English Idioms Matthew Evanoff, 2020-10-20 Learning English idioms can be difficult for ESL speakers This book will

help simplify some of the common words and expressions native English speakers use Use it as a reference or read it as a learning exercise and you will improve your English in no time at all *English as a Lingua Franca* Luke Prodromou,2008-01-06 Using a corpus of data drawn from naturally occurring second language conversations this book explores the role of idiomaticity in English as a native language and its comparative role in English as a lingua franca Through examining how idiomaticity enables first language learners to achieve a greater degree of fluency the book explores why idiomatic language poses such a challenge for users of English as a lingua franca The book puts forward a new definition of competence and fluency within the context of English as a lingua franca concluding with an analysis of practical implications for the lingua franca classroom This in depth study of English language learning using corpus data will be of interest to researchers in applied linguistics and corpus linguistics and to teachers of English as an international lingua franca American Literature as an Expression of the National Mind Russell Blankenship,2024-12-06 American Literature as an Expression of the National Mind 1931 is a remarkable work that traces not only the history and development of literature in the United States but also the national characteristics that have arisen out of America s unique background By linking the two the author provides great insight into the psychology of America and its great literary heritage **Rajpal Dictionary Of English Idioms & Phrases** Shori,A K,2010 **The Cambridge Encyclopedia of the English Language** David Crystal,2003-08-25 Rarely has a book so packed with accurate and well researched factual information been so widely read and popularly acclaimed This Second Edition of The Cambridge Encyclopedia of the English Language has been fully revised for a new generation of language lovers The book is longer and includes extensive new material on world English and Internet English in addition to completely updated statistics further reading suggestions and other references First Edition Hb 1995 0 521 40179 8 First Edition Pb 1997 0 521 59655 6 David Crystal is a leading authority on language and author of many books including most recently Shakespeare s Words Penguin 2002 Language and the Internet Cambridge 2001 and Language Death Cambridge 2000 An internationally renowned writer journal editor lecturer and broadcaster he received an Order of the British Empire in 1995 for his services to the English language Proceedings of MAC 2018 group of authors,2018-12-06 Multidisciplinary Academic Conference on Education Teaching and Learning Czech Republic Prague MAC ETL 2018 Multidisciplinary Academic Conference on Management Marketing and Economics Czech Republic Prague MAC MME 2018 Multidisciplinary Academic Conference on Transport Tourism and Sport Science Czech Republic Prague MAC TTSS 2018 Friday Sunday December 7 9 2018 *Glocal English* Farooq A. Kperogi,2015-06-22 Glocal English compares the usage patterns and stylistic conventions of the world s two dominant native varieties of English British and American English with Nigerian English which ranks as the English world s fastest growing non native variety courtesy of the unrelenting ubiquity of the Nigerian English language movie industry in Africa and the Black Atlantic Diaspora Using contemporary examples from the mass media and the author s rich experiential data the book isolates the peculiar structural

grammatical and stylistic characteristics of Nigerian English and shows its similarities as well as its often humorous differences with British and American English. Although Nigerian English forms the backdrop of the book, it will benefit teachers of English as a second or foreign language across the world. Similarly, because it presents complex grammatical concepts in a lucid personal narrative style, it is useful both to a general and a specialist audience, including people who study anthropology and globalization. The true life experiential encounters that the book uses to instantiate the differences and similarities between Nigerian English and native varieties of English will make it valuable as an empirical data mine for disciplines that investigate the movement and diffusion of linguistic codes across the bounds of nations and states in the age of globalization.

Figuratively Speaking: Thesaurus of Expressions & Phrases J. Ajlouny, 2017-12-28 A figure of speech is an expression in which the words are used but not in their literal sense to create a more forceful or dramatic meaning. They are often in the form of metaphors, similes, and hyperbole. A fountain of knowledge is a good example. Stretching the truth is another. With *Figuratively Speaking*, we finally have a thesaurus to discover these phrases, origins, and the sources of their meanings. Categories include Attitudes, Body Types, Competition, Creature Comforts, Letting Loose, Ethics, Influence, Life, Health, Death, Money, Personal Space, Personality Types, Speech, Thinking, Power, Time, Trouble, Turmoil, Commotion, The World of Work. Whether reading it for fun, researching phrases you use, or studying the symbolic foundations of our language, *Figuratively Speaking* is the resource you'll reach for time and again.
