English Know How 1:

Sri Brihad Bhagavatamrta Part - 1 (English) Srila Sanatana Goswami, 2021-01-01 Srila Sanatana Goswami's book *Sri Brhad Bhagavatamrta* is a gemlike example of the quest genre but different from the sort commonly encountered in fable and fiction. Narada and Gopa kumara, the respective heroes of this book's two parts, are searching for a key to fulfillment much subtler than wealth, influence, mundane love, the Fountain of Youth, or even the Holy Grail. Narada has vast experience of the cosmos; Gopa kumara is illiterate and naive yet they share the same vision of what is most valuable. What both want is not to conquer or exploit on any level but to explore the mystery of selfless service. As Narada already knows and Gopa kumara will gradually learn, the superior mode of life they seek is personal and defined by the interplay of those who take part in it rather than by material laws of nature.

English Made Easy Volume One_ A New ESL Approach_ Learning English Through Pictures Jonathan Crichton and Pieter Koster, Learning English through pictures. English Phrasal Verbs Book 1 Keith Folse, To speak a new language you need vocabulary. You need words, phrases, key sentences, and idioms. To speak a language really well, you need a lot of vocabulary and you need to know the different meanings for the vocabulary. One of the most difficult parts of English is a special vocabulary group called phrasal verbs. Phrasal verbs have two or three words. The first word is usually a very common one-syllable verb like take, come, put, or go. The second part is usually a preposition or adverb like off, up, in, or away. These parts together have a new meaning. You can know the meaning of take and the meaning of off, but take off has a different meaning. The goal of this book is to help you learn the most frequent phrasal verbs with their most important meanings. Instead of long vocabulary lists, each lesson in this book teaches you only three phrasal verbs with meanings and many useful examples. There are also many short exercises for you to practice the phrasal verbs in a very direct way. They can be completed in a day, a week, or as much time as you need.
