Do you long for a more powerful prayer life? Do you grow discouraged when your prayers don't seem to change anything or allow you to hear God's voice? In this six session video Bible study workshop video access included, Anne Graham Lotz presents a biblical approach to prayer that will help you learn to listen for God's voice, know Him in a personal relationship and communicate with Him through His Word. By taking a close look at the life of Daniel, Anne unpacks the prayer he prayed in Daniel 9. Following the pattern of Daniel's original prayer as a model for how we speak to our Creator, she helps us develop a more meaningful and powerful prayer life. For an entire generation, Daniel's people had been held in captivity and separated from their homeland. But when Daniel read a prophecy in which God said He would restore His people to Jerusalem after seventy years, he claimed that promise and cried out for the Lord to bring it to pass. Daniel's example of praying God's Word back to Him is what Anne calls reversed thunder. In this six session study, Anne explains how we can reverse the thunder until Heaven is moved and we see real change in our own lives and the lives of those we're praying for.
