

Sample Tour Guide Speech

Listen to a tour guide on a shuttle bus from the airport to the resort.

Welcomingtourists:

Hello everyone. My name is Peter. On behalf of Suntan Tours I'd like to welcome you all to Los Cabos. The bus ride to your hotel will take about fifteen minutes. Right now I'd like to take a minute to familiarize you with the area and discuss some brief safety precautions. Firstly, I ask that you remain seated until we reach our destination and that you not eat or drink while on the bus. Secondly, please realize that it is against the law to get drunk in public. Enjoy your vacation, but do drink responsibly and do not drink and drive.

Describingthelocation:

I promise you are going to enjoy your stay here in San Jose, Los Cabos. This is a beautiful, quiet city where you can relax, sit by the beach, enjoy great meals and feel very safe. You can walk into town and enjoy the fountains or take a moonlit walk along the water. Please do not swim here. This is not a safe place to swim because there is a strong undertow. Cabos San Lucas is the place to go if you want to enjoy swimming in the ocean. You can take a short bus ride from your hotel. Thereyouwillalsoenjoyentertainment and dancing.

English Language Manual For Tour Guides:

Envisioning Eden Noel B. Salazar, 2010-11-01 As tourism service standards become more homogeneous travel destinations worldwide are conforming yet still trying to maintain or even increase their distinctiveness Based on more than two years of fieldwork in Yogyakarta Indonesia and Arusha Tanzania this book offers an in depth investigation of the local to global dynamics of contemporary tourism Each destination offers examples that illustrate how tour guide narratives and practices are informed by widely circulating imaginaries of the past as well as personal imaginings of the future **Tourist Guide to Constantinople, Robert College and Constantinople Woman's College** Near East College Association (New York, N.Y.), 1923 Handbook on Crisis and Disaster Management in Tourism Bruce Prideaux, David Beirman, 2024-04-12 Recent global crises such as the COVID 19 pandemic have further emphasised the need for improved disaster management within the tourism industry and with this in mind the Handbook on Crisis and Disaster Management in Tourism fully addresses the importance of crisis and disaster readiness This erudite Handbook brings together contributions from both leading tourism practitioners and scholars of a variety of disciplinary backgrounds ranging from economics to hospitality to showcase collaborative approaches to destination and business recovery The American catalogue of books or, English guide to American literature , 1859 *New Terms for New Ideas* Michael Lackner, Iwo Amelung, Joachim Kurtz, 2021-11-15 This volume is about the lasting impact of new Western notions on the 19th and early 20th century Chinese language their invention spread and standardization Reaching beyond the mere cataloguing of the thousands of lexical innovations in this period of change the essays explore the multiple ways in which initially alien notions were naturalized in Chinese scientific and political discourse Topics examined range from preconceptions about the capacity of the Chinese language to accommodate foreign ideas the formation of specific nomenclatures and the roles of individual translators to Chinese and European attempts at coming to terms with each other's grammar By systematically analysing and assessing the lexical adaptation of Western notions in Chinese contexts the book will serve as a valuable reference work for all those interested in the historical semantics of modern China *Location Aware Apps for Tourism* Cathal Greaney, 2012-09-19 This book demonstrates the usefulness of the modern smartphone for providing location aware applications to the tourist as an end user During the course of this book it has been demonstrated that the modern smartphone has the accuracy and responsiveness required to provide excellent location aware functionality to the tourist end user The GPS section outlines how a developer can leverage this functionality to make apps that use close quarter location positioning to help the average tourist in a host of different ways It has also been demonstrated that bluetooth and other technologies such as QR coding are effective at providing location aware functionality in situations where GNSS GPS is ineffective such as in indoor environments Lastly the book outlines how an engineer could provide augmented location services when GPS is not available by using the RSSI signal from Bluetooth devices World Heritage on the Ground Christoph Brumann, David

Berliner,2016-04-01 The UNESCO World Heritage Convention of 1972 set the contemporary standard for cultural and natural conservation Today a place on the World Heritage List is much sought after for tourism promotion development funding and national prestige Presenting case studies from across the globe particularly from Africa and Asia anthropologists with situated expertise in specific World Heritage sites explore the consequences of the World Heritage framework and the global spread of the UNESCO heritage regime This book shows how local and national circumstances interact with the global institutional framework in complex and unexpected ways Often the communities around World Heritage sites are constrained by these heritage regimes rather than empowered by them
