**Finally Home** John Wayne Gaylord,2019-12-13 Do you want to know what the future holds Not from a fortune teller standpoint but as to what God says is coming down the pike whether we like it or not His predictions are 100% accurate 100% of the time Why do we seldom hear sermons from the Book of Revelation Because most preachers and teachers prefer to avoid controversy And since there are a number of interpretations they say it is best to ignore them all But think about this one fourth of the New Testament is composed of prophecy Does God want us to ignore one fourth of the New Testament No As the book Finally Home explains taking a literal interpretation of Scripture clears up virtually all of the controversy In other words God knows how to communicate and He lays out clearly His master plan for the end of the age For unbelievers many of the scenes are painful but for the Christian you are missing out if you are not looking for the outstanding times that await you Finally Home tells you what to expect in the end times It shows you the big picture so that as world politics change you will not be taken unawares It will give you the encouragement to

stand firm as the world continues to grow dark knowing that your faithfulness and perseverance will deliver you Finally Home Future History Hal Seed,2007-10 The Beginner's Guide to Revelation Ray Sullins,2018-02-06 Is there another book of the Bible that has generated more curiosity controversy and speculation than the book of Revelation As world events careen toward what appears to be a terrifying precipice and as many people see multiplied signs that the long prophesied end times are rushing upon us more and more people are turning to the last book of the Bible the book of Revelation for answers In The Beginner's Guide to Revelation author Ray Sullins has written a comprehensive guide to aid both new believers and long time students of God's Word in their search for answers in this most mysterious of books Ray skillfully guides the reader through the maze of imagery and helps to discern the figurative from the literal and always with the aim of pointing the reader to the central character of Revelation the Lord Jesus Christ

**God for a Secular Society** Jürgen Moltmann,Margaret Kohl,1999-03-05 In this masterful analysis of the religious and political dilemmas at the end of the modern age world renowned theologian Jürgen Moltmann assays the vaulting dreams and colossal failures of our time He asks how we came to this point and he argues strenuously for Christian discipleship and public theology that take sides In both critical and creative ways he advances the specific relevance of Christian messianic hope to today's thorniest political economic and ecological questions including human rights environmental rights globalization market capitalism fundamentalisms and Jewish Christian relations and the deeper values contested therein In a world reeling between utopia and disaster Moltmann here passionately and provocatively shows how Christian discipleship through engagement and solidarity can blaze a redemptive path

Theological Wordbook John F. Walvoord,Donald Cambell,John A. Witmer,2000-10-17 Stimulating theology is an oxymoron for most people Theology sounds like something for the severely intellectual full of complicated ideas that escape the typical Christian reader In reality theology is meant to enhance our understanding of God Most of the words that make up the Christian vocabulary are common words drawn from the realities of life and therefore are easily applicable to real life Based on this premise four leading authors have come together to create this excellent volume The Theological Wordbook tackles tough words such as propitiation regeneration righteousness and predestination but it does so in a natural plain spoken manner designed to be enlightening rather than evasive Also literally dozens of words you are likely to use every day such as forgiveness mind peace rest family truth and guilt have profound biblical value Using The Theological Wordbook can enable you to more fully appreciate what the Bible teaches on these crucial topics and how each of these terms is relevant for life today As this happens your understanding of God will expand And as the words you use speak and hear in the community of faith become more familiar you will become more connected to your own spiritual heritage The Theological Wordbook is the link between understanding God's Word in your head and accepting it in your heart
