English Grammar in Use Raymond Murphy, Brigit Viney, Miles Craven, 2004. English Grammar in Use Third Edition is a fully updated version of the classic grammar title. It retains the key features of clarity and accessibility which have made the book so popular. This third edition has 10 completely new units including 9 new units on phrasal verbs to more thoroughly cover this important area for intermediate students. It has even more Additional Exercises to offer more contrastive practice. It is in full colour and has a slightly larger format to look clearer and more inviting for students. The with answers version of the book is packaged with the CD ROM. This exciting and substantial new CD ROM has a diagnostic test to help students identify areas to practise, has extra exercises for all the units in the book, allows users to make their own tests from a bank of contrastive exercises, has recordings of all the main exercises so users can practise their pronunciation, includes a link to Cambridge Dictionaries Online so students can look up any words they need.
