The Golden Promise Veronica Sloan, The good news is that King Udolf wants to marry Lorelle a starving little nobody from the poorest village in the kingdom The bad news is that her drunken father swears she can spin straw into gold Now Lorelle has until sunrise to prove him right or both she and her father will face the hangman Enter Rumpelstiltskin a hideous hunchback with a serious attitude problem His magic is the only thing that can save her life but first she must submit to his carnal desire Lorelle is prepared to hate him for that She isn't prepared for the way his clever tongue makes her laugh or the way it makes her moan This erotic romance is 27 000 words and for readers 18 and up Excerpt Rump waited for her nervous fingers to relinquish his buttons Then he said with muffled anger I told you not to call me again I told you that it would go hard for you And yet I did she snapped I have no other choice No he said And did I not tell you that too There is always a choice So you would have me choose my own death she said Yes he shouted The word was so loud and so fierce that Lorelle shrank from the hunchback For a moment his ugly face faltered and his golden fingers opened as if to reach for her as if to apologize for his outburst but when the moonlight touched his hand when it glinted back its cold metal his heart hardened once more You owe them nothing Lorelle not even your life Give them death It is the only freedom in this world Lorelle clutched her throbbing chest How can you say such a thing she whispered Death is freedom Only one who has lived so long could be so arrogant If my mother taught me anything you miserable man it is that life is fleeting It cannot be dispensed with so casually not when its span is unknown or its quality variable by the moment A week ago I was a worthless brewer's girl Tonight I am a heartbeat removed from the crown What will I be tomorrow Would you prefer a corpse The Rump clawed his fingers through his limp hair and threw his cap at his feet No he said Only it will not end here Lorelle The King will have you spinning until your dying breath Yes she said I cannot save you indefinitely he said There is only so much you can sacrifice I will give what I must she said That he said I do not doubt You are as tenacious a maid as ever I met I am no longer a maid she said You saw to that The Rump gazed into her sweet brown eyes Aye That I did Though I took no pleasure in it Liar she said You took as much pleasure in it as I did Then remembering that he could never finish the act she amended her statement Some pleasure Pleasure is irrelevant to this new affair he said Lorelle I beseech you to reconsider Why she said Is this not what you do Is this not your demonic mission To seduce women into your power My power he laughed Oh Lorelle if you knew He shuffled to the spinning wheel and gave its wheel a formidable turn As it blurred into motion silent sparks rolled forth into the shape of golden teeth The teeth grimaced and melted into smoke I wasted my young years seducing women What I do now is penance Do you know what sacrifice I would ask of you for this second wish Some new depravity she hoped I confess I've exhausted my imagination as to what it could be You've been fantasizing about me have you Let us not go so far she said Her fingers traced the circumference of the wheel until they rested close to his own golden hand Only that I have been preparing myself to be defiled
