Daring To Feel Violence The News Media And Their Emotions:

Daring to Feel Jody Santos, 2009-12-22 Like social scientists reporters are expected to be immune to and even aloof from the pain and suffering they chronicle **Daring to Feel Violence the News Media and Their Emotions** challenges this journalistic mandate particularly as it pertains to the emotional topic of violence Interviewing journalists who have covered some of the worst tragedies in our nation's history Jody Santos shows what happens when the news media dare to feel

Daring to Feel Jody Santos, 2009-12-22 Thou shall remain objective is the number one newsroom commandment but lately cracks have begun to appear in the news media's objective facade American journalists have been pushed to the emotional brink with such recent tragedies and September 11th and Virginia Tech Like social scientists reporters are expected to be immune to and even aloof from the pain and suffering they chronicle **Daring to Feel Violence the News Media and Their Emotions** challenges this journalistic mandate particularly as it pertains to the emotional topic of violence Interviewing journalists who have covered some of the worst tragedies in our nation's history Jody Santos shows what happens when the news media dare to feel No longer detached observers they are free to see violence in all of its emotional complexity In allowing themselves to experience the rage helplessness and fear of those who have survived violence these reporters tell deeper more moving stories stories that hopefully will have a profound effect on the way society views and confronts devastating problems such as child abuse and school massacres **Daring to Feel** is not a call to scrap objectivity but an attempt to rebalance journalism's hierarchical relationship between thinking and feeling rather Santos creates an insightful new dialogue about the value of emotionally engaged reporting

News Media Relations for Law Enforcement Leaders (2nd Ed.) Gerald W. Garner, 2018-09-19 To one extent or another dealing with the news media is a fact of life for every American law enforcement leader However news organizations although a pain at times can aid law enforcement in a number of ways This text avoids theory and the intangible and concentrates on the practicalities by exploring past troubled times and focuses on what cops and reporters have to offer each other The news is defined and broken down into some of its technical component parts The secrets for establishing a mutually beneficial relationship with reporters are revealed including the absolute necessity for credibility on the part of the law enforcement leader Common sense policies and procedures concerning relations with the news media and the importance of an effective Public Information Officer PIO is explored The following topics are featured newspaper journalism the all seeing eye called television a look at what radio has to offer Internet news and what the Net can provide the police officer in twenty first century America The law enforcement officer will learn how to give an effective interview produce news releases that will be used by the media the art of leading a successful news conference and the dirty tricks used by the occasional unscrupulous journalist Solid advice for overcoming this media misbehavior is given which will prepare the leader for dealing with the media challenges found at the scene of a major crime disaster or other high profile incident Instructions for the responses required to recover from an episode of bad

news is included aiding the leader in how to inform the public of all good news that the agency generates Each chapter concludes with a summary of vital points to remember and a glossary of terms appears at the end of the text A new chapter has been added on the topic of fake news Law enforcement leaders need to understand what this phenomenon is and how to protect themselves from its negative effects This how to do it book is a troubleshooting guide that will enable the law enforcement leader to undertake any challenging media situation that is encountered Global Media Ethics Stephen J. A. Ward, 2013-01-09 Global Media Ethics Global Media Ethics Problems and Perspectives The book pleads convincingly that news media outlets and practitioners should urgently reconsider their practices and norms in a world gone global and digitally convergent The various contributions broach the topic from completely different perspectives to create a very stimulating and constructive framework to identify and face the new ethical challenges of journalism and the news media Fran ois Heinderyckx Universit libre de Bruxelles News that crosses boundaries of culture and geography means rethinking media ethics The demands of role audience digital transmission and an industry under fierce economic pressure require the insightful approach to ethical thinking this volume provides From theory to practice this book has something for scholars and professionals alike Lee Wilkins Journal of Mass Media Ethics Global Media Ethics is a cross cultural exploration of the conceptual and practical issues facing media ethics in a global world Focusing on the ethical concepts principles and questions in an era of major change this unique textbook explores the aims and norms that should guide the publication of stories that impact across borders and which affect a globally linked pluralistic world Through case studies analysis of emerging practices and theoretical discussion a team of leading journalism and communication experts investigate the impact of major global trends on responsible journalism and lead readers to better understand changes in media ethics Chapters look at how these changes promote or inhibit responsible journalism how such changes challenge existing standards and how media ethics can develop to take account of global news media In light of the fact that media journalism is now and will increasingly become multimedia in format and global in its scope and influence the book argues that global media impact entails global responsibilities It is therefore critical that media ethics rethinks its basic notions standards and practices from a more cosmopolitan perspective Global Perspectives on Media Events in Contemporary Society Fox, Andrew, 2016-02-25 Media events have been described as broadcasts that involve an engaged audience viewing the same event simultaneously though this definition is still relevant the way media outlets interact with and react to their audiences has greatly changed This is in part due to the emergence of social media platforms which allow a participatory audience something that genre specific television channels now rely on Because these genre specific 24 hour channels seek to hook viewers with hyperbolic presentation and the illusion of large media events the original definition must be adapted Global Perspectives on Media Events in Contemporary Society seeks to re define the role of the media in relaying information about current events within a modern context Determining what constitutes as and the proper presentation of a media event is of

great importance given the ubiquity of media consumption This book approaches the topic from historical ceremonial and globally cultural perspectives while addressing news sports and other significant current events It is a vital resource for students and teachers of communication media and journalism professionals in the media industry policy makers and sociologists

