

# The Scottish dream of Darien

John McKendrick considers how Scotland's wish to create a trading empire was dashed and made the Act of Union of 1707 almost inevitable.

The story of the Scots and Darien is increasingly well known. Many people have heard of the energetic William Paterson, author of the Scots' 'disaster' at Darien. His project, on paper at least, was a brilliant one. He planned to establish a trading company in Scotland; to found a colony on the Caribbean side of the isthmus of Panama; to facilitate the exchange of goods between east and west; and create a centre of international trade and commerce and a hub for buying and selling. In impoverished late seventeenth-century Scotland, Scots enthusiastically bought into this tropical dream and heavily mortgaged the nation's future in Paterson's scheme. In the face of determined Spanish resistance the project was doomed and failed. All but one of the once magnificent ships lost, over 2,000 Scots dead and all hope of financial success left rotting in the steamy jungles of Darien.

The first expedition set sail from Leith in 1698 with four ships and 1,200 men. They founded Caledonia, only to abandon it six months later in the hope of returning home to Scotland; not victims of Spanish aggression but of disease, ill-discipline and poor leadership. The second expedition arrived six weeks later in mid 1699 to find the deserted settlement. Initially bolstered by a small military victory against the Spaniards at Tubuganti, the colony soon faced the same problems and found itself fatally weakened when the Spanish moved in to dislodge them in early 1700.

## William Paterson and the Company of Scotland

William Paterson was born in Skippmyre in rural Dumfriesshire in 1658. As every writer and historian has conceded, little is known of his early childhood, Paterson being a man too serious to have left behind a nostalgic autobiography. His father sent him to live with family in Bristol and from there he ended up working in the Caribbean before returning to London. Paterson founded the Bank of England in 1694 and became one of its first directors before leaving the board shortly afterwards. He was looking for his next big project when he came across the surgical pirate, Lionel Wafer's then unpublished manuscript *A New Voyage and Description of the Isthmus of America*. Paterson hungrily devoured this tract and found what he wanted in this exotic account of a jungle paradise. Would use it in time to convince himself, and crucially the directors of the Company of Scotland, of the soundness of locating a trading colony on the isthmus of Panama. At the outset there was no inevitability

William Paterson, from a wash drawing in the British Museum

Darien John Prebble, 2000 In defiance of the king and in the face of English hostility the Scottish parliament set out to establish a colony in Central America This dream of William Paterson founder of the Bank of England was to end in disaster

Scotland, Darien and the Atlantic World, 1698-1700 Julie Orr, 2018-09-26 Combines qualitative fieldwork with analytical philosophy to provide guidelines for when it is right for states UN agencies and NGOs to help refugees repatriate

*Cromwell Against the Scots* John D. Grainger, 2021-06-09 Although also known as the Third English Civil War the author makes it clear that this was the last war between the Scots and English as separate states He narrates in detail the events following the exiled King Charles II's landing in Scotland and his alliance with the Scots Covenanters erstwhile allies of the English Parliamentarians Cromwell's preemptive invasion of Scotland led to the Battle of Dunbar a crushing defeat for the Scots under David Leslie though this only unified the Scottish cause and led to the levying of the Army of the Kingdom under Charles II himself Charles II led a desperate counter invasion over the border hoping to raise a royalist rebellion and forcing Cromwell to follow him though he left Monck to complete the pacification of Scotland Cromwell caught up with Charles II at Worcester where the Scots Royalist army was decisively defeated and destroyed thousands of the prisoners being sold into slavery in the West Indies and the American colonies This revised and updated edition contains an expanded chapter on the aftermath of the war and the fate of the POWs drawing on major new archaeological evidence as well as an expanded Conclusion

*Expedition into Empire* Martin Thomas, 2014-09-04 Expeditionary journeys have shaped our world but the expedition as a cultural form is rarely scrutinized This book is the first major investigation of the conventions and social practices embedded in team based exploration In probing the politics of expedition making this volume is itself a pioneering journey through the cultures of empire With contributions from established and emerging scholars Expedition into Empire plots the rise and transformation of expeditionary journeys from the eighteenth century until the present Conceived as a series of spotlights on imperial travel and colonial expansion it roves widely from the metropolitan centers to the ends of the earth This collection is both rigorous and accessible containing lively case studies from writers long immersed in exploration travel literature and the dynamics of cross cultural encounter

