**England, die unbekannte Insel** ,1948      **England, Die Unbekannte Insel. England, the Unknown Isle ...**

**Translated by Alan Harris** Paul COHEN-PORTHEIM,1930      **The Germanic Isle** Gerwin Strobl,2000-10-26 This book explains Hitler's view of Britain as both Nordic ally and role model Gerwin Strobl shows that there was a surprising level of affection for Britain and British culture among ordinary Germans from the discourses of the 1920s to the vigorous anti British propaganda of the war years Despite Hitler's tactical duplicity at Munich there is overwhelming evidence that one of the Nazis fundamental objectives was to forge an alliance with Britain and to emulate the ruthlessness of the British Empire in dealing with eastern Europe For the German public admiration of Britain and enjoyment of its culture were enduring factors even during Goebbels frequent attacks but both the Reich leadership and ordinary Germans otherwise lacked first hand knowledge of Britain while independent sources were suppressed The book includes a number of unusual and striking illustrations most of which will be unfamiliar to modern readers      **No Hamlets** Andreas Höfele,2016-07-14 No Hamlets is the first critical account of the role of Shakespeare in the intellectual tradition of the political right in Germany from the founding of the Empire in 1871 to the Bonn Republic of the Cold War era In this sustained study Andreas Höfele begins with Friedrich Nietzsche and follows the rightist engagement with Shakespeare to the poet Stefan George and his circle including Ernst Kantorowicz and the literary efforts of the young Joseph Goebbels during the Weimar Republic continuing with the Shakespeare debate in the Third Reich and its aftermath in the controversy over inner emigration and concluding with Carl Schmitt's Shakespeare writings of the 1950s Central to this enquiry is the identification of Germany and more specifically German intellectuals with Hamlet The special relationship of Germany with Shakespeare found highly personal and at the same time highly political expression in this recurring identification and in its denial But Hamlet is not the only Shakespearean character with strong appeal Carl Schmitt's largely still unpublished diaries of the 1920s reveal an obsessive engagement with Othello which has never before been examined Interest in German philosophy and political thought has increased in recent Shakespeare studies No Hamlets brings historical depth to this international discussion Illuminating the constellations that shaped and were shaped by specific appropriations of Shakespeare Höfele shows how individual engagements with Shakespeare and a whole strand of Shakespeare reception were embedded in German history from the 1870s to the 1950s and eventually 1989 the year of German reunification      *Strange Island* Francesca M. Wilson,1955

**Shakespeare and European Politics** Dirk Delabastita,Jozef de Vos,Paul Franssen,2008 This volume's main focus is on the ways in which over the past 400 years Shakespeare has played a role of significance within a European framework particularly where a series of political events and ideologically based developments were concerned such as the early modern wars of religion the emergence of the nation during the late eighteenth and nineteenth centuries the First and Second World Wars the process of European unification during the 1990s the attack on the World Trade Center in New York and Britain's

participation in the war in Iraq The whole of the collection and particularly the opening section clearly invites a European and even a global perspective This book convincingly demonstrates that Shakespeare both at the level of his meaning in his own time and at that of his reception in later ages should no longer be studied only in relation to particular nations but as Dirk Delabastita argues also at various supranational levels Book Jacket *Jewish Encounters with Buddhism in German Culture* Sebastian Musch, 2019-10-10 In Germany at the turn of the century Buddhism transformed from an obscure topic of interest to only a few misfit scholars into a cultural phenomenon Many of the foremost authors of the period were profoundly influenced by this rapid rise of Buddhism among them some of the best known names in the German Jewish canon Sebastian Musch excavates this neglected dimension of German Jewish identity drawing on philosophical treatises novels essays diaries and letters to trace the history of Jewish Buddhist encounters up to the start of the Second World War Franz Rosenzweig Martin Buber Leo Baeck Theodor Lessing Jakob Wassermann Walter Hasenclever and Lion Feuchtwanger are featured alongside other lesser known figures like Paul Cohen Portheim and Walter Tausk As Musch shows when these thinkers wrote about Buddhism they were also negotiating their own Jewishness **Großbritannien** Klaus Zehner, Gerald Wood, 2011-01-28 Gro britannien wird trotz seiner r umlichen N he zum Kontinent so bezeichnen die Briten den Rest Europas nicht selten als Fremder in Europa wahrgenommen Der Linksverkehr und das britische Pfund sind die auff lligsten jedoch keineswegs die einzigen Besonderheiten des Landes Auch die Freizeit und Konsumgewohnheiten zahlreicher Briten weichen zum Teil deutlich von denen vieler Kontinentaleurop er ab man denke etwa an die Gentleman Kultur in Form der Clubs die Schuluniformen oder die Tea Time die trotz der zunehmenden Konkurrenz durch Kaffee und Caf s ihre bemerkenswerte soziale Funktion behalten hat Neben solchen Besonderheiten gibt es allerdings auch eine Reihe von Gemeinsamkeiten und Parallelen zu anderen L ndern Europas etwa im Bereich der sozialen und wirtschaftlichen Entwicklung Dazu z hlen die Alterung der Gesellschaft die Zuwanderungsproblematik der Abbau industrieller Arbeitspl tze und eine Vielzahl kologischer Probleme die hier wie dort gel st werden m ssen Vor diesem gedanklichen Hintergrund ist das vierfarbige mit Fotos und Grafiken reich illustrierte Buch entstanden Es greift Themen auf die das Besondere Gro britanniens zum Gegenstand haben Themen die uns stutzig und neugierig machen gerade vor dem Hintergrund anderer Erfahrungen in Europa Warum beispielsweise entwickelte sich Gro britannien im 18 Jahrhundert fr her als andere europ ische Nationen zum Vorreiter der industriellen Entwicklung um dann im 20 Jahrhundert nach j hem Absturz eine Renaissance zu erleben Wie ist die gegenw rtig ausgreifende und in Europa beispiellose Praxis der Video berwachung in ffentlichen R umen des Landes in Einklang zu bringen mit dem hohen ffentlichen Gut der B rgerrechte Gleichzeitig verdeutlicht die Diskussion der gesellschaftlichen Herausforderungen und Probleme auch die N he zu anderen europ ischen L ndern und erm glicht damit den Vergleich und vielleicht ein vertieftes Verst ndnis sozial r umlicher Entwicklungen in einem europ ischen Rahmen Als geographisches Lese Lehrbuch beinhaltet das Werk zahlreiche Ankn pfungspunkte f r die Ausbildung sowohl in der Geographie als auch in

Delany, 2004 Bill Brandt the greatest of British photographers who visually defined the English identity in the mid twentieth century was an enigma Indeed despite his assertions to the contrary he was not in fact English at all His life like much of his work was an elaborate construction England was his adopted homeland and the English were his chosen subject The England in which Brandt arrived in the Thirties was deeply polarized He photographed both upstairs and downstairs and recorded the industrial north as well as the society rounds of the affluent south Although much of his work was for the new illustrated magazines it was frequently influenced by surrealism and an eye for the slightly strange The subjects of his portraits include the greatest creative figures of his age and his English landscapes were sublime His radical treatment of the female body forms a landmark in the history of the photography Paul Delany ambitiously traces the details of Brandt's life and reveals how the biographical facts and the fantasies that accompanied them deeply affected Brandt's work The biography is richly illustrated with duotone reproductions of his masterpieces and a number of unpublished private photographs
