Dante A Brief History

Peter S. Hawkins

Dante A Brief History:

Dante Peter S. Hawkins, 2006-09-29 For over seven centuries Dante and his masterpiece *The Divine Comedy* have held a special place in Western culture. The poem is at once a vivid journey through hell to heaven, a poignant love story, and a picture of humanity's relationship to God. It is so richly imaginative that a first reading can be bewildering. In response, Peter Hawkins has written an inspiring introduction to the poet, his greatest work, and its abiding influence. His knowledge of Dante and enthusiasm for his vision make him an expert guide for the willing reader. *Dante: A Very Short Introduction* Peter Hainsworth, David Robey, 2015-02-26 In this *Very Short Introduction*, Peter Hainsworth and David Robey take a different approach to Dante by examining the main themes and issues that run through all of his work, ranging from autobiography to understanding God and the order of the universe. In doing so, they highlight what has made Dante a vital point of reference for modern writers and readers, both inside and outside Italy. They emphasize the distinctive and dynamic interplay in Dante's writing between argument, ideas, and analysis on the one hand, and poetic imagination on the other. Dante was highly concerned with the political and intellectual issues of his time, demonstrated most powerfully in his notorious work *The Divine Comedy*. Tracing the tension between the medieval and modern aspects, Hainsworth and Robey provide a clear insight into the meaning of this masterpiece of world literature. They highlight key figures and episodes in the poem, bringing out the originality and power of Dante's writing to help readers understand the problems that Dante wanted his audience to confront, but often left up to the reader to resolve. ABOUT THE SERIES The *Very Short Introductions* series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable. **The Oxford Handbook of Dante** Manuele Gragnolati, Elena Lombardi, Francesca Southerden, 2021 Offers an original and innovative assessment of Dante's oeuvre and the medieval context. Provides critical tools for approaching Dante and medieval culture. Engages with the multifaceted character of Dante and his works. Brings together a plurality of voices from different countries, disciplines, and traditions. Book jacket **Dante's British Public** Nick Havely, 2014-07-24 This is the first account of Dante's reception in English to address the full chronological span of that process. Individual authors and periods have been studied before, but *Dante's British Public* takes a wider and longer view, using a selection of vivid and detailed case studies to record and place in context some of the wider conversations about and appropriations of Dante that developed in Britain across more than six centuries, as access to his work extended and diversified. Much of the evidence is based on previously unpublished material, in for example letters, journals, annotations, and inventories, and is drawn from archives in the UK and across the world, from Milan to Mumbai and from Berlin to Cape Town. Throughout, the role of Anglo-Italian cultural contacts and intermediaries in shaping the public understanding of Dante in Britain is given prominence, from clerics and merchants around Chaucer's time, through itinerant scholars, collectors, and

tourists in the early modern period to the exiles and expatriates of the nineteenth and twentieth centuries The final chapter brings the story up to the present showing how the poet's work has been seen from the fourteenth century onwards as accessible to the many and demonstrating some of the means by which Dante has reached a yet wider British public over the past century particularly through translation illustration and various forms of performance [Dante](#) John Took,2021-12-14 For all that has been written about the author of the Divine Comedy Dante Alighieri 1265-1321 remains the best guide to his own life and work Dante's writings are therefore never far away in this authoritative and comprehensive intellectual biography which offers a fresh account of the medieval Florentine poet's life and thought before and after his exile in 1302 Beginning with the often violent circumstances of Dante's life the book examines his successive works as testimony to the course of his passionate humanity his lyric poetry through to the Vita nova as the great work of his first period the Convivio De vulgari eloquentia and the poems of his early years in exile and the Monarchia and the Commedia as the product of his maturity Describing as it does a journey of the mind the book confirms the nature of Dante's undertaking as an exploration of what he himself speaks of as maturity in the flame of love The result is an original synthesis of Dante's life and work Amazon.com **Dante's Sacred Poem** Sheila J. Nayar,2014-08-28 Arguing that the consecrated body in the Eucharist is one of the central metaphors structuring The Divine Comedy this book is the first comprehensive exploration of the theme of transubstantiation across Dante's epic poem Drawing attention first to the historical and theological tensions inherent in ideas of transubstantiation that rippled through Western culture up to the early fourteenth century Sheila Nayar engages in a Eucharistic reading of both the flesh allusions and metamorphosis motifs that thread through the entirety of Dante's poem From the cannibalistic resonances of the Ugolino episode in the Inferno to the Corpus Christi like procession seminal to Purgatory Nayar demonstrates how these sacrifice and Host related metaphors allusions and tropes lead directly and intentionally to the Comedy's final vision that of the Eucharist itself Arguing that the final revelation in Paradise is analogically the Bread of Life Nayar brings to the fore Christ's centrality as sacrament to The Divine Comedy a reading that is certain to alter current day thinking about Dante's poem *Discourses of Mourning in Dante, Petrarch, and Proust* Jennifer Rushworth,2016-11-24 This book brings together in a novel and exciting combination three authors who have written movingly about mourning two medieval Italian poets Dante Alighieri and Francesco Petrarca and one early twentieth century French novelist Marcel Proust Each of these authors through their respective narratives of bereavement grapples with the challenge of how to write adequately about the deeply personal and painful experience of grief In Jennifer Rushworth's analysis discourses of mourning emerge as caught between the twin conflicting demands of a comforting readable shared generality and a silent solitary respect for the uniqueness of any and every experience of loss Rushworth explores a variety of major questions in the book including what type of language is appropriate to mourning What effect does mourning have on language Why and how has the Orpheus myth been so influential on discourses of mourning across

