**John 17 and the Power of Prayer** Judith A Diehl,2023-06-12 What is the power of

prayer It is easy not to even think about prayer until trauma happens Everything seems to be going very well until we slip and fall Life is filled with beauty and joy until it isn't Then is God listening Silence is deafening and the lack of communication is frightening Many people know the familiar Lord's Prayer found in Matthew's Gospel and for good reason Some of us memorized it in our childhood But actually we may know little about prayer or we have tried to avoid it altogether Within varied denominations and customs people have rituals and practices about prayer that are deeply ingrained Some are very helpful but some do not raise prayer above a mysterious obligation and a duty Sadly perhaps we have lost our prayer innocence with time traditions and the painful experiences of life This book is a focus on unusual names or titles for God on the lips of Jesus in John's Gospel Names reveal identity who is God who is Jesus and who is the Holy Spirit A better understanding of God can have a profound effect on one's prayer life Knowing God is the power of prayer it can move us from obligation to love There are numerous books on effective or successful prayer in the religious section of the bookstore or on the internet This is not one of those books It is not about how to pray but it is a book about the One to whom we pray Life is a rocky craggy trail and we all need dependable available help when we slip and fall Then we can lift our hearts and thank Someone who loves us That is the power of prayer

The Man of Sin Kim Riddlebarger, 2006-06-01 The doctrine of the Antichrist is one of the most interesting doctrines found in Scripture says author Kim Riddlebarger Unfortunately it's also one which has been subject to far more speculation than sound biblical exegesis Until now Unlike other resources available on the Antichrist The Man of Sin focuses on Scripture not contemporary events to uncover the truth about this mysterious entity With skilled exegesis Riddlebarger asserts that contrary to popular speculation the Antichrist is not a singular individual but a series of beings that will arise to challenge Christ throughout the inter-advental age before culminating in an end times Antichrist Backing this claim first in Scripture Riddlebarger also draws from historical teachings including those of the church fathers the Reformation and historic Protestantism before contrasting this evidence to the sensational interpretations of many contemporary writers Pastors teachers and study groups wanting to understand the doctrine of the Antichrist will find The Man of Sin to be a unique and comprehensive study

Blasphemy and Exaltation in Judaism Darrell L. Bock, 2016-06-15 Why Jesus was put to death remains a pivotal issue in New Testament scholarship The Marcan account of the Jewish examination of Jesus lies at the heart of the debate Darrell Bock defends the historical cultural veracity of Mark's portrayal through a careful study of the Jewish views on blasphemy and exaltation

**Emotions, Moral Formation, and Christian Politics** Jonathan M. Cahill, 2024-08-22 This volume addresses the social relational nature of moral formation emotions and moral agency Drawing on Barth's theological anthropology and his relational conception of the self Cahill argues that Barth envisions moral progress as rooted in the growth of the community Cahill also explores Barth's view of emotion in conversation with the study of emotions in psychology sociology neuroscience and philosophy Building on Barth and these other disciplines Cahill argues for a relational and cognitive conception of emotions while highlighting emotions

critical role in regulating group and social relations Emotions are fundamental to interpersonal interactions to group relations and for the reinforcement and disruption of social structures This account of moral formation and emotion is illustrated through the example of climate change A community shaped by love for God solidarity with other creatures and a concern for all of creation leads to an awareness of hegemonic forces and fosters emotions shaped by the kingdom of God that enables the struggle for climate justice      **Following the Lamb** Keith T. Marriner,2016-01-11 Jesus parting words to his followers were for them to Go therefore and make disciples of all nations Matt 28 19 This being the case shouldn't we be concerned with gaining a full understanding of discipleship from the entire New Testament corpus Many scholars recognize that the theme of discipleship is found throughout the New Testament even in Revelation with all of its symbolism and bizarre imagery But how does it do this The focus of this study through the use of content analysis methodology is to demonstrate that the theme of discipleship is not only found in the Apocalypse but is also exceedingly relevant for Christians today In many parts of the world Jesus disciples are facing opposition and persecution for their testimony to Jesus Christ It would do Christians well to read the book of Revelation once again As they read it this time through the eyes of the oppressed the content of the book will prove extremely valuable to aid disciples of Jesus in their efforts to follow the Lamb wherever he goes Rev 14 4 no matter what the cost      *Secrets of Daniel* Jacques Doukhan,2000 Understand Daniel as never before Drawing from his research in ancient Jewish sources and knowledge of the original language Doukhan recreates the world of Babylon explains obscure allusions and finds hidden patterns within the prophecies that clarify their meaning

a Judean text from that time that has been hitherto unknown and which survived in a Byzantine recension epsilon of the Alexander Romance The second and third chapters turn to rabbinic sources and deal with the Judean approaches and attitudes towards Roman occupation and rule first at the advent of Pompey and then at the institution of Provincia Iudaea at the expense of the Herodian dynasty The final story is the most famous previously considered the earliest rather than the latest that of Josephus Alexander the Great in Jerusalem demonstrates how the historical tradition consistently maintained the moral and sacral superiority of the Jerusalem temple and of Judaism making Alexander either embrace monotheism or prostrate himself before the Judean high priest This not only bolstered Judean self confidence under conditions of military and political inferiority but also brought the changing foreign rulers into the fold of Judean sacred history

**The Joy of Exile** Andrew Spore, 2010-03-12 The Joy of Exile presents a well researched commentary on the last book of the Bible It demonstrates Revelation's dependence on Old Testament imagery while exploring its transforming message for disciples in all times and places The Joy of Exile encourages readers to see this often misunderstood and misrepresented book as an encouraging guide to faithful discipleship in a rebellious world
