familiar with the plates Gustave Dor drew for the Divine Comedy we scanned ours from original printings of his 1857 Inferno and 1867 Purgatorio and Paradiso editions before we carefully restored them fixed small scratches and various printing imperfections visible on any original copies We also reviewed their contrasts real black inking instead of gray so as to reconstitute their depths often lost due to insufficient inking during the printing process Also we opted for a large format 8 5 x 11 inches for 4 pounds of weight As an aside some readers might be surprised to discover in this text numerous symbolical allusions references and cryptic descriptions belonging to the realm of masonry and its rites written several centuries before the appearance of the first masonic lodges in England in early 1700 s
