Dark Threats and White Knights Sherene Razack, 2004-12-15 Somalia March 4 1993 Two Somalis are shot in the back by Canadian peacekeepers one fatally Barely two weeks later sixteen year old Shidane Abukar Arone is tortured to death Dozens of Canadian soldiers look on or know of the torture The first reports of what became known in Canada as the Somalia Affair challenged national claims to a special expertise in peacekeeping and to a society free of racism Today however despite a national inquiry into the deployment of troops to Somalia what most Canadians are likely to associate with peacekeeping is the nation's glorious role as peacekeeper to the world Moments of peacekeeping violence are attributed to a few bad apples bad generals and a rogue regiment In Dark Threats and White Knights Sherene H Razack explores the racism implicit in the Somalia Affair and what it has to do with modern peacekeeping Examining the records of military trials and the public inquiry Razack weaves together two threads that of the violence itself and what would drive men to commit such atrocities and secondly the ways in which peacekeeping violence is largely forgiven and ultimately forgotten Race disappears from public memory and what is installed in its place is a story about an innocent morally superior middle power nation obliged to discipline and sort out barbaric third world nations Modern peacekeeping Razack concludes maintains a colour line between a family of white nations constructed as civilized and a third world constructed as a dark threat a world in which violence is not only condoned but seen as necessary

Who's Black and Why? Henry Louis Gates, Jr., Andrew S. Curran, 2022-01-01 A fascinating if disturbing window onto the origins of racism Publishers Weekly The eighteenth century essays published for the first time in Who's Black and Why contain a world of ideas theories inventions and fantasies about what blackness is and what it means To read them is to witness European intellectuals in the age of the Atlantic slave trade struggling one after another to justify atrocity Jill Lepore author of These Truths A History of the United States The first translation and publication of sixteen submissions to the notorious eighteenth century Bordeaux essay contest on the cause of black skin an indispensable chronicle of the rise of scientifically based anti Black racism In 1739 Bordeaux's Royal Academy of Sciences announced a contest for the best essay on the sources of blackness What is the physical cause of blackness and African hair and what is the cause of Black degeneration the contest announcement asked Sixteen essays written in French and Latin were ultimately dispatched from all over Europe The authors ranged from naturalists to physicians theologians to amateur savants Documented on each page are European ideas about who is Black and why Looming behind these essays is the fact that some four million Africans had been kidnapped and shipped across the Atlantic by the time the contest was announced The essays themselves represent a

broad range of opinions Some affirm that Africans had fallen from God's grace others that blackness had resulted from a brutal climate still others emphasized the anatomical specificity of Africans All the submissions nonetheless circulate around a common theme the search for a scientific understanding of the new concept of race More important they provide an indispensable record of the Enlightenment era thinking that normalized the sale and enslavement of Black human beings These never previously published documents survived the centuries tucked away in Bordeaux's municipal library Translated into English and accompanied by a detailed introduction and headnotes written by Henry Louis Gates Jr and Andrew Curran each essay included in this volume lays bare the origins of anti Black racism and colorism in the West

Red Shirt Lawrence D. Sundberg, 2015-05-09 Henry Lafayette Dodge has long been a familiar name in 19th century American Southwestern history As one of the earliest and most effective Indian agents to the Navajo he has been portrayed as a congenial sympathetic and compassionate advocate for the tribe a veritable role model The Navajo knew him as Red Shirt a man they came to respect appreciate and trust Those who knew Dodge admitted although often grudgingly that he had unrivaled influence over the tribe By today's sensibilities Henry L Dodge was hardly a role model In his youth he was irresponsible hot headed and violent As an adult he was sued for assault and battery land fraud breach of promises and misuse of public funds He apparently couldn't be trusted with money his own or others Finally brought down by scandal he fled Wisconsin in the dead of night abandoning his career his wife and his children leaving them nearly destitute How then should history assess him Honestly precisely as he was an ambitious and imperfect man The honest telling gives a straightforward account of not only Henry L Dodge but what became the veritable mythology of the West from the bawdy old French Missouri river towns to the raucous lead mining districts of southwest Wisconsin through the slaughter of the Winnebago and Black Hawk wars to the invasion of New Mexico and the chaos of the Indian frontier it is a gritty personal tale of the true West

Thomas Paine and America, 1776-1809 Vol 4 Kenneth W Burchell, 2020-04-28 From his migration to America in 1774 to his death in New York City in 1809 Thomas Paine's ideology was at the centre of American political and social debate This six volume facsimile edition brings together rare texts from books periodicals and newspaper contributions to unearth the contemporary American response to Thomas Paine

The William Morgan Affair Dr. Ann Webster Bunch, 2025-02-18 Dr Ann Webster Bunch delves into the enigmatic disappearance of William Morgan a 19th century figure whose threat to expose Masonic secrets led to his mysterious vanishing igniting political turmoil and leaving a case that remains unresolved nearly 200 years later William Morgan was last seen in Batavia New York in September 1826 down on his luck and haunting the local pubs An elusive local citizen he had recently threatened to publish purported Masonic secrets He was later arrested that same month in Canandaigua for petty theft and eventually transported and held in Fort Niagara From there Morgan seems to have disappeared forever The local Freemasons were accused of his demise State Assemblyman and newspaper editor Thurlow Weed fanned the political flames

to great effect Yet Morgan was to return this time in stone atop a monument erected at Old Cemetery Batavia in 1882 Enigmatically no body lies there Thus the case of Mr Morgan technically remains that of a missing person almost two hundred years after his disappearance Dr Ann Webster Bunch takes an investigative science approach to this extremely cold case to demystify and highlight ways to resolve the fate of this highly polarizing historical figure
