## **Danielle Steel Daddy:**

Daddy Danielle Steel, 1990-10-01 Oliver Watson's world suddenly dissolves around him when Sarah his wife of eighteen years returns to Harvard to get her master's degree. Oliver is left on his own with three children and a freedom he never wanted and doesn't completely understand. His family's needs and demands suddenly consume his life. When Oliver's mother is diagnosed as having Alzheimer's disease and dies soon thereafter, Oliver's father's life is changed as well. Braver than his son with less of a future before him, George Watson at seventy-two quickly embraces new relationships and eventually a new life. The sudden changes come as a shock to both father and son. Ben, Oliver's oldest son, rejects his father and reaches outward under the illusion that he is grown up and can make it on his own. Melissa, the middle child, blames Oliver for her mother's desertion. And Sam, the baby, is too shaken to deal with it at all. Now the only parent, Daddy must somehow cope with this troubled family and explore a world of new responsibilities, new women, and new experiences. Each of the three men must start a new life: Oliver in New York and then in Los Angeles with his children; once he faces the biggest change in his life, his widowed father with the woman next door; and seventeen-year-old Ben with his girlfriend and baby. Nothing is as it was before; nothing is as they once thought it would be. But in the end, different is better; different is more for each of them, and especially for Daddy.

**Daddy** Danielle Steel, 2014-12 *Daddy's Girls* Danielle Steel, 2020 After JT Tucker's wife died, he built the biggest ranch in California, but when he dies suddenly, the ranch is inherited by his three daughters who struggle with their differences and moving on from the loss of their dad. Daddy's Girls Danielle Steel, 2021-05-25 Three sisters are inspired by a father who has done everything he can to give them the life he never had. But when tragedy strikes, can they come together to overcome the bad times and succeed as their father's daughters? Kate, Gemma, and Caroline Tucker have grown up to be three very different women, but with a bond that only sisters experience. What they all have in common is an unfailing admiration for their father, Jimmy, who through sheer ambition and hard work brought them from Texas when their mother left under mysterious circumstances and raised them to enjoy a good life on their now successful ranch in California's beautiful Santa Ynez Valley. Above all, he taught them to follow their dreams. Kate, as a talented horsewoman, was born to take over the ranch, while Gemma escaped the Valley for a new life in Hollywood and is now the star of a major long-running TV drama. Caroline left for university to study law and is now married to a wealthy businessman in Marin County and has two children. When tragedy strikes, family secrets are revealed, and the three girls have to face some tough and heartbreaking decisions. But they face the crises together and discover that sometimes you have to go through the clouds to find the sun. Ultimately, they come to recognize that they are their father's daughters, and they understand the special gift he gave them.
