DR. JIMMY DEYOUNG

Daniel Prophet To The Gentiles

Harold Ingle

Daniel Prophet To The Gentiles:

Daniel: Prophet to the Gentiles Jimmy DeYoung, 2013 Dr Jimmy DeYoung unpacks this deep apocalyptic Scripture and explains not only the prophetic but the practical side as well Throughout this book it is clear that God is faithful to keep His promises and to care for His people page 4 of cover *The Times of the Gentiles, a Study in Daniel* Norman Mellish, 2010-03-01 It has pleased God to put in place governmental authority within the whole of His creation There are realms of authority in heaven which is clearly taught in the word of God and when God created the world He placed Adam in control of the earth even before sin He was crowned with glory and honour and set over the works of God s hands After the fall the Lord still required for the earth to be governed and it pleased Him to put the rule of the world into various hands until Israel were given the supreme place to hold this world for God Because of their failure to be faithful to the Lord they were removed from power and the government of this world was placed in Gentile hands this was under Nebuchadnezzar and is recorded for us in Daniel Chapter 2 This began the Times of the Gentiles The main thrust of the book of Daniel is to reveal the end of Gentile rule and this is the purpose of the book as seen in the four prophecies revealed to Daniel himself from chapters 7 12 In these tremendous revelations the Lord is unfolding the rise of the final world despot who will move in opposition to God and under Satan will corrupt humanity as he brings men into rebellion against God In these chapters we see the rise the character he bears and the control he will manifest during the tribulation period There is more said in the word of God about this coming Man of Sin than any other person beside Lord Jesus and the book of Daniel takes a leading role in revealing what God says about him As there are many who would study the prophetic truths I trust this addition to the many volumes written on the subject will prove helpful to understand the mind of God The volume does not follow in detail all that has been written by others but it has been written after many years of careful study and I trust that those who peruse it will at least give it some careful thought May the Lord use this to encourage others to study the subject and discern the mind of God in those things which He has revealed [Daniel the prophet and the times of the gentiles](#) Edward Dennett, 1919

Daniel August Nelson Rosado, Jr, 2021-02-07 August Rosado shows how the Book of Daniel should be read Chronologically and not Numerically That means you must jump around the book in order to understand the Chronological sequence The book of Daniel is an Apocalyptic book that uses Apocalyptic literature The Bible will interpret that Apocalyptic literature not the mind of the individual August gives the Chronological sequence of Chapters laid out in the book The book also serves as a commentary and tackles the 2 controversial chapters Chapters 9 and 11 August looks at the scriptures for their plain sense interpretation and shows how the book of Daniel foretold events 2500 years ago are slowly unfolding in the Geo Political activities of the world today showing us that Bible Prophecy is on course to being fulfilled **The Seventy Weeks of the Prophet Daniel Explained, So Far as They Relate to the Appearance of the Messiah at the End of the Sixty-ninth Week, and His Confirming the Covenant During the Seventieth Week** William BLACKLEY (M.A.), 1850

Hampson,2023-10-03 Finding Stability in Chaos and Encouragement from God s Promises In today s increasingly unstable culture we need the wealth of wisdom available in the book of Daniel which teaches us to live boldly and joyfully for the Lord even in the most difficult circumstances Through Daniel you ll discover what it means to stand for righteousness in a world filled with compromise And you ll learn how to do so winsomely in a way that both enables others to gain a clear understanding of who God is and compels them to seek after Him Explore the many vivid prophecies Daniel had about the days to come prophecies that shed much light on what will happen during the end times and are deeply practical for our day You will find your faith strengthened as you see the many ways that God has kept His promises and will continue to do so God used Daniel s faithfulness and courage powerfully in his day and He can do the same through our lives today as we apply the lessons meant to help us fulfill our role in God s divine story right now [Reimagining Exile in Daniel](#) James

