Cursed Keri Arthur, 2018-11-20 Whomsoever draws the sword from the ancient seat of this land shall rule her and they shall bring peace and prosperity to her people. For nearly a thousand years the firstborn son of every Cannamore king has drawn the sword and the land and her people have indeed prospered. Princess Nyx Bel Hannon is neither male nor firstborn but it's her hand that draws the sword rather than her twin brother's. Her reward imprisonment. But a deep darkness now spreads across the kingdom and her borders are threatened by creatures capable of magic powerful enough to destroy mountains and split the land asunder. Without the true heir to wield the sword Cannamore risks annihilation. The king and crown prince want nothing more than to be permanently rid of Nyx but cannot afford her blood on their hands. Instead they give her to a fractious warlord in the hope he will do what they dare not. Nyx has no intention of letting the warlord get in the way of her thirst for revenge or the need to claim her throne. But it's a quest that may well destroy the kingdom she loves because Nyx has been cursed by the god of war. It is her destiny to save Cannamore. Or utterly destroy it. What everyone is saying about Keri Arthur's novels Arthur's stories are full of adventure action and satisfying human interplay. The humor is dry and based in her characters' often painful experiences where defeat can resolve itself into personal victory. Her characters are people who work toward their goals in a hostile environment and win most of the time. They are all scarred and scared a lot of the time but they continue down the paths they have chosen protecting those they love along the way. Inspirational is it not Sharon Tucker KRL News Reviews for *Cursed* Writing books that stay with you fascinate and make you want more seem to be Ms Arthur's forte as *BURN* is just that kind of read. If you want a dystopic world a sexy hero kick butt heroine drakkons mages magic and a nice touch of romance then *BURN* will have to be the next book you get your hands on. Annetta Sweetko Fresh Fiction for Burn *CITY OF LIGHT* is bursting with action suspense and the supernatural. If you're looking for a kickass heroine with a big heart to match look no further than Tiger. I suspect big things for her character Anne. Ring of Ruin Keri Arthur,2023-06-27 The race to find Agrona s final claw begins Having claimed the Sword of Darkness Bethany Aodh n must now destroy it no simple task when the only means of doing so has long been hidden from humanity by the old gods Hand in hand with that quest comes the need to find the Ring of Ruin before their enemies But those enemies are closer to achieving their goals than Beth and her brother Luke realize and they have destruction on their minds Not just of a world but of all those who get in their way As the quest for answers leads them from the realms of the old gods to deep underground it becomes increasingly clear that someone close to them is working with the enemy As danger closes in survival becomes a battle One Bethany might not win Because the traitor in their midst has her in his sights and plans to use her as bait **Hell's Bell** Keri Arthur,2018-01-26 **Shield of Fire** Keri Arthur,2024-03-19 A new relic hunt A new evil Resident Relic Hunter for Deva s Fae Council is a title Bethany Aodh n never wanted but it isn t like she has a choice And in truth the appointment might just aid her quest to find her mother s murderers because at least one of those responsible is a member of the council and getting access to their records could give her the connection and their identity But before she can be given her first task or even start her behind the scenes hunt a building belonging to Cynwrig L tair the highborn dark elf who is not only her council liaison but lover is set alight and they barely escape with their lives It quickly becomes clear that the cause of the fire was a relic belonging to the god of smiths and fire capable of destroying anything made within a forge old or new And the man wielding it is an elf who stirs uneasy echoes of past darkness within Bethany As the attacks intensify and draw ever closer to home it s increasingly evident that not only do the keys to finding the culprits lie in the past Bethany can t remember but he s someone who knew her very well indeed Someone who has no qualms about doing whatever it takes to get what he wants from her Even if that means killing Lugh **Broken Bonds** Keri Arthur,2021-10-26 The winds of change are finally whispering through the Faellan Werewolf Reservation Lizzie Grace is doing her utmost to ignore the portents of doom wanting nothing more than enjoy her life and her time with Aiden O Connor while she still can But the song of the once unprotected and very powerful wellspring still washes across the distant shores of darkness and it continues to draw evil to the reservation The one that arrives this time is different from the others Not only is it skilled in magic but its kills are very specific Very targeted As the brutal deaths mount up and she Monty and Aiden struggle to find answers and stop the killings Lizzie begins to suspect there s more to this particular evil than meets the eye Especially when it helps save the life of a child

But the biggest threat to Lizzie comes not in the form of evil but rather the changes whispered on the wind Because the werewolf Aiden once asked to be his wife has finally arrived back in the reservation And she s determined to get her man