**The British Empire** Mark Doyle, 2018-06-29

An essential starting point for anyone wanting to learn about life in the largest empire in history this two volume work encapsulates the imperial experience from the 16th 21st centuries From early sixteenth century explorations to the handover of Hong Kong in 1997 the British Empire controlled outposts on every continent spreading its people and ideas across the globe and profiting mightily in the process The present state of our world from its increasing interconnectedness to its vast inequalities and from the successful democracies of North America to the troubled regimes of Africa and the Middle East can be traced in large part to the way in which Great Britain expanded and controlled its empire The British Empire A Historical Encyclopedia addresses a broader range of topics than do most other surveys of the empire covering not only major political

and military developments but also topics that have only recently come to serious scholarly attention such as women's and gender history art and architecture indigenous histories and perspectives and the construction of colonial knowledge and ideologies By going beyond the headline events of the British Empire this captivating work communicates the British imperial experience in its totality Scottish Diaspora Tanja Bueltmann, 2013-11-20 This introductory history of the Scottish diaspora c 1700 to 1945 explores migration Scots experiences where they landed and the reverse impact of this migration on Scotland It examines the geographies of the diaspora and key theories concepts and t **Scotland in the Age of Two Revolutions** Sharon Adams, Sharon Adams (Historian), Julian Goodare, 2014 The seventeenth century was one of the most dramatic periods in Scotland's history with two political revolutions intense religious strife culminating in the beginnings of toleration and the modernisation of the state and its infrastructure This book focuses on the history that the Scots themselves made Previous conceptualisations of Scotland's seventeenth century have tended to define it as falling between 1603 and 1707 the union of crowns and the union of parliaments In contrast this book asks how seventeenth century Scotland would look if we focused on things that the Scots themselves wanted and chose to do Here the key organising dates are not 1603 and 1707 but 1638 and 1689 the covenanting revolution and the Glorious Revolution Within that framework the book develops several core themes One is regional and local the book looks at the Highlands and the Anglo Scottish Borders The increasing importance of money in politics and the growing commercialisation of Scottish society is a further theme addressed Chapters on this theme like those on the nature of the Scottish Revolution also discuss central government and illustrate the growth of the state A third theme is political thought and the world of ideas The intellectual landscape of seventeenth century Scotland has often been perceived as less important and less innovative and such perceptions are explored and in some cases challenged in this volume Two stories have tended to dominate the historiography of seventeenth century Scotland Anglo Scottish relations and religious politics One of the recent leitmotifs of early modern British history has been the stress on the Britishness of that history and the interaction between the three kingdoms which constituted the Atlantic archipelago The two revolutions at the heart of the book were definitely Scottish even though they were affected by events elsewhere This is Scottish history but Scottish history which recognises and is informed by a British context where appropriate The interconnected nature of religion and politics is reflected in almost every contribution to this volume SHARON ADAMS is Postdoctoral Research Fellow at the University of Freiburg JULIAN GOODARE is Reader in History at the University of Edinburgh Contributors Sharon Adams Caroline Erskine Julian Goodare Anna Groundwater Maurice Lee Jnr Danielle McCormack Alasdair Raffe Laura Rayner Sherrilynn Theiss Sally Tuckett Douglas Watt **The Company-State** Philip J. Stern, 2012-11-29 The Company State offers a political and intellectual history of the English East India Company in the century before its acquisition of territorial power It argues the Company was no mere merchant but a form of early modern colonial state and sovereign that laid the foundations for the British Empire in India Scotland and the Caribbean,

c.1740-1833 Michael Morris,2015-03-12 This book participates in the modern recovery of the memory of the long forgotten relationship between Scotland and the Caribbean Drawing on theoretical paradigms of world literature and transnationalism it argues that Caribbean slavery profoundly shaped Scotland s economic social and cultural development and draws out the implications for current debates on Scotland s national narratives of identity Eighteenth to nineteenth century Scottish writers are re examined in this new light Morris explores the ways that discourses of improvement in both Scotland and the Caribbean are mediated by the modes of pastoral and georgic which struggle to explain and contain the labour conditions of agricultural labourers both free and enslaved The ambivalent relationship of Scottish writers including Robert Burns to questions around abolition allows fresh perspectives on the era Furthermore Morris considers the origins of a hybrid Scottish Creole identity through two nineteenth century figures Robert Wedderburn and Mary Seacole The final chapter moves forward to consider the implications for post devolution post referendum Scotland Underpinning this investigation is the conviction that collective memory is a key feature which shapes behaviour and beliefs in the present the recovery of the memory of slavery is performed here in the interests of social justice in the present      *Scots and the Union* Christopher A Whatley,2014-04-14 This book traces the background to the Treaty of Union of 1707 explains why it happened and assesses its impact on Scottish society including the bitter struggle with the Jacobites for acceptance of the union in the two decades that followed its inaugural      The Vanished Days Susanna Kearsley,2021-10-05 I ve loved every one of Susanna s books Bedrock research and a butterfly s delicate touch with characters historical fiction that sucks you in and won t let go Diana Gabaldon 1 New York Times bestselling author of Outlander From international bestselling author Susanna Kearsley comes a historical tale of intrigue and revolution in Scotland where the exile of King James brought plots machinations suspicion and untold bravery to light Told partially in flashbacks The Vanished Days weaves in and out of the timeline of the author s beloved New York Times bestseller The Winter Sea unraveling an investigation into a young widow s secrets to unveil a plot that resonates to the highest echelons of Scotland s social and political leaders In the autumn of 1707 old enemies from the Highlands to the Borders are finding common ground as they join to protest the new Union with England At the same time the French are preparing to launch an invasion to bring the young exiled Jacobite king back to Scotland to reclaim his throne and in Edinburgh the streets are filled with discontent and danger Queen Anne s commissioners seeking to calm the situation have begun paying out money sent up from London to settle the losses and wages owed to those Scots who took part in the disastrous Darien expedition eight years earlier an ill fated venture that left Scotland all but bankrupt When the young widow of a Darien sailor comes forward to collect her husband s wages her claim is challenged One of the men assigned to investigate has only days to decide if she s honest or if his own feelings are blinding him to the truth Set at the cusp of the eighteenth century in the midst of the Jacobite Rebellion The Vanished Days is a brilliantly told story of espionage loyalties divided boundless courage and enduring love      **The Price of Scotland** Douglas Watt,2014-02-17 The Price of Scotland

