Daniel Under The Siege Of The Divine

Edward Irving

Daniel Under The Siege Of The Divine:

Daniel Daniel Berrigan, 2009-04-03 Daniel Under the Siege of the Divine is a powerful poetic commentary on one of the Bible's most politically charged books by one of America's greatest peacemaking prophets Daniel Berrigan Using the insights he has gained from a lifetime of nonviolent resistance to war and empire Berrigan walks us through these ancient biblical stories of nonviolent resistance to war and empire pointing out how we can learn from Daniel and his friends to keep the faith stay hopeful and resist every war injustice and empire today It is not only one of Berrigan's best books but one of the best commentaries on the book of Daniel Through the scripture and the author's life we discover the power and duty of civil disobedience to the culture of war and divine obedience to the God of peace **Daniel's Mysticism of Resistance in Its Seleucid Context**

Timothy L. Seals, 2022-10-03 In Daniel's Mysticism of Resistance in Its Seleucid Context Timothy L. Seals proffers a postcolonial interpretation of the book of Daniel investigating certain texts that constitute Daniel's mystical way or practice Daniel uses mysticism to resist the repressive script of Antiochus IV outlawing the Jewish religion in 167 BCE In his use of non violence to resist the imperial power of the Seleucids Daniel stands in the non violent passive resistant tradition of both Mahatma Gandhi and Martin Luther King Jr Daniel uses mysticism both to resist imperial intrusions into his humanity and to decolonize his mind in the aftermath of colonization In this endeavor mysticism proves to be world affirming

Esther & Daniel (Brazos Theological Commentary on the Bible) Samuel Wells, George Sumner, 2013-07-01 The Brazos Theological Commentary on the Bible advances the assumption that the Nicene creedal tradition in all its diversity provides the proper basis for the interpretation of the Bible as Christian scripture The series volumes written by leading theologians encourage Christians to extend the vital roots of the ancient Christian tradition to our day In this addition to the acclaimed series two respected scholars offer a theological exegesis of Esther and Daniel As with other volumes in the series this book is ideal for those called to ministry serving as a rich resource for preachers teachers students and study groups *Daniel Evokes Isaiah* G. Brooke Lester, 2015-11-19 Lester argues here that the book of Daniel contains a complex but poetically unified narrative This can be identified through certain narrative qualities including the allusion to Isaiah throughout which uniquely contributes to the narrative arc The narrative begins with the inauguration of foreign rule over Israel and concludes with that rule's end Each stage of the book's composition casts that foreign rule in terms ever more reminiscent of Isaiah's depiction of Assyria That enemy is first conscripted by God to punish Israel but then arrogates punitive authority to itself until ultimately punished in its turn and destroyed Each apocalypse in the book of Daniel carries forward in its own way that allusive characterization Lester thus argues that an allusive poetics can be investigated as an intentional rhetorical trope in a work for which the concept of author is complex that a narrative criticism can incorporate a critical understanding of composition history The Daniel resulting from this inquiry depicts Daniel's 2nd century Jewish reader not as suffering punishment for breaking covenant with God but as enduring in covenant faithfulness the last days of the Assyrian arrogator's

violent excesses This narrative problematizes any simplistic narrative conceptions of biblical Israel as ceaselessly rebellious lending a unique note to conversations about suffering and theodicy in the Hebrew Bible and about anti Judaic habits in Christian reading of the Hebrew Bible **The Plough** ,1997 **Liberating Biblical Study** Laurel Dykstra,Ched Myers,2011-09-01 Liberating Biblical Study is a unique collaboration of pioneering biblical scholars social change activists and movement based artists Well known and unknown veterans and newcomers these diverse practitioners of justice engage in a lively and critical conversation at the intersection of seminary sanctuary and street The book is divided into eight sections in each a scholar activist and artist explore the justice issues related to a biblical text or idea such as exodus creation jubilee and sanctuary Beyond the emerging themes e g empire resistance movements identity race gender and economics the book raises essential questions at another level What is the role of art in social change movements How can scholars be accountable beyond the academy and activists encouraged to study How are resistance movements nurtured and sustained This volume is an accessible invitation to action that will appeal to all who love and strive for justice whatever their discipline and whatever their familiarity with the Bible scholarship art and activist communities **Jerusalem Under Siege** Jonathan J. Price,2024-01-15 This internal history of the Jewish rebellion traces factionalism among the Jews from the decades before the war s outbreak through the constantly shifting and dangerous alliances that reigned in Jerusalem from 66 to 70 C E rivalries and divisions are revealed even in the structure of the Jewish army and in the patterns of famine and desertion during the siege Classical rabbinic archaeological and numismatic evidence are brought to bear on a new interpretation of Josephus Bellum Judaicum *The Publishers Weekly* ,1999 *Flood and Fury* Matthew J. Lynch,2023-02-28 Old Testament violence proves one of the most troubling topics in the Bible Without softening or ignoring the most troubling realities of the text Old Testament scholar Matthew Lynch addresses violence related to misogyny racism and nationalism in the Old Testament yielding surprising insights into the goodness and mercy of God **Other Gods and Idols** Thomas A. Judge,2019-02-21 This study questions why the relationship between the worship of other gods and the worship of idols within the Old Testament is difficult to define acknowledging how various traditions have seen these two issues as synonymous and others have viewed them as separate commandments Judge argues that there are four factors at play in this diversity He introduces the first three through an examination of the relationship between the prohibitions listed in the biblical text and the fourth through a study of the biblical depiction of the war against idols before and after the fall of the Northern Kingdom Judge argues that texts depicting the era before the fall provide a context in which there are strong grounds to distinguishing the worship of the wrong gods and the worship of the right God in the wrong way However texts depicting the era after the fall provide a context in which the issues appear to have been fused *The Renaissance Battle for Rome* Susanna de Beer,2024 The Renaissance Battle for Rome examines a rhetorical battle fought simultaneously between many parties seeking prestige or legitimacy through the legacy of ancient Rome It traces the contours of this battle