Stringfellow,2020-12-01 For more than four decades the Bible studies taught by Dr Alan B Stringfellow 1922 1993 brought greater insight into God s Word to thousands of believers Now the author of Through the Bible in One Year and Great Characters of the Bible leads readers on a verse by verse study of the book of Daniel Stringfellow s in depth teaching will bring clarity and understanding to one of the most misunderstood books in Scripture With this study readers will learn How to identify the major themes How to memorize key verses How to recognize God s central message An overview of various interpretations of the book s imagery The role Daniel s prophecies play in the entire biblical story By embarking on this journey believers will discover the influence that the book of Daniel had on the life and literature of the Jewish people throughout the biblical period and all the way to the writers of the New Testament including Jesus Christ Himself who often quoted from it But nowhere is that influence seen as thoroughly as in the writings of the apostle John and parallels that exist with the book of Revelation As in John s prophetic work the book of Daniel describes in beautiful and marvelous language the glorious coming of our Lord Jesus Christ Like John Daniel was sure and certain about the final triumph of the kingdom of God

Eschatology of the Prophet Daniel

Frederick Guttmann, The prophet Daniel is a historical icon of the people of Israel although he is more special to Christian theology. It is especially important for being the prophet with the most revelations received in a historical context and even in great detail addressing global issues of geopolitics and conquest centuries before such occurred. Although this man is much more for Christianity than for the Jews themselves and that is why I have dedicated this work to him since unlike what would happen to a greater extent with Judaism within Christianity he is largely a turning point in eschatology. The name Daniel means in Hebrew God is my judge or judgment of God although during his stay in Babel Babylon he was called in Akkadian Balatsu, usur Bel protects the king, transcribed to Spanish as Belshazzar. He was one of the sons of the Jewish aristocracy who were taken out of Israel by Nebuchadnezzar II of Babylon during the time of Jehoichin, king of Judah, that is he was taken captive back in 598 or 597 BC. Although it is not officially known how old he was when he was taken or his year of birth itself, something that recently came to be known is that the book of Daniel enjoyed great popularity among the Jewish community; there is much information that emphasizes his writing in the Qumran Caves even considering it canonical. The Jews did not put Daniel with the compendium of manuscripts of the Nebi'im Prophets but with the merely historical ones, the Ketubim Writings. In fact, if the popularity of a book is judged by the number of copies of copies found in the caves, Daniel with its 8 scrolls would occupy 4th place together with the book of the 12 prophets. Deuteronomy has 14 manuscripts, Isaiah is 12, and the Samos are 10. Thru the Bible Vol. 26: The Prophets (Daniel) J. Vernon McGee, 1995-03-19. Radio messages from J.

Vernon McGee delighted and enthralled listeners for years with simple straightforward language and clear understanding of the Scripture. Now enjoy his personable yet scholarly style in a 60 volume set of commentaries that takes you from Genesis to Revelation with new understanding and insight. Each volume includes introductory sections, detailed outlines, and a thorough paragraph by paragraph discussion of the text. Very affordable in a size that can go anywhere, it's available as a complete 60 volume series in Old Testament or New Testament sets or individually.

Lord, 1871 *Notes, Explanatory and Practical, on the Book of Daniel. By the Rev. Albert Barnes. Critically Revised and Corrected. Pentecost, 2010-05-11. A comprehensive and accessible study of eschatology for anyone interested in the important subject of biblical prophecy. The Bible and its revelation about Jesus Christ's return is the one source of hope and confidence for the future in these dark days. Approximately one fourth of the Bible was prophetic at the time it was written, meaning that a greater body of Scripture is devoted to the unfolding of God's plan than any other one subject. God, the architect of the ages, has seen fit to take us into His confidence concerning His great design. But until *Things To Come* was published, the

treatment of biblical prophecy had been mainly either apologetic or expository with prophetic themes being developed individually apart from their relation to the whole revealed prophetic program This methodology produces fragmentary and unrelated knowledge of the subject In this monumental classic Dr Dwight Pentecost has synthesized the whole field of prophecy into a unified biblical doctrine a systematic and complete biblical eschatology He deftly handles many controversial topics including a detailed presentation of premillennial eschatology With nearly a quarter of a million copies sold Things to Come has earned its place in the library of the pastor the scholar and the seminarian or Bible institute student