covers a well known episode in Scottish history the ill fated Darien Scheme It recounts for the first time in almost forty years the history of the Company of Scotland looking at previously unexamined evidence and considering the failure in light of the Company's financial records Douglas Watt offers the reader a new way of looking at this key moment in history from the attempt to raise capital in London in 1695 through to the shareholder bail out as part of the Treaty of Union in 1707 With the tercentenary of the Union in May 2007 *The Price of Scotland* provides a timely reassessment of this national disaster

REVIEWS Douglas Watt has brought an economist's eye and poet's sensibility in *The Price of Scotland* to show definitively that over ambition and mismanagement rather than English mendacity doomed Scotland's imperial ambitions

THE OBSERVER *The Price of Scotland* treats Darien as a financial mania

THE FINANCIAL TIMES Exceptionally well written it reads like a novel As I say if you're not Scottish and live here read it If you're Scottish read it anyway It's a very very good book

i on magazine The must have book on the events in advance of the Act of Union that brought Scotland and England together in 1707 is Douglas Watt's *The Price of Scotland* It's a fantastic run through of the catastrophic failure of the Darien Scheme the creation of the Company of Scotland to establish a Central American colony

THE FINANCIAL TIMES *Tracing Your Scottish Ancestors* Ian Maxwell, 2014-05-19 The fully revised second edition of the genealogy resource praised as a great starting point for anyone who has an interest in their Scottish roots

Scottish Field This lively and accessible introduction to Scotland's long complex and fascinating story is aimed primarily at family historians who are eager to explore and understand the world in which their ancestors lived Ian Maxwell guides readers through the wealth of material available to researchers in Scotland and abroad He looks at every aspect of Scottish history and at all the relevant resources As well as covering records held at the National Archives of Scotland he examines closely the information held at local archives throughout the country He also describes the extensive Scottish records that are now available on line His expert and up to date survey is a valuable handbook for anyone who is researching Scottish history because he explains how the archive material can be used and where it can be found For family historians it is essential reading as it puts their research into a historical perspective giving them a better insight into the part their ancestors played in the past The historical section provides a lively summary of the social history of Scotland nicely illustrated from contemporary accounts and nineteenth century line drawings A high level reminder of most of the invaluable but challenging accumulation of Scottish online resources

The Friends of the National Archives **Walter Scott and the Greening of Scotland** Susan Oliver, 2021-08-12 The work of Walter Scott one of the most globally influential authors of the nineteenth century provides us with a unique narrative of the changing ecologies of Scotland over several centuries and writes this narrative into the history of environmental literature Farmed environments mountains moors and forests along with rivers shorelines islands and oceans are explored situating Scott's writing about shared human and nonhuman environments in the context of the emerging Anthropocene Susan Oliver attends to changes and losses acting in counterpoint to the narratives of improvement that

underpin modernization in land management She investigates the imaginative ecologies of folklore and local culture Each chapter establishes a dialogue between ecocritical theory and Scott as storyteller of social history This is a book that shows how Scott challenged conventional assumptions about the permanency of stone and the evanescence of air it begins with the land and ends by looking at the stars

**News Discourse in Early Modern Britain** Nicholas Brownlees, 2006 This volume contains a selection of the papers presented at the Conference on Historical News Discourse CHINED that was held in Florence Italy on 2 3 September 2004 The aim of the Conference was to provide a forum for the presentation and discussion of recent research in the field of news discourse in early modern Britain The first section of the volume focuses on news discourse in serial publications while the second part examines aspects of news language in non serial works Contributions include synchronic and diachronic analyses of reportage polemic propaganda review journalism and advertisements in a wide range of texts including newsletters pamphlets and newspapers Each section is structured chronologically so that the reader can appreciate aspects of the general historical development of news discourse The variety of topics and methodologies reflects some of the most interesting research being carried out in the field

