Collins Cobuild Grammar - Cobuild English Grammar [Fourth Edition] Collins Dictionaries, Collins Uk, 2017-03-23

This new edition of the Collins COBUILD English Grammar is a modern global and learner focussed grammar reference aimed at learners and teachers of English. Collins COBUILD English Grammar is based on the evidence of the 4.5 billion word Collins Corpus and is an invaluable guide to the English language as it is written and spoken today in all areas of the world. It has been thoroughly updated to take into account significant changes in grammar over recent years. With a user friendly style and simple explanations, the Collins COBUILD English Grammar provides a comprehensive and authoritative guide to modern English grammar using grammar terms that learners will understand. Notes on the various situations in which certain grammar points typically appear, authentic examples and information on the key differences between British and American grammar make the Collins COBUILD English Grammar the only fully updated and truly global English grammar available. The title also includes two supplements that focus on the main contexts in which English is used around the world: academic and business English. These supplements identify the key areas of grammar that students need to master if they are to communicate effectively in business and academic contexts. This new edition is also accompanied by a series of engaging blogs and guided worksheets that aim to encourage learners and teachers of English to explore and discuss the teaching and learning of grammar.

Collins Cobuild English Grammar John Sinclair, 1991 Pocket English Grammar HarperCollins UK, 2012-06

The COBUILD Pocket English Grammar is a handy new companion for learners of English to carry with them everywhere. Small enough to fit in a pocket, it covers all the most important points of English grammar, explaining them in simple, clear language. The COBUILD Pocket English Grammar is a brand new title created specifically to help learners of English master the language. Based on extensive corpus research into the way English is really used by native speakers, the COBUILD Pocket English Grammar contains all the grammar points you need to know to communicate confidently. With explanations in simple English and thousands of examples from the Collins Corpus, this handy reference is easy to use and easy to understand. It also highlights issues that learners find particularly tricky, using warning notes showing you how to avoid making the same mistakes again. A supplement is included offering information on the grammar of academic English from text books and journals, and business English found in meeting rooms and teleconferences across the world.
