Her Stories Elana

Levine, 2020-03-06 Since the debut of *These Are My Children* in 1949 the daytime television soap opera has been

foundational to the history of the medium as an economic creative technological social and cultural institution In *Her Stories* Elana Levine draws on archival research and her experience as a longtime soap fan to provide an in depth history of the

daytime television soap opera as a uniquely gendered cultural form and a central force in the economic and social influence of network television. Closely observing the production, promotion, reception, and narrative strategies of the soaps, Levine examines two intersecting developments: the role soap operas have played in shaping cultural understandings of gender and the rise and fall of broadcast network television as a culture industry. In so doing, she foregrounds how soap operas have revealed changing conceptions of gender and femininity as imagined by and reflected on the television screen. [Audio](#)

Pullum, 2015-04-14 An insightful read for anyone who is interested in religion; this book offers fresh biblical insight into the preaching of faith healing from a Christian perspective. Faith healing has been a popular religious phenomenon in this country for well over a hundred years, gaining thousands of followers and raking in millions of dollars annually. What faith healers teach, however, often goes unchallenged. *Faith Healers and the Bible: What Scripture Really Says* offers an informed critique of many of the themes found in faith healers' preaching that documents that much of what they teach is not biblically based, contrary to what they would like their listeners to believe. Drawing on a lifetime of study and nearly two decades of teaching a university course titled *The Rhetoric of Faith Healing*, Stephen J. Pullum, PhD, provides scriptural insight into the false claims frequently found in the preaching of healing revivalists. After an introductory chapter that explains why faith healers have been so persuasive, the author addresses a breadth of topics, including the miraculous, the providential, demon possession, the call of God, the indwelling of the Holy Spirit, and the health and wealth gospel. Meeting faith healers on their own turf, the Bible, Pullum clearly demonstrates that much of what faith healers preach cannot be scripturally supported. **Digest; Review of Reviews Incorporating Literary Digest**, 1892 [The Literary Digest](#)
