information on routine maintenance and servicing with tasks described and photographed in a step by step sequence so that even a novice can do the work *America, the Owner's Manual* Bob Graham,Chris Hand,2016-07-15 In 2016 Americans fed up with the political process vented that frustration with their votes Republicans nominated for president a wealthy businessman and former reality show host best known on the campaign trail for his sharp rhetoric against immigration and foreign trade Democrats nearly selected a self described socialist who ran on a populist platform against the influence of big

money in politics While it is not surprising that Americans would channel their frustrations into votes for contenders who pledge to end business as usual the truth is that we don't have to pin our hopes for greater participation on any one candidate All of us have a say if we learn master and practice the skills of effective citizenship One of the biggest roadblocks to participation in democracy is the perception that privileged citizens and special interests command the levers of power and that everyday Americans can't fight City Hall That perception is undoubtedly why a 2015 Pew Charitable Trusts survey found that 74 percent of those Americans surveyed believed that most elected officials didn't care what people like them thought Graham and Hand intend to change that conventional wisdom by showing citizens how to flex their citizenship muscles They describe effective citizenship skills and provide tips from civic experts Even more importantly they offer numerous examples of everyday Americans who have used their skills to make democracy respond The reader will see themselves in these examples of citizens who chose to be victorious participants rather than tranquil spectators in the arena of democracy By the end of the book you will have new confidence that citizen participation is the lifeblood of America and will be ready to make governments work for you not the other way around

Your Owner's Manual for Life Maureen Marie Damery, 2016-10-17 Some books are deeper and more profound than others They touch us at a deep soul level This is one of those books Your Owner's Manual for Life epitomizes the Truth that our greatest resource lies within Jack Canfield Co creator of the Chicken Soup for the Soul R book series I have never met anyone so completely dedicated to her vocation as Maureen Damery has been in her relentless pursuit of this book She is a student of life with a child's sense of wonder and a teacher of healing light and energy Maureen's background in software development coupled with her deep spiritual commitment to healing the human soul have converged beautifully to co create with the divine and birth this incredibly insightful book Getting lost in it may be the only way to find your true self Karen Biscoe CPC Desiring more meaning fulfillment and joy in my life I embarked on a quest to actualize this aspiration Your Owner's Manual for Life is the synthesis of everything I've learned believe and love A compendium of wisdom gleaned from experiential practice incorporating the works of New York Times Best Selling Authors and Internationally Renowned Inspirational Speakers such as Louise Hay Deepak Chopra and Dr Wayne Dyer to name but a mere few Source Code provides you with practical empowering tools for creating and enjoying a rich fulfilling life Follow the song of your heart embrace its gentle whispers for they are composed in the Source Code of Your Soul