different time periods and languages Might the form of mourning described in a text and the form of closure achieved by that same text be mutually formative and sustaining In this way discussion of the literary representation of mourning extends to embrace topics such as the medieval sin of acedia the proper name memory literary epiphanies the image of the book and the concept of writing as promise In addition to the three primary authors Rushworth draws extensively on the writings of Sigmund Freud Julia Kristeva Jacques Derrida and Roland Barthes These rich and diverse psychoanalytical and French theoretical traditions provide terminological nuance and frameworks for comparison particularly in relation to the complex term melancholia

Dante in Context Zygmunt G. Barański, Lino Pertile, 2015-09-29 In the past seven centuries Dante has become world renowned with his works translated into multiple languages and read by people of all ages and cultural backgrounds This volume brings together interdisciplinary essays by leading international scholars to provide a comprehensive account of the historical cultural and intellectual context in which Dante lived and worked from the economic social and political scene to the feel of daily life from education and religion to the administration of justice from medicine to philosophy and science from classical antiquity to popular culture and from the dramatic transformation of urban spaces to the explosion of visual arts and music This book while locating Dante in relation to each of these topics offers readers a clear and reliable idea of what life was like for Dante as an outstanding poet and intellectual in the Italy of the late Middle Ages

The Complete Danteworlds Guy P. Raffa, 2009-08-01 Dante Alighieri's Divine Comedy has despite its enormous popularity and importance often stymied readers with its multitudinous characters references and themes But until the publication in 2007 of Guy Raffa's guide to the Inferno students lacked a suitable resource to help them navigate Dante's underworld With this new guide to the entire Divine Comedy Raffa provides readers experts in the Middle Ages and Renaissance Dante neophytes and everyone in between with a map of the entire poem from the lowest circle of Hell to the highest sphere of Paradise Based on Raffa's original research and his many years of teaching the poem to undergraduates The Complete Danteworlds charts a simultaneously geographical and textual journey canto by canto region by region adhering closely to the path taken by Dante himself through Hell Purgatory and Paradise This invaluable reference also features study questions illustrations of the realms and regional summaries Interpreting Dante's poem and his sources Raffa fashions detailed entries on each character encountered as well as on many significant historical religious and cultural allusions

A Short History of Italian Literature John Humphreys Whitfield, John Robert Woodhouse, 1980

Petrarch and Boccaccio Igor Candido, 2018-02-19 Die Buchreihe Mimesis präsentierte unter ihrem neuen Untertitel Romanische Literaturen der Welt ein innovatives und integrales Verständnis der Romania wie der Romanistik aus literaturwissenschaftlicher und kulturtheoretischer Perspektive Sie trägt der Tatsache Rechnung dass die faszinierende Entwicklung der romanischen Literaturen und Kulturen in Europa wie auch außerhalb Europas neue weltweite Dynamiken in Gang gesetzt hat welche die großen Traditionen der Romania fortschreiben und auf neue Horizonte hin öffnen In Mimesis kommt ein

transareales die europäische und die außereuropäische Welt romanischer Literaturen und Kulturen zusammendenkendes Verständnis der Romanistik zur Geltung das über nationale wie disziplinäre Grenzziehungen hinweg die oft bersehenen Wechselwirkungen zwischen unterschiedlichen Traditionen und Entwicklungslinien in Europa und den Amerikas in Afrika und Asien entfaltet Im Archipel der Romanistik zeigt Mimesis auf wie die dargestellte Wirklichkeit in den romanischen Literaturen der Welt die Tür zu einem vielsprachigen Kosmos verschiedenartiger Logiken öffnet **Dante Nick**

