Youth Beck John Zorn Cecil Taylor Michael Dorf showcased them all at his cutting edge Knitting Factory Neil Young Aaron Neville Macy Gray Shawn Colvin those artists and more have graced his upscale City Winery It s hard to imagine anyone in New York who has presented more great live music over the past thirty years This book is the colorful story of how Dorf pulled it off both before and after the Internet upended the music industry and changed our lives forever It s inspiring reading for anybody who cares about music culture and wine and explains how to thrive by offering people a live experience they will always remember Rita Houston WFUV Program Director