across Renaissance Europe waged by humanist Latin poets negotiating different claims on behalf of others and themselves in their work The Old Testament Pseudepigrapha James H. Charlesworth,2010-02 The Old Testament Pseudepigrapha is truly a work of international importance and Hendrickson Publishers is pleased to offer it in this economical paperback edition Book Jacket Daniel's Vision Edward Irving,1829 **Into His Presence, Volume 2** Napoleon Burt,2020-06-02 The God of the Bible is not a concept to be studied but a divine person each of us can and should encounter personally Into His Presence Volume 2 uses the documented encounters of the prophets of old with the God of History as tools to help you understand the character of God as a person In this book you will see the God of the Bible as a divine person encountered by the prophets and the writers of the Old Testament The approach to the study of the Bible presented in this book will completely change how you read the Bible and how you perceive the divine author of the Bible In this book you will learn how many historically documented conversations each of the great prophets had with God and understand that Jehovah moved with purpose in each of His encounters with His prophets Your understanding of the character of God will be enriched as you see Him through the eyes of Elijah Jehovah s defender against religious and political leaders who waged an aggressive campaign against the worship of Jehovah You will be enlightened as you examine the person of Jehovah through the eyes of Isaiah and understand why he saw Jehovah as the only Savior and the coming Messiah You will be amazed by the number of conversations Jeremiah had with God and see how his encounters with Jehovah demonstrate that encountering Jehovah can completely transform your views about His person You will walk with Daniel Zechariah Esther and Nehemiah as their relationships with Jehovah turn them into His ambassadors in their own world Through the enumerated experiences of each of the prophets you will come to understand the consistent character attributes of God as a person over the course of history You will conclude that God is a divine person with whom you can also have an intimate relationship As you read this book you will feel the God of the Bible personally calling you into His presence **The Dynamics of Early Judaeen Law** Sandra Jacobs,2024-12-30 This collection of essays explores aspects of civil and criminal law in ancient Judaea Whereas the majority of studies on Judaeen law focus on biblical law codes and therefore on laws related to sacrifice cultic purity and personal piety this volume focus on laws related to the social and economic dealings of Judaeans in the Neo Babylonian Persian and Greco Roman periods and on the contribution of epigraphic and archival sources and to the study of this material

Catastrophes Nitzan Lebovic,Andreas Killen,2014-04-01 Catastrophic scenarios dominate our contemporary mindset Catastrophic events and predictions have spurred new interest in re examining the history of earlier disasters and the social and conceptual resources they have mobilized The essays gathered in this volume reconsider the history and theory of different catastrophes and their aftermath The emphasis is on the need to distance this process of reconsideration from previous teleological representations of catastrophes as an endpoint and to begin considering their operative aspects which unmask the nature of social and political structures Among the essays in this volume are analyses by leading scholars in their

respective fields concerning the role of catastrophes in theology in the history of industrial accidents in theory of history in the history of law in catastrophe films in the history of cybernetics in post Holocaust discussions of reparations and in climate change **National Message and Banner** ,1924 The Books of the Prophet Daniel Otto Zockler,2007-05-01 Presented here in paperback for the first time is John Peter Lange s Theologischhomiletisches Bibelwerk Intended to help preachers prepare sermons the commentary series is essentially biblical and evangelical catholic This 19th century commentary has served as a standard reference for more than a century Many early reviewers regarded Schaff s edition with his additional material as superior to the original It has proven to be a complete and useful Commentary and continues to prove especially valuable to ministers It contains critical annotations of the text and its translation and a threefold commentary exegetical doctrinal and homiletical Under these three heads the text is viewed from every aspect **The Rhetorical Use of Numbers in the Deuteronomistic History** Denise C.