Havely, 2008-04-15 A comprehensive guide to Dante's life and literature with an emphasis on his *Commedia* This text looks at the influences that shaped Dante's writing and the reception of his work by later readers from the 14th century to the present Introduces Dante through four main approaches the context of his life and career his literary and cultural traditions key themes episodes and passages in his own work especially the *Commedia* and the reception and appropriation of his work by later readers from the fourteenth century to the present Written by an expert Dante scholar Provides new translations of substantial passages from Dante's poems and from the world of his contemporaries Includes explanatory diagrams of Dante's other worlds and a section of illustrations by medieval and modern artists Builds a vivid and complex picture of Dante's imagination intellect and literary presence Helpful bibliographies include relevant web resources *Dante's Lyric Redemption* Tristan Kay, 2016-01-28 Dante's *Lyric Redemption* offers a re-examination of two strongly interrelated aspects of the poet's work the role and value he ascribes to earthly love and his relationship to the Romance lyric tradition of his time It argues that an account of Dante's poetic journey that posits a stark division between earthly and divine love and between the secular lyric poet and the Christian auctor does little justice to his highly distinctive and often polemical handling of these categories The book firstly contextualizes traces and accounts for Dante's intriguing commitment to love poetry from the minor works to the *Commedia* It highlights his attempts especially in his masterpiece to overcome normative oppositions in formulating a uniquely redemptive vernacular poetics one oriented towards the eternal while rooted in his affective and indeed erotic past It then examines how this matter is at stake in Dante's treatment of three important lyric predecessors Guittone d'Arezzo Arnaut Daniel and Folco of Marseilles Through a detailed reading of Dante's engagement with these poets the book illuminates his careful departure from a dualistic model of love and conversion and shows his erotic commitment to be at the heart of his claims to pre-eminence as a vernacular author *Patron Saints for Postmoderns* Chris R. Armstrong, 2009-07-27 If you feel discouraged in your efforts to reflect Christ each day in our broken world the saints can help Especially the ones whose stories Chris Armstrong tells here because he's chosen them for the ways they've inspired him and deepened his own faith A professor of church history Armstrong provides rich portraits of ten people from the past who struggled and failed and fought and lived faithfully in their day *Dante's Divine Comedy ... Translated in the Original Ternary Rhyme* by C. B. Cayley. [With Notes.] Dante Alighieri, 1855 [Dante Alive](#) Francesco Ciabattoni, Simone Marchesi, 2022-09-30 The essays collected here join in and contribute to the current reflection on Dante's vitality today in a

critical multidisciplinary vein Their intervention comes at a particularly sensitive juncture in the history of Dante's global reception and cultural reuse Dante today is as alive as ever A cultural icon no less than a cultural product Dante's imaginative universe enjoys a pervasive presence in popular culture The multiformity of approaches represented in the collection matches the variety of the material that is analyzed The volume documents Dante's presence in genres as different as graphic novels and theater productions children's literature advertisements and sci fi narratives rock and rap music video and boardgames satirical vignettes and political speeches school curricula and prison teaching initiatives Each chapter combines a focused attention to the specificity of the body of evidence it treats with best analytical practices The volume invites collective reflection on the many different rules of engagement with Dante's text *Dante's Bones* Guy P.