*British and Irish diasporas* Donald MacRaild, Tanja Buelmann, J. C. D. Clark, 2019-01-07 People from the British and Irish Isles have for centuries migrated to all corners of the globe Wherever they went the English Irish Scots Welsh and even sub national supra regional groups like the Cornish co mingled blended and blurred Yet while they gradually integrated into new lives in far flung places British and Irish Isle emigrants often maintained elements of their distinctive national cultures which is an important foundation of diasporas Within this wider context this volume seeks to explore the nature and characteristics of the British and Irish diasporas stressing their varying origins and evolution the developing attachments to them and the differences in each nation s recognition of their own diaspora The volume thus offers the first integrated study of the formation of diasporas from the islands of Ireland and Britain with a particular view to scrutinizing the similarities differences tensions and possibilities of this approach

*When Small Countries Crash* Scott B. MacDonald, Andrew Novo, 2017-07-28 The public is fascinated with financial crashes Historians portray the roar of an angry mob toppling presidents or prime ministers and destroying the property of those who are regarded as malefactors And certainly financial crisis is often a factor in political change It is often overlooked but nonetheless significant that one of the major causes for the French Revolution was the poor state of finances with the nation coming to bankruptcy Large systemic financial crises create history Various actors big and small become caught in the drama contributing to it in their own special way When Small Countries Crash seeks to capture some of the drama of financial collapses and their impact on small countries which the authors define as populations under 10 million generally 5 6 million MacDonald and Novo have selected countries that have had a financial crisis in the national economy that included key actors and where access to reliable data is available As the authors demonstrate the story of small countries suffering the costs of financial missteps is long and painful They argue that smaller economies tend to be more

vulnerable to economic shocks many of which are externally generated Small economies confront particular challenges in terms of economies of scale diversification and depth of expertise and workforce The chapters in this absorbing book focus on Iceland Latvia Ireland the Caribbean Scotland Finland and Albania This in depth study is unique in its close look at financial disasters in countries that have until now been overlooked *Angels Without Borders* Manhong Mannie Liu, 2015-10-20 Angel investors provide small amounts of capital 100k 3m to early stage high risk ventures In recent years they have not only grown in numbers and sophistication they have garnered the attention of larger investors and governments throughout the world who are interested in the phenomenal power of startups to bring innovative products to consumers create jobs and economic value and sustain macroeconomic growth This comes as no surprise Some of the world's most valuable and influential companies such as Google Facebook and Uber were able to survive and thrive in their make or break early years only through the backing of angels *Angels Without Borders Trends and Policies Shaping Angel Investment Worldwide* drawing on chapter contributors from more than two dozen nations will be the only book on the market to examine this trend from a global perspective It is a very useful reference for anyone who is interested in learning about the angel investment movement **The World Turned Inside Out** Lorenzo Veracini, 2021-09-21 A history and theory of settler colonialism and social control Many would rather change worlds than change the world The settlement of communities in empty lands somewhere else has often been proposed as a solution to growing contradictions While the lands were never empty sometimes these communities failed miserably and sometimes they prospered and grew until they became entire countries Building on a growing body of transnational and interdisciplinary research on the political imaginaries of settler colonialism as a specific mode of domination this book uncovers and critiques an autonomous influential and coherent political tradition a tradition still relevant today It follows the ideas and the projects and the failures of those who left or planned to leave growing and chaotic cities and challenging and confusing new economic circumstances those who wanted to protect endangered nationalities and those who intended to pre-empt forthcoming revolutions of all sorts including civil and social wars They displaced and moved to other islands and continents beyond the settled regions to rural districts and to secluded suburbs to communes and intentional communities and to cyberspace This book outlines the global history of a resilient political idea to seek change somewhere else as an alternative to embracing or resisting transformation where one is

**Making Settler Colonial Space** Tracey Banivanua Mar, P. Edmonds, 2010-05-07 Charts the making of colonial spaces in settler colonies of the Pacific Rim during the last two centuries Contributions journey through time place and region and piece together interwoven but discrete studies that illuminate transnational and local experiences violent ideological and cultural that produced settler colonial space

### **Darien The Scottish Dream Of Empire Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Darien The Scottish Dream Of Empire PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Darien The Scottish Dream Of Empire PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal

boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Darien The Scottish Dream Of Empire free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### FAQs About Darien The Scottish Dream Of Empire Books

1. Where can I buy Darien The Scottish Dream Of Empire books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Darien The Scottish Dream Of Empire book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Darien The Scottish Dream Of Empire books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Darien The Scottish Dream Of Empire audiobooks, and where can I find them? Audiobooks: Audio recordings

of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Darien The Scottish Dream Of Empire books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
