Baab, 2009-09-20 You're blessed when you've worked up a good appetite for God Matthew 5:6 The Message We live in hungry times Ours is a consumer culture predisposed to quickly fill the cravings of body and mind The idea of fasting the voluntary denial of something for a specific time for a spiritual purpose sets us immediately on edge But Lynne Baab makes the case that anyone can fast Fasting is an expression of freedom Free from the patterns and habits that mark everyday life from time to time we can move beyond our appetites into meaningful encounter with God In Fasting you'll discover an ancient Christian practice that extends beyond giving up food to any regular activity in our contemporary lives You'll see how taking a break from eating or driving or checking e-mail or watching television opens us up to discover new things about ourselves and God and the world around us You'll see that while not everyone should forgo food anyone can step out of routine to feed the soul In a time of great spiritual hunger God invites us all to a feast fellowship with the Creator of the universe where all our truest needs are identified and attended to Right Fasting. Fasting Right: Releasing the Power Simon Wale Olatunji, 2014-09-22 Coming from the background of passion to touch lives and impact people's destiny SIMON WALE OLATUNJI in this book answers the question of whatever happens to fasting today Fasting can be a wonderful spiritual experience Believers who never practice fasting and prayer are missing out in an important spiritual discipline that has blessed many throughout the ages **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1979 Our Cry for Revival Nick Harrison, 2024-11-05 What Christian isn't hungering for revival Not just an emotional display of faith but a revival that changes lives renews churches and can even change history Such revivals as the Great Awakening the Welsh Revival and the Jesus Movement have earned their place in church history and are evidence that God is still alive and active Even smaller revivals such as the recent revival at Asbury University in Wilmore Kentucky caught the attention of the world as upwards of fifty thousand Christians traveled to the college campus to witness this move of God The recent movie The Jesus Revolution was a surprise success at the box office as once again Christians flocked to hear about revival Make no mistake there is a worldwide hunger for revival and especially so among American Christians The great news is that every Christian has a part to play in bringing about revival That part is first last and always prayer Revivals are born from prayer But will Christians pray Do they really want revival If recent events are indications of that fresh hunger for God in our midst then the answer is a resounding yes With daily Scripture readings reflections prayer prompts and quotes from classic Christian leaders this 365 day guide will aid you in your quest to experience both personal and widespread revival through persistent prayer Yes revival