Raffa, 2020-05-12 A richly detailed graveyard history of the Florentine poet whose dead body shaped Italy from the Middle Ages and the Renaissance to the Risorgimento World War I and Mussolini's fascist dictatorship Dante whose *Divine Comedy* gave the world its most vividly imagined story of the afterlife endured an extraordinary afterlife of his own Exiled in death as in life the Florentine poet has hardly rested in peace over the centuries Like a saint's relics his bones have been stolen recovered reburied exhumed examined and above all worshiped Actors in this graveyard history range from Lorenzo de' Medici Michelangelo and Pope Leo X to the Franciscan friar who hid the bones the stone mason who accidentally discovered them and the opportunistic sculptor who accomplished what princes popes and politicians could not delivering to Florence a precious relic of the native son it had banished In *Dante's Bones* Guy Raffa narrates for the first time the complete course of the poet's hereafter from his death and burial in Ravenna in 1321 to a computer generated reconstruction of his face in 2006 Dante's posthumous adventures are inextricably tied to major historical events in Italy and its relationship to the wider world Dante grew in stature as the contested portion of his body diminished in size from skeleton to bones fragments and finally dust During the Renaissance a political and literary hero in Florence in the nineteenth century the ancestral father and prophet of Italy a nationalist symbol under fascism and amid two world wars and finally the global icon we know today

Danteworlds Guy P. Raffa, 2008-09-15 One of the greatest works of world literature Dante Alighieri's *The Divine Comedy* has despite its enormous popularity and importance often stymied readers with its multitudinous characters references and themes But until now students of the *Inferno* have lacked a suitable resource to guide their reading Welcome to *Danteworlds* the first substantial guide to the *Inferno* in English Guy P. Raffa takes readers on a geographic journey through Dante's underworld circle by circle from the Dark Wood down to the ninth circle of Hell in much the same way Dante and Virgil proceed in their infernal descent Each chapter or region of the book begins with a summary of the action followed by detailed entries significant verses and useful study questions The entries based on a close examination of the poet's biblical classical and medieval sources help locate the characters and creatures Dante encounters and assist in decoding the poem's vast array of references to religion philosophy history politics and other works of literature Written by an established Dante

scholar and tested in the fire of extensive classroom experience Danteworlds will be heralded by readers at all levels of expertise from students and general readers to teachers and scholars Desire in Dante and the Middle Ages Manuele Gragnolati, 2017-07-05 This volume takes Dante's rich and multifaceted discourse of desire from the Vita Nova to the Commedia as a point of departure in investigating medieval concepts of desire in all their multiplicity fragmentation and interrelation As well as offering several original contributions on this fundamental aspect of Dante's work it seeks to situate the Florentine more effectively within the broader spectrum of medieval culture and to establish greater intellectual exchange between Dante scholars and those from other disciplines The volume is also notable for its openness to diverse critical and methodological approaches In considering the extent to which modern theoretical paradigms can be used to shed light upon the Middle Ages it will interest those engaged with questions of critical theory as well as medieval culture

Vernacular Translation in Dante's Italy Alison Cornish, 2010-12-23 Translation and commentary are often associated with institutions and patronage but in Italy around the time of Dante widespread vernacular translation was mostly on the spontaneous initiative of individuals While Dante is usually the starting point for histories of vernacular translation in Europe this book demonstrates that The Divine Comedy places itself in opposition to a vast vernacular literature already in circulation among its readers Alison Cornish explores the anxiety of vernacularization as expressed by translators and contemporary authors the prevalence of translation in religious experience the role of scribal mediation the influence of the Italian reception of French literature on that literature and how translating into the vernacular became a project of nation building only after its virtual demise during the Humanist period Vernacular translation was a phenomenon with which all authors in thirteenth and fourteenth century Europe from Brunetto Latini to Giovanni Boccaccio had to contend

Dante A Brief History Introduction

In today's digital age, the availability of Dante A Brief History books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Dante A Brief History books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Dante A Brief History books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Dante A Brief History versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Dante A Brief History books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Dante A Brief History books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Dante A Brief History books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of

America, which provides a vast collection of digitized books and historical documents. In conclusion, Dante A Brief History books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Dante A Brief History books and manuals for download and embark on your journey of knowledge?

FAQs About Dante A Brief History Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Dante A Brief History is one of the best book in our library for free trial. We provide copy of Dante A Brief History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Dante A Brief History. Where to download Dante A Brief History online for free? Are you looking for Dante A Brief History PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Dante A Brief History. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Dante A Brief History are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the

biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Dante A Brief History. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Dante A Brief History To get started finding Dante A Brief History, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Dante A Brief History So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Dante A Brief History. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Dante A Brief History, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Dante A Brief History is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Dante A Brief History is universally compatible with any devices to read.