Trauma Journalism Mark H. Massé, 2011-10-06 The role of journalists in covering trauma and tragedy isn t new Witnessing acts of violence destruction and terror has long been the professional responsibility of countless print and broadcast reporters and photographers But what is new is a growing awareness of the emotional consequences of such coverage on the victims their families and loved ones their communities and on the journalists whose job it is to tell these stories Trauma Journalism personalizes this movement with in depth profiles of reporters researchers and trauma experts engaged in an international effort to transform how the media work under the most difficult of conditions Through biographical sketches concerning several significant traumatic events Oklahoma City bombing Columbine school tragedy 9 11 Iraq War the South Asian tsunami Hurricane Katrina students and working reporters will gain insights into the critical components of contemporary journalism practices affecting news judgment news gathering techniques as well as legal and

ethical issues Trauma Journalism calls for the creation through ongoing education of a culture of caring among journalists worldwide Globalization, Gender, and Media Tuija Parikka, 2015-01-14 Globalization Gender and Media tackles the emergence of sexy violence imagery and the coalescence of the sexual and violent meanings in contemporary global mainstream news television film and social media Tuija Parikka analyzes how such imagery advances particular interpretations of globalization and the role of gender in such projects Cases range from serious news journalism and film to social media spectacles brought under the umbrellas of media production contents and perception These versatile cases introduce issues revealing the limits of Western freedom discourse in the social media universalizing an idea of motherhood and ethnicity in news production time home and class in the formation of global imbalances of power online and in reality TV instability of sex and gender in discourses of rape and porn politicizing majority minority relations in the social media Globalization Gender and Media emphasizes the need to consider the interconnectedness and material discursive aspects of globalization and the reality of gender in the media *Racialized Media* Matthew W. Hughey, Emma González-Lesser, 2020-07-28 How media propagates and challenges racism From Black Panther to Oscars So White the concept of race and how it is represented in media has continued to attract attention in the public eye In *Racialized Media* Matthew W Hughey Emma Gonz lez Lesser and the contributors to this important new collection of original essays provide a blueprint to this new ever changing media landscape With sweeping breadth contributors examine a number of different mediums including film television books newspapers social media video games and comics Each chapter explores the impact of contemporary media on racial politics culture and meaning in society Focusing on producers gatekeepers and consumers of media this book offers an inside look at our media saturated world and the impact it has on our understanding of race ethnicity and more Through an interdisciplinary lens *Racialized Media* provides a much needed look at the role of race and ethnicity in all phases of media production distribution and reception **As Democracy Goes, So Does Journalism** Seong Jae Min, 2018-06-18 *As Democracy Goes So Does Journalism* Evolution of Journalism in Liberal Deliberative and Participatory Democracy explores the symbiotic relationship between democracy and journalism in an engaging historical narrative From a liberal to a deliberative and to a participatory model theories and practices of democracy are constantly looking for better governance How is journalism evolving to match the vibrant changes in its democratic counterpart This book suggests that the dominant trustee model of journalism that flourished in liberal democracy has waned the civic minded public journalism in deliberative democracy has had ups and downs and the free wheeling citizen journalism in participatory democracy is now under the spotlight whether for its brilliance or ill repute This book attempts to answer the vital questions facing journalism today namely its identities functions and relationship to democracy and the good life Scholars and students of journalism as well as the public interested in the past present and future of journalism will find this book valuable **Mapping Leisure across Borders** Gianna Cappello, Ishwar Modi, Fabio Massimo Lo Verde, 2014-04-23 In current academic debates leisure is

increasingly defined as a discursive construction originating both from the specific meanings created by individuals and the institutionalizing processes that legitimate certain experiences and their spatial temporal conditions as leisure As a result of social construction and the different social conditions existing at a certain historical moment in different societies the borders among the various aspects of leisure are becoming more and more blurred as is the case for instance with the borders between leisure and work activities Such border crossing is the leitmotif of this book Although focusing on sociological research it has in fact a multidisciplinary scope and will appeal to a variety of scholars and students interested in the study of leisure in contemporary society as a fundamental dimension of everyday sociality and sociability with very important effects on social cohesion as a whole After an introductory section offering general frames on key definitions of leisure and leisure issues five other sections follow which concentrate on more specific aspects of leisure practices and forms in contemporary society *Giornalismo, post-verità e media education* Gianna Cappello, Francesca

Rizzuto, 2025-04-18T00:00:00+02:00 Il panorama contemporaneo delle notizie vede la compresenza di tendenze derivanti da processi avviatisi già da qualche decennio come la spettacolarizzazione della realtà e l'affermazione di nuove pratiche informative coerenti con il contesto culturale della post verità Il giornalismo si ritrova ad affrontare nuove sfide dal cui esito potrebbero derivare conseguenze rilevanti sia per il riconoscimento del suo ruolo sociale sia per il futuro dei sistemi democratici impegnati a fronteggiare la diffusione di hate speech e di campagne di disinformazione Nell'oceano delle notizie online pregiudicata la capacità dei singoli di riconoscere informazioni vere da quelle verosimili o false mentre le piattaforme limitano le loro possibilità di azione decidendo la logica del filtraggio delle news sfruttandoli come inconsapevoli vettori di contagio emotivo Nel volume si sostiene la valorizzazione del ruolo dell'educazione contro le varie forme di disordine informativo evidenziando la necessità di adottare approcci sistemici in cui le attività educative siano integrate da interventi anche nel campo regolamentativo e di policymaking dell'intero sistema di media **Communicating Peace and Conflict**
