Dangerous Multilingualism Northern Perspectives On Order Purity And Normality Language And Globalization:

Dangerous Multilingualism J. Blommaert, S. Leppänen, P. Pahta, T. Virkkula, Tiina Räisänen, 2012-11-14 Focuses on the endangering effects of language ideological processes This book looks at the challenges imposed by globalization and super diversity on the nation state and its language situations and ideologies and demonstrates how many of its problems rise from the tension between late modern diversity and the pre modernist responses to it **The Routledge Handbook of**

Language and Superdiversity Angela Creese, Adrian Blackledge, 2018-02-21 The Routledge Handbook of Language and Superdiversity provides an accessible and authoritative overview of this growing area the linguistic analysis of interaction in superdiverse cities Developed as a descriptive term to account for the increasingly stratified processes and effects of migration in Western Europe superdiversity has the potential to contribute to an enhanced understanding of mobility complexity and change with theoretical practical global and methodological reach With seven sections edited by leading names the handbook includes 35 state of the art chapters from international authorities The handbook adopts a truly interdisciplinary approach covering Cultural heritage Sport Law Education Business and entrepreneurship The result is a truly comprehensive account of how people live work and communicate in superdiverse spaces This volume is key reading for all those engaged in the study and research of Language and Superdiversity within Applied Linguistics Linguistic Anthropology and related areas English in Business and Commerce Tamah Sherman, Jiri Nekvapil, 2018-05-07 This

volume fills an important gap in exploring English in the domains of business and commerce through the prism of sociolinguistics and the sociology of language as opposed to analyzing business genres or taking a linguodidactic approach It expands the regional coverage of English in Europe with several studies based in Central Europe and also considers contexts which interact with Europe even though they are physically outside of it Asia Africa It addresses English as just one of several languages at play in the ecology of the countries It focuses not only on the position of languages as declared in documents of various organizations that is language policy but also everyday linguistic practices as observed in business contexts that is interactions The studies are divided into three thematic areas ideologies and discourses on English in the business sphere the management of English in business and organizational contexts and English and other languages on local and international labor markets It will be of interest to readers concerned with multilingualism in the economic sphere and the workplace and the interplay between macro and micro levels during the management of communication in organizations The Multilingual Screen Tijana Mamula, Lisa Patti, 2016-06-30 The Multilingual Screen is the first edited

volume to offer a wide ranging exploration of the place of multilingualism in cinema investigating the ways in which linguistic difference and exchange have shaped and continue to shape the medium's history Moving across a vast array of geographical historical and theoretical contexts from Japanese colonial filmmaking to the French New Wave to contemporary artists moving image the essays collected here address the aesthetic political and industrial significance of multilingualism in film

production and reception In grouping these works together The Multilingual Screen discerns and emphasizes the areas of study most crucial to forging a renewed understanding of the relationship between cinema and language diversity In particular it reassesses the methodologies and frameworks that have influenced the study of filmic multilingualism to propose that its force is also and perhaps counterintuitively a silent one While most studies of the subject have explored linguistic difference as a largely audible phenomenon manifested through polyglot dialogues or through the translation of monolingual dialogues for international audiences The Multilingual Screen traces some of its unheard histories contributing to a new field of inquiry based on an attentiveness to multilingualism's work beyond the soundtrack

Understanding the Dynamics of Language and Multilingualism in Professional Contexts Philippe Lecomte, Mary Vigier, Claudine Gaibrois, Betty Beeler, 2023-01-13 This book provides readers with the latest research on the dynamics of language and language diversity in professional contexts Bringing together novel findings from a range of disciplines it challenges practitioners and management scholars to question the conventional understanding of language as words with stable meanings an assumption which treats language as a tool that can be managed by language policies that standardize language Each of the contributions is designed to recognize the strides that have been made in the past two decades in research on language and languages in organizational settings while addressing remaining blind spots and emerging issues Particular attention is given to multilingualism sociolinguistic approaches to language in the workplace migration challenges critical perspectives on the power of language use and the management of organizations as dialogical discursive spaces

Monolingualism and Linguistic Exhibitionism in Fiction Anjali Pandey, 2016-01-25 How are linguistic wars for global prominence literarily and linguistically inscribed in literature This book focuses on the increasing presence of cosmetic multilingualism in prize winning fiction making a case for an emerging transparent turn in which momentary multilingualism works in the service of long term monolingualism

Bad English Rachael Gilmour, 2020-07-28 Bad English examines the impact of increasing language diversity in transforming contemporary literature in Britain in the context of its contested language politics Exploring a range of poetry and prose it makes the case for literature as the preeminent medium to probe the terms and conditions of linguistic belonging

Multilingual Currents in Literature, Translation and Culture Rachael Gilmour, Tamar Steinitz, 2017-08-23 At a time increasingly dominated by globalization migration and the clash between supranational and ultranational ideologies the relationship between language and borders has become more complicated and in many ways more consequential than ever This book shows how concepts of language and multilingualism look different when viewed from Belize Lagos or London and asks how ideas about literature and literary form must be remade in a contemporary cultural marketplace that is both linguistically diverse and interconnected even as it remains profoundly unequal Bringing together scholars from the fields of literary studies applied linguistics publishing and translation studies the volume investigates how multilingual realities shape not only the practice of writing but also modes of literary and

cultural production Chapters explore examples of literary multilingualism and their relationship to the institutions of publishing translation and canon formation They consider how literature can be read in relation to other multilingual and translational forms of contemporary cultural circulation and what new interpretative strategies such developments demand In tracing the multilingual currents running across a globalized world this book will appeal to the growing international readership at the intersections of comparative literature world literature postcolonial studies literary theory and criticism and translation studies

The Ambiguity of English as a Lingua Franca Stephanie Rudwick, 2021-08-29 Grounded in ethnography this monograph explores the ambiguity of English as a lingua franca by focusing on identity politics of language and race in contemporary South Africa The book adopts a multidisciplinary approach which highlights how ways of speaking English constructs identities in a multilingual context Focusing primarily on isiZulu and Afrikaans speakers it raises critical questions around power and ideology The study draws from literature on English as a lingua franca raciolinguistics and the cultural politics of English and dialogues between these fields It challenges long held concepts underpinning existing research from the global North by highlighting how they do not transfer and apply to identity politics of language in South Africa It sketches out how these struggles for belonging are reflected in marginalisation and empowerment and a vast range of local global and glocal identity trajectories Ultimately it offers a first lens through which global scholarship on English as a lingua franca can be decolonised in terms of disciplinary limitations geopolitical orientations and a focus on the politics of race that characterize the use of English as a lingua franca all over the world This book will be of interest to students and researchers in linguistic anthropology sociolinguistics World Englishes ELF and African studies

Social Media Discourse, (Dis)identifications and Diversities Sirpa Leppanen, Elina Westinen, Samu Kytola, 2016-12-08 This volume serves as an in depth investigation of the diversity of means and practices that constitute dis identification and identity construction in social media Given the increasing prevalence of social media in everyday life and the subsequent growing diversity in the types of participants and forms of participation the book makes the case for a rigorous analysis of social media discourses and digital literacy practices to demonstrate the range of semiotic resources used in online communication that form the foundation of dis identification processes Divided into two major sections delineating between the dis identification of the self across various social categories and the dis identification of the self in relation to the other the book employs a discourse ethnographic approach to highlight the value of this type of theoretical framework in providing nuanced descriptions of identity construction in social media and illuminating their larger long term societal and cultural implications This volume is a key resource for researchers and students in sociolinguistics discourse studies computer mediated communication and cultural studies
