Christopher J. Olson, CarrieLynn D. Reinhard, 2017-09-20 Current characters in children's entertainment media illustrate a growing trend of representations that challenge or subvert traditional notions of gender and sexuality From films to picture books to animated television series children's entertainment media around the world has consistently depicted stereotypically traditional gender roles and heterosexual relationships as the normal way that people act and engage with one another **Heroes Heroines and Everything in Between Challenging Gender and Sexuality Stereotypes in Children's Entertainment Media** examines how this media ecology now includes a presence for nonheteronormative genders and sexualities It considers representations of such identities in various media products e.g comic books television shows animated films films children's literature meant for children e.g toddlers to teenagers The contributors seek to identify and understand characterizations that go beyond these traditional understandings of gender and sexuality By doing so they

explore these nontraditional representations and consider what they say about the current state of children's entertainment media popular culture and global acceptance of these gender identities and sexualities Gender and the Superhero Narrative Michael Goodrum, Tara Prescott-Johnson, Philip Smith, 2018-10-01 Contributions by Dorian L Alexander Janine Coleman Gabriel Gianola Mel Gibson Michael Goodrum Tim Hanley Vanessa Hemovich Christina Knopf Christopher McGunnigle Samira Nadkarni Ryan North Lisa Perdigao Tara Prescott Johnson Philip Smith and Maite Ucaregui The explosive popularity of San Diego's Comic Con Star Wars The Force Awakens and Rogue One and Netflix's Jessica Jones and Luke Cage all signal the tidal change in superhero narratives and mainstreaming of what were once considered niche interests Yet just as these areas have become more openly inclusive to an audience beyond heterosexual white men there has also been an intense backlash most famously in 2015's Gamergate controversy when the tension between feminist bloggers misogynistic gamers and internet journalists came to a head The place for gender in superhero narratives now represents a sort of battleground with important changes in the industry at stake These seismic shifts both in the creation of superhero media and in their critical and reader reception need reassessment not only of the role of women in comics but also of how American society conceives of masculinity Gender and the Superhero Narrative launches ten essays that explore the point where social justice meets the Justice League Ranging from comics such as Ms Marvel Batwoman Elegy and Bitch Planet to video games Netflix and cosplay this volume builds a platform for important voices in comics research engaging with controversy and community to provide deeper insight and thus inspire change **Medical-Surgical Nursing - E-Book** Donna D.
